WILLIAM S. LISTER,
GEORGE R. BARNSTEAD,
LEANDER V. COLAHAN,

Selectmen of Stoneham.

TOWN CLERK'S REPORT

Town Meeting Friday, January 17, 1930

Agreeable to a Warrant signed by the Selectmen, January 7, 1930, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Friday, January 17, 1930, at eight o'clock in the evening.

The meeting was called to order by Moderator, William S. Lister, who declared a quorum present, and the Warrant read.

The Tellers appointed to serve on the check lists were as follows:

Thomas F. Halpin

Helen M. Barry

Carrie E. Bancroft

Horace I. Newcomb

Helen V. Dougherty

Elsie L. deGruchy

who were sworn by the Town Clerk. The check lists showed that 177 voters entered the hall.

Article 1. To see if the town will vote to raise and appropriate a sum or sums of money, in addition to the amount appropriated at a town meeting held Monday, May 20, 1929, for the purpose of the construction and original equipping and furnishing of a school building on the Easterly side of Wright street; raise such sum or sums by taxation or authorize the borrowing of any or all of same under authority of any general or special law which authorizes borrowing of money for such purposes.

On motion of Mr. Harold Holden it was voted: That for the purpose of the construction and original equipping and furnishing of a school building on the easterly side of Wright Street, there be appropriated the sum of \$7500.00 in addition to the amount appropriated under Article 19 of a warrant for a Town Meeting held Monday, May 20, 1929; and that, to meet said appropriation, there be raised in the levy of the current year the sum of \$2,500.00 and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$5,000.00 under authority of and in accordance with the provisions of Chapter 244, of the Acts of 1929, and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with said Chapter and Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than 15 years from the date of issue of the first bond or note or at such earlier dates as the Treasurer and Selectmen may determine. The Moderator declared the motion unanimously carried.

A report from the Wright Street School Building Committee was then asked for. Mr. Edward M. Noonan, Chairman of the Committee, then gave a verbal report outlining the work so far.

Voted: That the previous motion be rescinded.

After considerable discussion Mr. C. Frank Munger offered the original motion. This motion was lost.

On motion of Mr. Harold Holden it was voted: That for the purpose of the construction and original equipping and furnishing of a school building on the easterly side of Wright Street, there be appropriated the sum of \$16,500.00 in addition to the amount appropriated under Article 19 of a warrant for a Town Meeting held Monday, May 20, 1929; and that, to meet said appropriation, there be raised in the levy of the current year the sum of \$1,500.00 and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$15,000.00 under authority of and in accordance with the provisions of Chapter 244, of the Acts of 1929, and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with said Chapter and Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than 15 years from the date of issue of the first bond or note or at such earlier dates as the Treasurer and Selectmen may determine. Passed unanimously.

Voted: To accept the verbal report of the Committee as a report of progress.

Voted: To adjourn.

Adjourned at 9.45 P.M.

Town Meeting Monday, March 3, 1930.

Agreeable to a Warrant signed by the Selectmen, January 28, 1930, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Amory Hall in said town on Monday, March 3, 1930 at six o'clock in the forenoon.

The meeting was called to order by Moderator, William S. Lister, and the Warrant read.

The Tellers appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks

Republicans
Walter E. Gay
Horace I. Newcomb

Democrats
Harry W. Delano
Thomas F. Halpin

Tellers

Republicans
Carrie E. Bancroft
Maude L. Chesley
Grace E. Chapman
Elsie L. deGruchy
Jennie M. Jensen
Harry A. Williams

Democrats
Helen M. Barry
Helen V. Dougherty
James E. Fulton
Fred E. Kerns
Helen L. McCormack
Agnes J. Young

The ballots were given to the Ballot Clerks, a receipt taken from them for the same, the ballot boxes were opened and examined, the registers set at 0, locked, and the keys given to the Moderator, after which the polls were declared open.

Voted: That the Moderator appoint a committee of three to nominate members of the Finance and Advisory Board. Under the foregoing vote the Moderator appointed the following:—

Herman W. Parker Solon J. Candage William A. Brooks

Voted: That the Moderator appoint a committee of three to nominate members of the Planning Board. Under the foregoing vote the Moderator appointed the following:—

William F. Wilson Joseph J. Baldwin Susan E. Newhall

The Moderator appointed as additional tellers to assort and count ballots, the following who were sworn by the Town Clerk:

Republicans

S. C. Batchelder
Charles V. Blackburn
Ernest L. Clark
Adelaide W. Lister
Grace Lyons
Clarence E. Lent

Catherine Ahern
Joseph Baldwin
Ellen DeAvilla
Annie L. Fulton
Mary A. K. Hamill
Mary McDonough
Rose A. McDonough
Gertrude McGarry
Elizabeth McGowan
Frank Rafferty
Mary E. Sullivan
Edwin Young

By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened and ballots taken therefrom for the purpose of counting.

The tellers appointed to assort and count ballots were divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time the ballot box No. 1 registered 1436 and the ballot box No. 2 registered 1678 as ascertained by the Town Clerk.

The check lists at the gates had the names of 3114 as having received ballots.

The check lists at the ballot boxes had the names of 3114 persons checked as having voted.

The number of spoiled ballots returned to the Town Clerk was 10.

The number of unused ballots returned to the Town Clerk was 2126.

The number of ballots taken from the ballot boxes, as counted by the Moderator, was 3114.

All the ballots cast having been assorted and counted by the tellers, the blocks of ballots sealed, the total tally sheets proved and signed in accordance with the law, declaration of the vote was made as follows:

Voted: To choose Arthur N. Newhall a member of the Finance and Advisory Board for a two year term, and Harold H. Holden, George E. Merrifield, Frank J. Howell for a three year term.

Report of Committee to Nominate Members of the Planning Board

The Committee appointed to nominate members of the Planning Board beg to submit the following nominations for the term expiring 1933, Frances R. Nickerson, Albert P. Rounds, John J. Sullivan, William F. Wilson.

WILLIAM F. WILSON

JOSEPH J. BALDWIN

SUSAN E. NEWHALL

Voted: To accept the report of the Committee.

Voted: To choose Frances R. Nickerson, Albert P. Rounds, John J. Sullivan, William F. Wilson members of the Planning Board for term expiring 1933.

The following resolution was adopted by a unanimous rising vote:—

The citizens of the Town of Stoneham, Massachusetts, in town meeting assembled, extend to the family of the late William Howard Taft, ex-President of our Nation and Ex-Chief Justice of the Supreme Court, their heartfelt sympathy in his passing away.

Our Nation has suffered a great loss, as his life represented what is best in our national life. He has always served his country with honor and maintained the high standards of public service which have endeared him to all of his fellow-countrymen. He was a great and good man and his passing is a great loss to our Nation.

The Town of Stoneham extends its deepest sympathy to you in your hour of sorrow.

The committee appointed at the last annual town meeting to arrange for a re-valuation of the property of the Town made a verbal report referring to the printed report which has already been distributed.

Voted: To accept the report of the Committee.

Mr. Lemuel W. Standish offered a motion that in making valuations for the year 1930 the assessors shall use not more than seventy-five per cent of the valuations as made by the Lloyd-Thomas Company. This motion was lost.

On motion of Mr. Arthur N. Newhall it was voted that a committee of five be appointed to consist of Rep. Lemuel W. Standish, the Board of Selectmen and Herbert H. Richardson, and that they be empowered to register the protest of the Town of Stoneham against the construction of a Highway as defined by Subdivision C, of House Bill 41, 1930, providing there is any special assessment levied against the Town of Stoneham.

Voted: That the reports of Town Officers and Committees not otherwise acted upon be accepted as printed in the annual Town Report for 1929.

Voted: That the following recommendations of the Finance and Advisory Board be adopted:—

We recommend that the report of the Building Inspector be made more specific in that part which deals with the number of permits granted and the valuation of same. In order to properly determine the probable tax rate, the Finance and Advisory Committee must know the valuation of the total permits granted which were actually carried out. We further recommend that the Building Inspector be made Custodian of Town Buildings.

We recommend that the Board of Selectmen, sitting as the Board of Survey, approve no plans for street lay-outs, before having said plans checked by a competent engineer. After being checked by said engineer we recommend that the lay-out be approved by the Planning Board before being accepted by the Board of Survey.

We recommend that more thorough investigation be given to the distribution of the funds of the Public Welfare Department and any other agencies of the town which distributes the public funds to the needy. We feel that proper co-operation on the part of the various Boards which distribute public funds will eliminate the possibility of duplication of payments and also the duplication of the efforts in investigating these cases.

Under Article 65, we recommend that no change be made in the Zoning of this property, on account of the provisions made under the will of the late Annie H. Brown.

We make the following recommendations regarding the Town Treasurer's office as covered in the report of the State Auditors on Page 209 in the Annual Town Report:

First, that the cash in this office be balanced each day without fail.

Second, that the reconciliation of bank statements be made monthly, or oftener if necessary.

Under Articles 18, 19, and 70, we recommend to the committees appointed that careful consideration be given to the possibility of consolidation of the various Town Boards, so that a position might be created for a paid officer, who will act as Chairman of these various Boards and serve in a full-time capacity to the end that he may work up the various data required by these Boards, so that they might function more effectively in the limited time which they meet for the consideration of town problems.

Article 4. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriations for the same.

Voted: That the sum of \$547,741.28 be appropriated to defray Town charges for the ensuing year and be expended as follows:

\$547,741.28

Voted: That the amount of \$547,741.28 appropriated to defray Town charges, be raised as follows:—

\$507,741.28 from the levy of the current year.

\$ 30,000.00 to be transferred from the Excess and Deficiency Account.

\$ 10,000.00 from sale of Water Notes (For Water Mains Extensions)

Voted: That in order to provide for the necessary repairs to the Town Infirmary the sum of \$2,000.00 be added to the amount appropriated for public welfare department, general expenses.

Voted: That the sum of \$5,000.00 be appropriated as a Reserve Fund, \$3,000.00 of which is to be raised in the levy of the current year and \$2,000.00 to be transferred from the Overlay Reserve.

Article 5. To see if the Town will authorize its Treasurer to hire money for the use of the town under the direction of the Selectmen.

Voted: That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1930, and to issue a note or notes therefor, payable in one year, any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Article 6. To see if the town will authorize the Board of Selectmen to retain Counsel for the year ensuing.

Voted: That the Board of Selectmen be authorized to retain counsel for the ensuing year, any expense incurred to be taken from the appropriation for Legal Expenses.

Article 7. To see what action the town will take in suits for damages brought against the Town, and those now pending.

Voted: That any suits for damages brought against the town and those now pending be referred to the Selectmen with full power to settle or defend.

Article 8. To see if the town will grant the use of Armory Hall as follows:

(a) To the Memorial Day Committee for Memorial exercises, Sunday, May 25, without expense.

(b) To Wamscott Tribe, I. O. R. M., for a community Christmas tree and entertainment for the children of the town, Saturday afternoon, December 20, without expense.

(c) To Stoneham District Boy Scouts of America on four evenings when not otherwise engaged, for the purpose of holding free public ceremonial meetings and demonstrations, without expense.

(d) To Stoneham Post 115, American Legion, on seven evenings, when not otherwise engaged.

(e) To Camp 31, United Spanish War Veterans, on five evenings, when not otherwise engaged.

(f) To Camp Fire Girls, on one evening, when not otherwise engaged.

(g) To Stoneham Garden Club, Saturday, September 6, 1930.

Voted: That the use of Armory Hall be granted, without expense, as follows:

(a) To the Memorial Day Committee for Memorial exercises, Sunday, May 25, without expense.

(b) To Wamscott Tribe, I. O. R. M., for a community Christmas tree and entertainment for the children of the town, Saturday afternoon, December 20, without expense.

(c) To Stoneham District Boy Scouts of America on four evenings when not otherwise engaged, for the purpose of holding free public ceremonial meetings and demonstrations, without expense.

(d) To Stoneham Post 115, American Legion, on seven evenings, when not otherwise engaged.

(e) To Camp 31, United Spanish War Veterans, on five evenings, when not otherwise engaged.

(f) To Camp Fire Girls, on one evening, when not otherwise engaged.

(g) To Stoneham Garden Club, Saturday, September 6, 1930.

Article 9. To see if the town will vote to authorize the Board of Selectmen to appoint one of its Board members, Public Weigher. To see if the town will vote to fix the salary or compensation of said Public Weigher, raise and appropriate money therefor, or take any action relative thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 10. To see what sum of money the town will raise and appropriate to cover an emergency expense incurred in furnishing Anti-Rabic serum and treatment to persons bitten by a dog having rabies, January 4, 1930.

Voted: That the subject matter of this article be indefinitely postponed.

Article 11. To see if the town will vote to authorize the Board of Health to appoint its Secretary, or any other of its Board members, Health Officer. To see if the town will vote to fix the salary of said Health Officer, and raise and appropriate money therefor.

Voted: That the town do authorize the Board of Health to appoint its Secretary, or any other of its Board members, Health Officer, and that the sum of \$1,800.00 be raised and appropriated therefor.

Article 12. To see if the town will vote to authorize the Board of Health to appoint one of its Board members, Milk Inspector. To see if the town will vote to fix the salary of said Milk Inspector, and raise and appropriate money therefor.

Voted: That the town do authorize the Board of Health to appoint its Secretary, or any other of its Board members, Milk Inspector.

Voted: That the sum of \$100.00 be raised and appropriated for the salary of Milk Inspector.

Article 13. To see if the town will maintain a local Dental Clinic and raise and appropriate a sum of money for the same, under Section 50, Chapter 111, General Laws.

Voted: That the town do maintain a local Dental Clinic under the provisions of Section 50, Chapter 111, General Laws, and that the sum of \$1,400.00 be raised and appropriated therefor.

Article 14. To see if the town will raise and appropriate a sum of money for the employment of a Board of Health Nurse, under Section 5, Chapter 40, General Laws.

Voted: That the sum of \$750.00 be raised and appropriated for the employment of a Board of Health Nurse, the same to be a registered nurse, under the provisions of Section 5, Chapter 40, General Laws.

Article 15. To see if the town will vote to raise and appropriate a sum of money not exceeding two hundred sixty-four (264) dollars to pay the rent of quarters for the use of J. P. Gould Post No. 75, Grand Army of the Republic.

Voted: That the sum of \$264.00 be raised and appropriated to pay the rent of quarters for J. P. Gould Post No. 75, Grand Army of the Republic.

Article 16. To see if the town will vote to raise and appropriate a sum of money not exceeding three hundred (300) dollars for the purpose of leasing quarters for the use of Leon E. Warren Camp No. 31, United Spanish War Veterans.

Voted: That the town do lease for a period not exceeding one year, quarters for the use of Leon E. Warren Camp No. 31, United Spanish War Veterans, and raise and appropriate the sum of \$250.00 therefor.

Article 17. To see if the town will vote to raise and appropriate a sum of money not exceeding four hundred (400) dollars for the purpose of leasing quarters for the use of Stoneham Post No. 115, American Legion.

Voted: That the town do lease for a period not exceeding one year, quarters for the use of Stoneham Post No. 115, American Legion, and raise and appropriate the sum of \$400.00 therefor.

Article 18. To see if the town will vote to appoint a committee of five to study the advisability of adopting the Town Manager Plan of Municipal Government and report to the next annual town meeting, or do anything in relation thereto.

Voted: That the subject matter of this article be referred to a committee of five, to be appointed by the Moderator, to report at the next annual town meeting.

Article 19. To see if the town will vote to increase the number of Selectmen from three to five.

Voted: That the subject matter of this article be referred to the committee appointed under Article 18.

Article 20. To see if the town will vote to raise and appropriate a sum of money for the observance of Old Home Week.

Voted: That the subject matter of this article be indefinitely postponed.

Article 21. To see if the town will vote to raise and appropriate a sum of money for the observance and celebration of the tercentenary of the founding of the Massachusetts Bay Colony.

Voted: That the sum of \$500.00 be raised and appropriated for the observance and celebration of the tercentenary of the founding of the Massachusetts Bay Colony, said sum to be expended under the direction of the tercentenary committee appointed at the annual town meeting in 1928.

Article 22. To see if the town will vote to raise and appropriate the sum of five thousand (5000) dollars to be paid to Mrs. Alice M. Greeley, mother of June Marie Greeley, who died as the result of injuries received from being struck by a vehicle of the Fire Department on August 11th, 1928.

Voted: That the sum of \$5,000.00 be raised and appropriated to pay Mrs. Alice M. Greeley, mother of June Marie Greeley, who died as the result of injuries received from being struck by a vehicle of the Fire Department on August 11th, 1928.

Article 23. To see if the town will vote to accept the gift for the benefit of the Public Library, as set forth in the twenty-eighth paragraph of the tenth clause under the will of the late Annie H. Brown, said clause reading as follows:

"To the said Stoneham Public Library, one hundred thousand dollars (\$100,000) said sum or so much thereof as in the entire discretion of my Executors shall seem necessary, to be used for the construction of an addition to the said Library, and any amount of said one hundred thousand dollars, which in the opinion of my Executors shall not be needed for this purpose shall be expended in the purchase of books, the making of repairs, or for such other purposes as in the entire discretion of my said Executors shall be for the best interests of the said Stoneham Public Library."

Voted: That the town do accept this gift under the will of the late Annie H. Brown, and that the Public Library Trustees be authorized to report at a subsequent town meeting their plan for the disposition of this fund, and that appreciation be expressed for the gift.

Article 24. To see if the town will vote to accept the gift for the benefit of the Public Library, as set forth in the third paragraph of the tenth clause under the will of the late Annie H. Brown, said clause reading as follows:

"The Stoneham Public Library, ten thousand dollars (\$10,000), the income only thereof to be used for the purchase of reference books or books of permanent value."

Voted: That the town do accept this gift under the will of the late Annie H. Brown, and express appreciation therefor.

Article 25. To see if the town will vote to accept the gift to it of a certain parcel of land adjacent to Lindenwood Cemetery, as set forth in the eleventh clause under the will of the late Annie H. Brown, said clause reading as follows:

"I give and devise to the said Town of Stoneham, the parcel of land in said Stoneham described in the records of the Board of Assessors of said town as 'Lot No. 1, Montvale Avenue, 1 acre 42,690 ft. land,' which lot is bounded Northerly by Lindenwood Cemetery, Westerly by said Lindenwood Cemetery, Southerly by said Montvale Avenue and Easterly by an un-named public way running between said Montvale Avenue and Lindenwood Road."

"If said Town of Stoneham shall not accept the above devise within one year from the probate of this will said real estate shall sink into and become a part of the residue of my estate."

Voted: That the town do accept this gift under the will of the late Annie H. Brown, and express appreciation therefor.

By a unanimous rising vote the citizens expressed appreciation for the gifts made by the late Annie H. Brown as stated in the foregoing three articles.

Article 26. To see if the town will vote to raise and appropriate a sum of money not exceeding four hundred forty-eight (448) dollars to pay the Lloyd-Thomas Company for printing a revaluation of the town, said amount to be in excess of the six thousand five hundred (6500) dollars appropriated for such purpose at the annual town meeting for the year 1929.

Voted: That the subject matter of this article be indefinitely postponed.

Article 27. To see if the town will vote to raise and appropriate the sum of thirty-five (35) dollars to pay the cost of damages sustained by the owners of land on account of relocation of Marble Street as made by the County Commissioners June 11, 1929.

Voted: That the sum of \$35.00 be raised and appropriated to pay the cost of damages assessed by the County caused by the relocation of Marble Street.

Article 28. To see if the town will vote to raise and appropriate the sum of one thousand one hundred thirty-one (1131) dollars to pay the following unpaid bills for the year 1929:

(a) Highway Department, one thousand seventy-eight (1078) dollars.

(b) Public Welfare Department, fifty-three (53) dollars, or do anything relative thereto.

Voted: That the sum of \$1,131.00 be raised and appropriated to pay unpaid bills of the highway department and public welfare department for the year 1929.

Article 29. To see if the town will vote to raise and appropriate a sum of money for repairs to Police and Fire Station or do anything relative thereto.

Voted: That the sum of \$520.00 be raised and appropriated for repairs to the police and fire station.

Article 30. To see if the town will vote to raise and appropriate a sum of money for the purchase of a motor triple combination pumping engine for the Fire Department, or do anything relative thereto.

A motion was offered that the subject matter of this article be indefinitely postponed. The Moderator appointed as tellers the following: Clarence E. Lent, Randolph J. Owen, Ralph A. Jenkins, Louis Connor, Carroll L. Wheeler, Elmer E. Newhall, Horace I. Newcomb, C. Frank Munger, Ernest E. Ross, Arthur N. Newhall. The result of the vote was: Yes, 176; No, 317. Motion was declared lost.

The motion was then made that the sum of \$8,250.00 be raised and appropriated for the purchase of a motor triple combination pumping engine for the Fire Department. The result of the vote on this motion was: Yes, 183; No, 359. The motion was declared lost.

Article 31. To see if the town will vote to construct an addition to the existing garage of the police station, raise and appropriate money therefor or take any action relative thereto.

A motion was offered that the sum of \$3,500.00 be raised and appropriated for the building of an addition to the Police Station garage, said amount to be expended under the direction of a committee of three to be appointed by the Moderator. The motion was lost.

Article 32. To see if the town will vote to install two police patrol boxes, one at Montvale Avenue and Main Street, one at Maple and Chestnut Streets, appropriate money therefor or take any action relative thereto.

Voted: That the sum of \$375.00 be raised and appropriated for the installation of two police patrol boxes, as called for under this article.

Article 33. To see if the town will purchase an inhalator for emergency use of Fire and Police Departments, raise and appropriate money therefor or do anything in relation thereto.

Voted: That the sum of \$210.00 be raised and appropriated to purchase an inhalator for emergency use of Fire and Police Departments.

Article 34. To see if the town will vote to raise and appropriate a sum of money for the purpose of installing a system of traffic signals in the town, or do anything relative thereto.

Voted: That the subject matter of this article be referred to the next annual town meeting.

Article 35. To see if the town will vote to raise and appropriate a sum of money for the purchase of a power shovel, or do anything relative thereto.

A motion was offered that the sum of \$6,000.00 be raised and appropriated for the purchase of a power shovel, said sum to be expended under the direction of a committee of five to be appointed by the Moderator. This motion was lost.

Article 36. To see if the town will vote to raise and appropriate a sum of money for the purchase of two (2) trucks, or do anything relative thereto.

Voted: That the sum of \$1,750.00 be raised and appropriated for the purchase of two trucks for the use of the Public Works Department.

Article 37. To see if the town will vote to raise and appropriate a sum of money for the maintenance of the Public Works yard.

Voted: That the subject matter of this article be indefinitely postponed.

Article 38. To see if the town will vote to raise and appropriate a sum of money, and instruct and authorize the Board of Selectmen to install five catch basins, two on Whipple Avenue approximately three hundred (300) feet from Spring Street; one on East Street, approximately one hundred (100) feet East of Spring Street; one on Spring Street at southeast corner of Whipple Avenue; one on Spring Street opposite the Rayner property and to lay out and construct a public drain for same, and to authorize and instruct the Board of Selectmen to acquire by purchase, eminent domain, or otherwise, as provided in the General Laws and Amendments thereto, such land as may be required for construction and maintenance of said public drain, and to raise and appropriate an additional sum to cover the cost of said taking or purchase, or do anything in relation thereto.

Voted: That the sum of \$2,700.00 be raised and appropriated for the installation of catch basins as specified under this article, together with the necessary drains for same and that the Selectmen be authorized to acquire land or easements by purchase, eminent domain or otherwise; all expenses to be taken from this appropriation.

Article 39. To see if the town will vote to raise and appropriate a sum of money for the purpose of cleaning Meeting House Swamp Ditch, so-called, running through the land of Johanna Meegan and others, or do anything in relation thereto.

Voted: That the sum of \$1,500.00 be raised and appropriated for cleaning Meeting House Swamp Ditch, so called, provided

that the Selectmen determine that the town is legally liable and has the right to enter upon private property for this purpose. If it is necessary that easements be acquired the expense of same shall be taken from this appropriation.

Article 40. To see if the town will vote to construct the following proposed sewers, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto:

(a) In and through Washington Street, southerly from the existing sewer in Elm Street, a distance of one hundred ten (110) feet more or less to a point opposite the property of Frank P. Ross.

(b) In and through Summerhill Street, easterly from the existing sewer in Summer Street, a distance of three hundred fifty (350) feet more or less, to a point opposite the property of Margaret T. Conley.

Voted: That the subject matter of this article be indefinitely postponed.

Article 41. To see if the town will vote to complete the construction of a sewer from Katherine Road to a connection with the existing sewer in Atwood Avenue, so-called, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the sum of \$2,500.00 be raised and appropriated to complete the construction of the sewer from Katherine Road to Atwood Avenue, so called.

Article 42. To see if the town will vote to resurface that part of Main Street not under the control of the State Department of Public Works, raise and appropriate money therefor by sale of notes, bonds or otherwise or do anything in relation thereto.

Voted: That the town do resurface that part of Main Street not under the control of the State Department of Public Works, and that the sum of \$40,000.00 be appropriated therefor, said sum to be expended in conjunction with sums allotted by the Division of Highways or the County Commissioners, or both; and that, to meet said appropriation, there be raised in the levy of the current year the sum of \$4,000.00, and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$36,000.00, and to issue bonds or notes of the town therefor, said bonds or notes to be payable in accordance with the provisions of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than five years from the date of issue of the first bond or note or at such earlier dates as the Treasurer and Selectmen may determine. Passed unanimously.

Article 43. To see if the town will vote to resurface North Street or any part thereof, raise and appropriate money therefor by sale of notes, bonds or otherwise or do anything in relation thereto.

Voted: That the subject matter of this article be referred to the Selectmen, who shall lay the matter before the State Department of Public Works with a view to having said department make this road a State Highway.

At this time the voters by a rising vote expressed their appreciation of the services rendered the Town by former Town Counsel, Herbert H. Richardson, who resigned his position on December 31, 1929, after serving the town as counsel for nineteen years.

Article 44. To see if the town will vote to raise and appropriate a sum of money to complete the construction of the following streets as voted under Article 32 of the warrant for the annual town meeting of 1929, and Article 9 of the warrant for a town meeting held May 20, 1929, or do anything in relation thereto: Endicott Road, Katherine Road, Governor Road, Westwood Road, Fells Road, Fairview Road.

Voted: That the sum of \$3,500.00 be raised and appropriated to complete the construction of the following streets, as voted under Article 32 of the Warrant for the annual town meeting of 1929 and Article 9 of the Warrant for a town meeting held May 20, 1929: Endicott Road, Katherine Road, Governor Road, Westwood Road, Fells Road, Fairview Road.

Article 45. To see if the town will vote to accept and approve the relocation of Plaza Avenue as made by the Board of Survey under date of January 14, 1930.

Voted: That the town do accept the relocation of Plaza Avenue as made by the Board of Survey under date of January 14, 1930.

Article 4.

Voted: That the sum of \$5,000.00 be raised and appropriated for Highways, Sidewalks, Catch Basins and Drains in addition to the amount already appropriated.

Article 46. To see if the town will vote to accept as a Public Town Way, Sunset Road as laid out by the Board of Survey, or do anything in relation thereto.

Voted: That the town do accept as a Public Town Way, Sunset Road as laid out by the Board of Survey.

Article 47. To see if the town will vote to raise and appropriate a sum of money for the construction of Sunset Road under the laws relating to the assessment of betterments, or otherwise or do anything in relation thereto.

Voted: That the sum of \$2,300.00 be raised and appropriated for the construction of Sunset Road under the laws relating to the assessment of betterments.

Article 48. To see if the town will vote to raise and appropriate money for the setting of edgestones under the provisions of Chapter 83 of the General Laws and Amendments thereto:

(a) On the Southeasterly corner of Spring and Pleasant Streets.

(b) On the Northeasterly and Northwesterly corners of Spring Street and Whipple Avenue.

(c) On Shumway Circle and Bellevue Road, abutting the property of Harland A. Perkins and Dorothy F. Fitz.

Voted: That the town do set edgestones as called for under this article, under provisions of Chapter 83, General Laws, the expense to be taken from the general appropriation for edgestones voted under Article 4.

Article 49. To see if the town will vote to raise and appropriate money for the grading and construction of the following proposed sidewalks under the provisions of Chapter 83 of the General Laws and Amendments thereto:

(a) On the Southerly side of Elm Street abutting the property of Augustus V. Barwood.

(b) On the Southerly side of Marble Street from the Westerly line of the property of Minnie Souther, to the Westerly line of the property of Nellie Estes.

(c) On the Southerly side of Summerhill Street, abutting the property of Margaret Doherty.

(d) On the Northerly side of Pomeworth Street from Central Street to William Street or any part thereof.

(e) On the Westerly side of William Street Northerly from Pomeworth Street, a distance of two hundred (200) feet more or less to the Southerly line of land of Arthur E. Babin.

(f) On the Southerly side of Pomeworth Street from the Easterly line of the land of Edith S. Pettengill to William Street.

(g) On the Westerly side of William Street from Pomeworth Street to the Northerly line of land of Moses G. Prescott.

Voted: That the town do grade and construct sidewalks as called for under this article, under provisions of Chapter 83, General Laws, the expense to be taken from the general appropriation for sidewalks voted under article 4.

Article 50. To see if the town will vote to raise and appropriate a sum of money for the grading and construction of sidewalks of crushed stone or gravel as follows:

(a) On the Easterly side of Bow Street from a point opposite the property of Eva Bingham to the Northerly junction of Bow and Green Streets.

(b) On the Easterly side of Main Street from a point opposite the property of Clarence Haigh to the junction of Main and Summer Streets.

(a)

Voted: That the town do build a gravel sidewalk on the East-

erly side of Bow Street from a point opposite the property of Eva Bingham to the northerly junction of Bow and Green Streets, the expense to be taken from the appropriation for Highways, Sidewalks, Catch Basins and Drains.

(b)

Voted: That the town do build a gravel sidewalk on the Easterly side of Main Street from a point opposite the property of Clarence Haigh to the junction of Main and Summer Streets, and that the sum of \$2,700.00 be raised and appropriated therefor.

Article 51. To see if the town will vote to authorize the Board of Survey to re-locate Maple Street between Ledge Street and Glen Road, so-called, so as to eliminate the dangerous curves now existing therein.

Voted: That the subject matter of this article be indefinitely postponed.

Article 52. To see if the town will vote to repair and reconstruct on a new course, Maple Street between Ledge Street and Glen Road, raise and appropriate money therefor or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 53. To see if the town will vote to lay a water main in and through Spring Street from the existing main therein to the junction of Spring Street and Lotus Avenue, so-called, raise and appropriate money therefor by sale of notes, bonds or otherwise or do anything in relation thereto.

Voted: That the town do lay a water main in and through Spring Street from the existing main therein to the junction of Spring Street and Lotus Avenue, so-called, provided a satisfactory bond is filed guaranteeing eight per cent on the cost of construction, the expense of laying said main to be taken from the general appropriation for water construction as voted under Article 4.

Article 54. To see if the town will vote to furnish the services of police officers at the High School public athletic contests, raise and appropriate one hundred and fifty (150) dollars to defray the cost of same, or do anything in relation thereto.

Voted: That the sum of \$150.00 be raised and appropriated for services of police officers at High School athletic contests.

Article 55. To see if the town will vote to raise and appropriate a sum of money for the purpose of grading the grounds on the Wright Street School lot, or do anything in relation thereto.

Voted: That the sum of \$2,500.00 be raised and appropriated to pay the cost of grading the Wright Street School Grounds.

Article 56. To see if the town will vote to raise and appropriate the sum of five hundred nineteen and 93-100 dollars to pay

the tuition of Victor Whitney at a Boston Trade School during the years 1927, 1928 and 1929, the same having been charged through error to the City of Melrose.

Voted: That the sum of \$519.93 be raised and appropriated to pay the tuition of Victor Whitney at a Boston Trade School during the years 1927, 1928, 1929.

Article 57. To see if the town will vote to raise and appropriate a sum of money for the care and maintenance of the town property on Emerson, Central and Tidd Streets, or do anything in relation thereto.

Voted: That the sum of \$1,500.00 be raised and appropriated for the care and maintenance of the town property on Emerson, Central and Tidd Streets, said sum to be expended under the direction of the building inspector, acting as custodian of the property.

Article 58. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to refund any or all of the revenue notes issued in anticipation of revenue of the year 1930 in accordance with the provisions of Section 17 of Chapter 44 of the General Laws; any debt so incurred to be paid from the revenue of 1930.

Voted: That the Treasurer be and hereby is authorized, with the approval of the Selectmen, to refund any or all of the revenue notes issued in anticipation of revenue of the year 1930, in accordance with the provisions of Section 17 of Chapter 44 of the General Laws; any debt so incurred to be paid from the revenue of 1930.

Article 59. To see if the town will vote to authorize the Selectmen to extend sewers wherever in the opinion of the Selectmen the same are necessary, providing the expense for any particular sewer so extended shall not exceed the sum of twenty-five hundred dollars (\$2,500.00), raise and appropriate money therefor, or do anything in relation thereto.

Voted: That the Selectmen be authorized to extend sewers wherever in their opinion the same are necessary and that the sum of \$2,500.00 be raised and appropriated therefor.

Article 60. To see if the town will vote to authorize the Selectmen to install additional street lights, where needed, raise and appropriate money therefor or do anything in relation thereto.

Voted: That the subject matter of this article be referred to the Selectmen, with authority to install lights where necessary.

Article 61. To see if the town will vote to accept the provisions of Chapter 14, of the Acts of 1921, now General Laws, Chapter 41, Section 25A, entitled "An Act to Authorize Assessors in Towns to Appoint Assistant Assessors."

Voted: That the town do accept the provisions of Chapter 14, of the Acts of 1921, now General Laws, Chapter 41, Section 25A,

entitled "An Act to Authorize Assessors in Towns to Appoint Assistant Assessors."

Article 62. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain parcel of land belonging to Leonard Gianquitto, bounded and described as follows: Northerly by Franklin Street, 100 feet 6 inches, more or less; Westerly by Pond Street, 85 feet 10 inches, more or less; Southerly by land of Harriet Blake et als, 95 feet, more or less; Easterly by land now or formerly of Charles B. Melvin, 84 feet more or less, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 63. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain parcel of land now or formerly of Paul K. Topoozian, bounded and described as follows: Southerly by Maple Street, 56.66 feet; Westerly by Hill Court, 103.25 feet; Northerly by land of Mary E. Dorr, 92.82 feet; Easterly by land now or formerly of Augustino Deferrari, 40.67; Southerly by land now or formerly of Charles H. Baker Heirs, 34 feet; Easterly by land of said Baker, 65.25 feet, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 64. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area:

A certain parcel of land now or formerly of Paul K. Topoozian, bounded and described as follows: Southerly by Maple Street, 56.66 feet; Westerly by Hill Court, 103.25 feet; Northerly by land of Mary E. Dorr, 92.82 feet; Easterly by land now or formerly of Augustino Deferrari, 40.67 feet; Southerly by land now or formerly of Charles H. Baker Heirs, 34 feet; Easterly by land of said Baker, 65.25 feet; or do anything in relation thereto.

Voted: That the town do amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area: A certain parcel of land now or formerly of Paul K. Topoozian, bounded and described as follows: Southerly by Maple Street, 56.66 feet; Westerly by Hill Court, 103.25 feet; Northerly by land of Mary E. Dorr, 92.82 feet; Easterly by land now or formerly of Augustino Deferrari, 40.67

feet; Southerly by land now or formerly of Charles H. Baker Heirs, 34 feet; Easterly by land of said Baker, 65.25 feet. Passed unanimously.

Article 65. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area: Easterly by the Boston and Maine Railroad, Southerly by Montvale Avenue, Westerly by Lindenwood Road, Northerly by a line parallel to and 100 feet distant from Montvale Avenue as shown on a plan of the property of Raymond E. Flemming made by Dana Edson Perkins, dated January 28, 1930, or do anything in relation thereto.

A motion was offered that the town do amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area: Easterly by the Boston and Maine Railroad, Southerly by Montvale Avenue; Westerly by Lindenwood Road; Northerly by a line parallel to and 100 feet distant from Montvale Avenue as shown on a plan of the property of Raymond E. Flemming made by Dana Edson Perkins, dated January 28, 1930. The motion was lost.

Voted: That the subject matter of this article be indefinitely postponed.

Article 66. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Northerly side of Franklin Street running Easterly from Stevens Street by and along said Franklin Street, a distance of 400 feet more or less to land of one Rotundi and extending back from said Franklin Street a distance of 100 feet, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 67. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Easterly side of Main Street, beginning at a point approximately 585 feet North of the Boston & Maine Railroad and thence extending along said Main Street Northerly a distance of 70 feet more or less and running back from said Main Street, a distance of 100 feet.

Voted: That the subject matter of this article be indefinitely postponed.

Article 68. To see if the town will vote to amend the Zoning

By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Easterly side of Spencer Street, beginning at a point 100 feet North of the Northerly line of Hancock Street, thence running North by and along the Easterly side of said Spencer Street to a point 100 feet South of the Southerly line of Franklin Street, thence running Easterly on a line parallel to and 100 feet West of the Westerly line of Pine Street, thence running South on a line parallel to and 100 feet West of the Westerly line of said Pine Street to a point 100 feet North of the Northerly line of said Hancock Street, thence West-erly on a line parallel to and 100 feet North of the Northerly line of said Hancock Street to the point of beginning, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 69. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following area:

Lot 83 on a subdivision plan filed in the South Registry Dis- trict of Middlesex County in Registration Book 138, Page 301, with Certificate No. 20642, bounded Northwesterly by Lot 82 on said plan now owned by Standard Oil Company of New York, ninety- nine and seventy-one one hundredths feet, Northeasterly by Lots 3 and 17 on said plan sixty-nine and fifty one-hundredths feet, Southeasterly by Lot 19 on said plan, owned now or formerly by Shallow, one hundred six and thirty-four one-hundredths feet, and Southerly by South Street seventy and seventy-one hundredths feet; or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 70. To see if the town will vote to appoint a commit- tee to consider the advisability of adopting the representative form of town meeting, said committee to report at the next annual town meeting, or do anything in relation thereto.

Voted: That the subject matter of this article be referred to the committee appointed under Article 18.

Article 71. To see if the town will vote to designate as a through way, Main Street from the Northerly side of South Street to the Stoneham-Reading town line under the provisions of Section 9, Chapter 89, General Laws, as amended by Section 5, Chapter 357 of the Acts of 1928, or do anything in relation thereto.

Voted: That the town designate as a through way, Main Street from the Northerly side of South Street to the Stoneham-Reading town line under the provisions of Section 9, Chapter 89, General Laws, as amended by Section 5, Chapter 357 of the Acts of 1928.

Article 72. To see if the town will vote to raise and appropriate a sum of money for the purchase of an automobile for the use of the Police Department, or do anything in relation thereto.

A motion was offered that the sum of \$521.00 be raised and appropriated for the purchase of an automobile for the use of the Police Department. The motion was lost.

Article 73. To see if the town will vote to raise and appropriate a sum of money for the installation of a Police Radio System for the Police Department, or do anything in relation thereto.

Voted: That the sum of \$100.00 be raised and appropriated for the installation of a Police Radio System for the use of the Police Department.

Voted to adjourn.

Adjourned at 11.45 P.M.

Under Articles 18, 19 and 70 the Moderator appointed the following committee: Charles F. Buck, Frank B. Hamill, Herbert H. Richardson, Arthur N. Newhall, Leander V. Colahan.

Recount of Votes for Board of Public Welfare

We, the subscribers, legal voters in the Town of Stoneham, have reason to believe and do believe that the records or copy of records made by the election officers of such town are erroneous in that they show Charles H. Carr and Wilder C. Moulton to have been credited with more, and Arthur D. Kenney with less votes than were actually cast for them, and we believe that a recount of the ballots cast for Board of Public Welfare for one year will effect the election of said Charles H. Carr, Wilder C. Moulton and Arthur D. Kenney; and we accordingly do hereby petition for the re-opening of the envelopes containing the ballots so cast and for a recount of the same.

Justice of the Peace.

Filed, March 5, 1930, at 11.30 A.M.

CHARLES A. OWEN,

Town Clerk.

Recount

Stoneham, Mass., March 8, 1930.

To the Town Clerk, Stoneham, Mass.

Dear Sir: On petition of George W. Newhall and others, praying for a recount of the ballots cast Monday, March 3, 1930, for Charles H. Carr, Arthur D. Kenney and Wilder C. Moulton for Board of Public Welfare for one year, after due notice to all parties interested, the Board of Registrars of Voters met in the Selectmen's room, Saturday, March 8, 1930, at 3.00 o'clock in the afternoon, for the purpose set forth in said petition.

Charles H. Carr with Horace I. Newcomb as attorney, Wilder C. Moulton with Charles Baldwin as attorney, and Arthur D. Kenney were present.

The blocks of ballots were delivered to the Board, opened and counted with the following result:

Charles H. Carr had	1607
Arthur D. Kenney had	1595
Wilder C. Moulton had	1605

and the election of Charles H. Carr and Wilder C. Moulton, as declared at the meeting, Monday, March 3, 1930, stands.

RELOCATION OF PLAZA AVENUE

COMMONWEALTH OF MASSACHUSETTS

Middlesex, s.s.

Town of Stoneham

Relocation Report to Town

The Board of Selectmen of the Town of Stoneham, having determined and adjudged that common convenience and necessity

require that a town way be relocated as and in the location herein-after described, having complied with all requirements of law relating to notice to the owners of land to be taken therefor and of a hearing thereon, and having met at the time and place appointed for such hearing and then and there heard all persons present who desired to be heard we have relocated and do hereby relocate a town way for the use of the town from Franklin Street to Stone Avenue substantially in the location of that part of the town way known as PLAZA AVENUE. The boundaries and measurements of said town way as so relocated are as follows:

East Side

Beginning at a Stone Bound on the Southerly side of Franklin Street six and 87/100 feet Westerly from the Southeasterly corner of said Franklin Street and Plaza Avenue as shown on a layout of Plaza Avenue, dated March 14, 1928, thence the line runs North twenty-two degrees, forty-nine minutes East a distance of fifty-six and forty-five one-hundredths feet to a Stone Bound, thence North six degrees, thirty-nine minutes East, a distance of one hundred sixty-one and fifteen one-hundredths feet to a Stone Bound, thence North thirteen degrees thirty-one minutes East a distance of three hundred fifty-four and seventy-five one-hundredths feet, thence Westerly a distance of forty feet.

West Side

thence North thirteen degrees thirty-one minutes East a distance of three hundred fifty-two and thirty-five one-hundredths feet to a Stone Bound, thence North six degrees thirty-nine minutes East a distance of one hundred sixty-four and forty-three one-hundredths feet to a Stone Bound, thence North twenty-two degrees, forty-nine minutes East a distance of seventy-seven and fifty-nine one-hundredths feet to a Stone Bound at the Southwest corner of said Franklin Street and said Plaza Avenue, thence Easterly by and along the Southerly side of said Franklin Street a distance of forty-two and eighty-one one-hundredths feet to the point of beginning.

For further identification of this description and location reference is hereby made to a plan and profile made by Morse & Dickinson, dated October, 1929, verified by our signatures and made a part of this report.

We determine that no damages will be sustained by persons in their property by reason of the taking to be made for this improvement as shown in the schedule hereto annexed and made a part thereof.

Our action aforesaid has been taken under the provisions of law relating to the assessment of betterments and betterments are to be assessed.

The area which it is expected will receive benefit or advantage, other than general advantage to the community, from such im-

provement is the parcels or the parts of parcels designated Plaza Avenue on the plan hereinbefore referred to.

We estimate the betterments that will be assessed upon each parcel of land within said area as shown in the said annexed schedule.

This relocation so made by us we hereby report to the Town for acceptance and order that the same be forthwith filed in the office of the Town Clerk.

Witness our hands at Stoneham aforesaid, this fourteenth day of January A.D., 1930.

LEANDER V. COLAHAN
GEORGE A. PACKARD
WILLIAM R. RICHARDS

Selectmen of the Town of Stoneham.

Received and filed January 15, 1930.

CHARLES A. OWEN, Town Clerk.

Layout of Sunset Road

After due notice and public hearing the Board of Survey has laid out as a public town way, SUNSET ROAD, as follows:—

Beginning at a stone bound at the southeasterly corner of Rustic Road and the proposed street, thence the line runs south fifty-three degrees forty-six minutes, thirty seconds east, a distance of one hundred seventeen and eighty-six one-hundredths feet to a stone bound, thence south fifty degrees thirty minutes west one hundred twenty-eight feet, thence south forty degrees one minute forty-two seconds west four hundred thirty-seven and five tenths feet.

The above described lines are the southerly and easterly side lines of said proposed street.

The northerly and westerly side lines are parallel to and fifty feet distant from the above described lines and are described as follows: Beginning at a point on the westerly side of Rustic Road fifty feet north of the stone bound first mentioned, thence the line runs south fifty-three degrees forty-six minutes thirty seconds east one hundred and fifty and two one-hundredths feet, thence south fifty degrees thirty minutes west one hundred seventy-one and forty-five one-hundredths feet, thence south forty degrees one minute forty-two seconds west a distance of one hundred thirty-four and thirty-eight hundredths feet to a stone bound, thence on the same course three hundred and ten feet. The corners at Rustic Road and at the angle formed by the intersection of the southerly and easterly lines are set back on a curve with a tangent of twenty feet.

The foregoing description to conform to a plan made by Dana Edson Perkins dated February 4, 1927.

When this layout is approved and adopted by the town the same is to be forever known as a public town way.

No damages having been demanded, none are awarded.
Given under our hands this eighth day of March, A.D. 1927.

Town Clerk.

RELOCATION OF MAIN STREET
by
DEPARTMENT OF PUBLIC WORKS
THE COMMONWEALTH OF MASSACHUSETTS
Department of Public Works

Layout No. 2653.

WHEREAS, the Massachusetts Highway Commission, acting on behalf of the Commonwealth of Massachusetts, did, under date of October 18, 1900, lay out and take charge of as a State highway a road in the Town of Stoneham, County of Middlesex, leading from Stoneham to Reading, and being known as Main Street, as shown on the plans of said State highway on file in the office of the Department of Public Works, copies of which plans have been filed in the office of the County Commissioners of said County of Middlesex, at Cambridge, and in the office of the Town Clerk of said Town of Stoneham; and

WHEREAS, it now appears advisable to make certain changes in the location lines of said State highway;

NOW, THEREFORE, acting under the provisions of Chapter eighty-one of the General Laws, and acts in amendment thereof and in addition thereto, the Department of Public Works adjudges that public necessity and convenience require that the Commonwealth should alter the location of said State highway, and should lay out and take charge of said State highway as altered, as hereinafter described.

The alteration consists of a widening on the westerly side of the State highway between stations 4-20.29 and 8-14.77.

The base line of location of the section of State highway hereby altered and laid out is identical with the base line of the aforesaid 1900 State highway layout, beginning at a point shown on plan as station 4-20.29, said point being about 425 feet northerly of North Street, so called, and extending thence south 13 degrees 29' 55" east for a distance of 197.24 feet; thence south 8 degrees 07' 15" west for a distance of 197.24 feet to a point at the end of the alteration shown on plan as station 8-14.77.

The easterly line of location of the section of State highway hereby altered and laid out is identical with the easterly line of location of the aforesaid 1900 State highway layout.

The westerly line of location of the section of State highway hereby altered and laid out begins at a point on the westerly location line of the aforesaid 1900 State highway layout, said point bearing south 76 degrees 30' 05" west and being 33.00 feet distant from the point of beginning of the above-described base line shown on plan as station 4-20.29 and extends thence, leaving said 1900 location line, southerly by a curve to the right of 1000.00 feet radius for a distance of 377.33 feet to a point at the end of the alteration again on said 1900 location line, bearing north 81 degrees 52' 45" west and 33.00 feet distant from the point of ending of the above-described base line shown on plan as station 8-14.77.

The easterly and westerly lines of location of the section of State highway hereby altered and laid out are further defined by bounds set at all angle points and on the westerly side of the road only at the beginning and end of the alteration, as shown on a plan drawn by A. W. Dean, Chief Engineer, entitled: "The Commonwealth of Massachusetts Plan of Road in the Town of Stoneham Middlesex County Altered and Laid Out as a State Highway by the Department of Public Works March 11, 1930. Scale: 40 feet to the inch," and on file in the office of the Department of Public Works.

It is therefore

VOTED, That said way as altered, as described herein and as described and shown on said plan, be and the same is hereby laid out and taken charge of by the Commonwealth; that the secretary of the Department of Public Works, be and hereby is instructed to file in the office of the county commissioners of the county and in the office of the clerk of the city or town in which said way is located, certified copies of said plan and of a certificate signed by at least a majority of the members of the Department of Public Works, attesting that the said Department of Public Works, has laid out and taken charge of said way as altered, in accordance with said plan, together with a copy of this adjudication and vote.

Dated at Boston, this eleventh day of March, 1930

F. E. LYMAN

RICHARD K. HALE

H. A. MACDONALD

Department of Public Works.

CHARLES A. OWEN,

Town Clerk.

TOWN MEETING, MONDAY, MAY 26, 1930

Agreeable to a Warrant signed by the Selectmen, May 13, 1930, the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, met in Armory Hall in said town on Monday, May 26, 1930 at eight o'clock in the evening.

The meeting was called to order by Moderator, Ralph R. Patch, who declared a quorum present and the Warrant read.

The Tellers appointed to serve on the check lists were as follows: Walter E. Gay, Elsie L. deGruchy, Helen V. Dougherty, Thomas F. Halpin, Carrie E. Bancroft, Helen M. Barry, who were sworn by the Town Clerk. The check lists showed that 348 voters entered the hall.

Article 1. To hear the reports of Town Officers and Committees, and to act thereon and to choose Committees.

Voted: That the Committee to survey the matter of Traffic Signals appointed under Article 21 of the Warrant for the Annual Town Meeting of the year 1929, said Committee consisting of the following: Sumner H. Green, Fred A. Lawson, Cornelius J. Sweeney, Edward Bourgeau and Elbert R. Boyd, be reappointed with instructions to make further study of the subject matter of said Article 21 and report at a future Town Meeting.

The Trustees of the Public Library made the following report regarding the Annie H. Brown bequest: The sum of \$10,000 given to the library, the income of which is for the purchase of books, has been turned over to the Town Treasurer and is now invested in Savings Banks at five per cent.

The sum of \$100,000 given to the Trustees of the Public Library for an addition to the Library building and to be expended subject to the approval of the executors of the will, has been realized by the sale of securities by the executors and investment has been made by them in short term notes, for use from time to time as required.

Acting under a provision made by the Massachusetts Library Commission whereby Public Libraries may have the advice of an approved architect as consultant in making a preliminary survey for building, the Trustees have had Mr. H. J. Carlson of Coolidge & Carlson, 89 State Street, Boston, meet with them to look over the situation.

He has submitted sketches of a proposed arrangement of first floor and basement for an extension of the present building to the south. These sketches were first sent to the Library Commission for suggestion or criticism.

They show a room at the front 31 ft. by 39 ft., in line with the present building and an extension of the stack room at the rear of the building which makes the whole building symmetrical.

The front room is to be used as a children's room and the room in the basement may be used as a small hall accommodating 150 to 200 people. A brick vault 11' 6" by 15' 6" is shown in the southwest corner of the basement. The stacks would have a total capacity of 44,000 volumes not counting the books in the reading rooms.

The preliminary estimate of cost including the addition, alterations, heating, stack addition, furniture, grading, and architect's fee should be approximately \$55,000 leaving approximately \$45,000 for acquisition of extra land required and for a fund the interest on which should provide for the extra cost of maintenance.

The Trustees recommend the purchase of the Stone lot, so called, at the south of the Library at a cost not exceeding \$10,000. For the Trustees of the Public Library

CHARLES H. CHASE, Chairman

Voted: To accept the above report as a report of progress.

Voted: That a Committee consisting of the Trustees of the Public Library, the Chairman of the Board of Selectmen, the Chairman of the Planning Board, the Chairman of the Finance and Advisory Board, Joseph Butler, and Albert J. Blackburn, be appointed to carry into effect the provisions embodied in the report of the Library Trustees as read and accepted by the Town under the conditions of the will of the late Annie H. Brown.

Voted: That the following persons be added to the Tercentenary Committee: Rose Keenan Coy, Priscilla G. Hinchcliffe, Howard H. C. Bingham, Raymond A. Smart, Oliver W. Richardson.

Voted: That a committee consisting of the Town Counsel, the Town Clerk, the Chief of the Police Department, the Health Officer, and the Chairman of the Board of Selectmen, be appointed to revise and codify the Town By-Laws with the exception of the Zoning By-Law, said committee to report at the next Annual Town Meeting.

Article 2. To see if the town will vote to raise and appropriate a sum of money for the purchase of an automobile for the use of the Police Department, or do anything in relation thereto.

Voted: That the Town do purchase a Ford Touring Car for the use of the Police Department, the purchase to be made under the direction of the Selectmen and that the sum of \$500.00 be appropriated therefor the same to be transferred from the Excess and Deficiency Account.

Article 3. To see if the town will vote to construct an addition to the existing garage of the police station, raise and appropriate money therefor or take any action relative thereto.

Voted: That the subject matter of this Article be referred to the next Annual Town Meeting.

Article 4. To see if the town will vote to construct a sewer in and through Summerhill Street, easterly from the existing sewer in Summer Street, a distance of five hundred (500) feet, more or less, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the subject matter of this Article be referred to the next Annual Town Meeting.

Article 5. To see if the town will vote to lay a water main in and through Spring Street from the existing main therein to the junction of Spring Street and Lotus Avenue, so-called, raise and appropriate money therefor by sale of notes, bonds or otherwise or do anything in relation thereto.

Voted: That the Town do lay a water main in and through Spring Street from the existing main therein to the junction of Spring Street and Lotus Avenue, so-called, provided a satisfactory bond is filed guaranteeing eight per cent on the cost of construction; the expense of laying said main to be taken from the general appropriation for water construction as voted under Article 4 of the Warrant for the Annual Town Meeting of the year of 1930.

Article 6. To see if the town will vote to raise and appropriate money for the grading and construction of a sidewalk on the Westerly side of Butler Avenue from Lindenwood Road to the Northerly line of the land of Eva R. Barnstead under the provisions of Chapter 83 of the General Laws and Amendments thereto.

Voted: That the subject matter of this article be referred to the next Annual Town Meeting.

Article 7. To see if the town will vote to rebuild, repair and widen the Oak Street bridge over Sweetwater Brook, so-called, make an appropriation for the same, or do anything in relation thereto.

Voted: That the town do repair and widen Oak Street Bridge over Sweetwater Brook, so called, when the brook between Main Street and said bridge running through land of Davis and Flynn shall have been put in a condition satisfactory to the Superintendent of Public Works and the Selectmen, and that the sum of \$600.00 be appropriated therefor, the same to be transferred from the Excess and Deficiency Account.

Article 8. To see if the town will vote to raise and appropriate a sum of money for the planting and care of shade trees, or do anything in relation thereto.

Voted: That the sum of \$400.00 be appropriated for planting and care of shade trees, the same to be transferred from the Excess and Deficiency Account.

Article 9. To see if the town will vote to raise and appropriate a sum of money for legal expenses, or do anything in relation thereto.

Voted: That in order to defray the expense of litigation arising out of the assessment of taxes on the New England Sanitarium and Hospital in the year 1929 there be appropriated for legal expenses the sum of \$1000.00, the same to be transferred from the Excess and Deficiency Account.

Article 10. To see if the town will vote to raise and appropriate a sum of money for the purchase and installation of "Through Way" signs made necessary by reason of making Main Street from South Street to the Stoneham-Reading town line a Through Way, or do anything in relation thereto.

Voted: That the sum of \$1000.00 be appropriated for the purchase and installation of Through Way signs along Main Street from South Street to the Stoneham-Reading line, the same to be transferred from the Excess and Deficiency Account.

Article 11. To see if the town will vote to raise and appropriate a sum of money for the necessary expenses of the Police Department, or do anything in relation thereto.

Voted: That the sum of \$400.00 be appropriated for the expense of the Police Department the same to be transferred from the Excess and Deficiency Account.

Article 12. To see if the town will vote to accept by gift a certain tract or parcel of land described as follows: On the Easterly side of Fuller Street, extending from Franklin Street to the Northerly line of land owned by the Home for Aged People in Stoneham and running back from said Fuller Street to a line parallel to and four (4) feet distant from said Fuller Street, or do anything in relation thereto.

Voted: That the Town do accept by gift a certain tract or parcel of land on the Easterly side of Fuller Street extending from Franklin Street to the Northerly line of land owned by the Home for Aged People in Stoneham and running back from said Fuller Street to a line parallel to and four feet distant from said Fuller Street.

Article 13. To see if the town will vote to raise and appropriate a sum of money for the purpose of constructing a granolithic sidewalk on the Easterly side of Fuller Street, adjoining the property of the Home for Aged People in Stoneham and for rounding the Northeasterly corner of said Fuller Street and Franklin Street, or do anything in relation thereto.

Voted: That the Town do construct a granolithic sidewalk on the Easterly side of Fuller Street adjoining the property of the Home for Aged People in Stoneham and round the Northeasterly corner of said Fuller Street and Franklin Street and that the sum of \$300.00 be appropriated therefor, the same to be transferred from the Excess and Deficiency Account.

Article 14. To see if the town will authorize the purchase,

by the Trustees of the Public Library, or otherwise, of that certain tract or parcel of land with the buildings thereon standing on Main Street, adjacent to the Public Library on the South, owned by Annie L. Stone and the heirs of Charles A. Stone, containing 4,400 square feet, said parcel to be acquired and used for Public Library purposes; any and all expense incurred in the purchase of said parcel to be taken from funds available for said purposes under the terms of the will of the late Annie H. Brown; pass any vote or votes relating to the same, or do anything in relation thereto.

Voted: That the Trustees of the Public Library be and hereby are authorized to purchase in the name of the Town at a price not exceeding \$10,000.00 that certain tract or parcel of land with the buildings thereon standing on Main Street adjacent to the Public Library on the South, owned by Annie L. Stone and the heirs of Charles A. Stone, containing 4,400 square feet, said parcel to be acquired and used for Public Library purposes and that the expense incurred in this purchase shall be taken from funds available for an addition to the Public Library under the terms of the will of the late Annie H. Brown.

Article 15. To see if the town will vote to complete the construction of a sewer from Katherine Road to a connection with the existing sewer in Atwood Avenue, so-called, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Voted: That the sum of \$4,500.00 be appropriated for sewer construction as called for under this Article, said sum to be transferred from the Excess and Deficiency Account.

Article 16. To see if the town will vote to raise and appropriate a sum of money for the purchase of furniture and furnishings for a General Committee Room in connection with the Town Offices, or do anything in relation thereto.

Voted: That the sum of \$150.00 be appropriated for Committee Room Furnishings in connection with the Town Offices, said sum to be transferred from the Excess and Deficiency Account.

Article 32. To see if the Town will vote to raise and appropriate by the sale of bonds, notes, or otherwise a sum of money for the resurfacing of that part of Main Street not under the control of the State Department of Public Works; said sum to be in addition to the amount appropriated under Article 42 of the Warrant for the Annual Town Meeting of 1930.

Voted: That the sum of \$20,000.00 be appropriated for resurfacing that part of Main Street not under the control of the State Department of Public Works, said sum to be in addition to the amount appropriated under Article 42 of the Warrant of the Annual Town Meeting for the year 1930, and the Treasurer with

the approval of the Selectmen be and hereby is authorized to borrow the sum of \$20,000.00, and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Chapter 44 of the General Laws so that the whole loan shall be paid in not more than ten years from the date of issue of the first bond or note or at such earlier dates as the Treasurer and Selectmen may determine. Passed unanimously.

Article 17. To see if the town will vote to amend the By-Laws of the town by adding to Article X the following Section to be known as Section 18: No person shall drive or conduct any vehicle in such condition or so construct it or so load it as to allow its contents to fall, blow, leak or spill on the public street.

Voted: Unanimously, that the Town do amend the By-Laws of the Town by adding to Article X the following Section to be known as Section 18; No person shall drive or conduct any vehicle in such condition or construct it or so load it as to allow its contents to fall, blow, leak, or spill on the public street.

Article 18. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain parcel of land belonging to Leonard Gianquitto, bounded and described as follows: Northerly by Franklin Street, 100 feet 6 inches, more or less; Westerly by Pond Street, 85 feet 10 inches, more or less; Southerly by land of Harriet Blake et als, 95 feet, more or less; Easterly by land now or formerly of Charles B. Melvin, 84 feet more or less, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 19. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area: Easterly by the Boston and Maine Railroad, Southerly by Montvale Avenue, Westerly by Lindenwood Road, Northerly by a line parallel to and 100 feet distant from Montvale Avenue as shown on a plan of the property of Raymond E. Flemming made by Dana Edson Perkins, dated January 28, 1930, or to do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 20. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Northerly side of Franklin Street running Easterly from Stevens Street by and along

said Franklin Street, a distance of 100 feet more or less and extending back from said Franklin Street a distance of 60 feet, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 21. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Easterly side of Main Street, beginning at a point approximately 585 feet North of the Boston and Maine Railroad and thence extending along said Main Street Northerly to the Northerly line of land of George P. Kimball and running back from said Main Street a distance of 100 feet, or do anything in relation thereto.

Voted: That the subject matter of this Article be indefinitely postponed.

Article 22. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Easterly side of Spencer Street, beginning at the Northeasterly corner of Hancock and Spencer Streets, thence running North by and along the Easterly side of said Spencer Street to a point 100 feet South of the Southerly line of Franklin Street, thence running Easterly on a line parallel to and 100 feet South of the Southerly line of Franklin Street, thence running South on a line parallel to and 100 feet West of the Westerly line of Pine Street to a point 100 feet North of the Northerly line of said Hancock Street, thence Westerly on a line parallel to and 100 feet North of the Northerly line of said Hancock Street to a point 176 feet (more or less) East of Spencer Street, thence Southerly to Hancock Street, thence Westerly by and along said Hancock Street to point of beginning, or do anything in relation thereto.

A motion to indefinitely postpone the subject matter of this Article was made and lost.

A motion was then made that the town do amend the Zoning By-Law by enlarging the present limits of the General District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Easterly side of Spencer Street, beginning at the Northeasterly corner of Hancock and Spencer Streets, thence running North by and along the Easterly side of said Spencer Street, to a point 100 feet South of the Southerly line of Franklin Street, thence running Easterly on a line

parallel to and 100 feet South of the Southerly line of Franklin Street, thence running South on a line parallel to and 100 feet West of the Westerly line of Pine Street to a point 100 feet North of the Northerly line of said Hancock Street, thence Westerly on a line parallel to and 100 feet North of the Northerly line of said Hancock Street to a point 176 feet (more or less) East of Spencer Street, thence Southerly to Hancock Street, thence Westerly by and along said Hancock Street to point of beginning.

The Moderator appointed the following Tellers to count votes: James A. Munro, Ernest L. Young, Norman J. Lister, Maurice H. McKenna, Horace I. Newcomb, Albert J. Blackburn, Lawrence E. Doucett, T. Arthur Pettengill, Chester Gordon, Percy A. Spear.

The result of the vote was: Yes 196, No 64, and the Moderator declared the motion carried.

Article 23. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Westerly side of Main Street, beginning at the Northerly line of land now or formerly of David Jacobs, thence extending along said Main Street Southerly a distance of 115 feet, more or less, and running back from said Main Street a distance of 100 feet, being a part of a certain parcel of land formerly owned by the Luther Hill Estate and recorded in Middlesex South District Deeds, Book 1777, Page 600, or do anything in relation thereto.

A motion to indefinitely postpone the subject matter of this Article was made and lost.

A motion was then made that the town do amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Westerly side of Main Street, beginning at the Northerly line of land now or formerly of David Jacobs, thence extending along said Main Street Southerly a distance of 115 feet more or less, and running back from said Main Street a distance of 100 feet, being a part of a certain parcel of land formerly owned by the Luther Hill Estate and recorded in Middlesex South District Deeds, Book 1777, Page 600.

The result of the vote was: Yes 185, No 66, and the Moderator declared the motion carried.

Article 24. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District, the following described area, or any part thereof:

Beginning at the junction of Marble Street and Hill Street, thence the line runs Westerly by said Marble Street along land of Louis A. Sherman, a distance of 200 feet to other land of said Sherman, thence Northerly by other land of said Sherman, 100 feet to an angle, thence still by other land of said Sherman, the line runs Northeasterly 100 feet to Hill Street, thence Southeasterly by said Hill Street along land of said Sherman 200 feet to the bound first mentioned, or take any action relative thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 25. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area:

Beginning at a point on the Southerly side of Marble Street at the Stoneham-Winchester town line, thence running Easterly by and along said Marble Street a distance of 49.89 feet, thence Southerly a distance of 262.18 feet, thence Westerly a distance of 88.33 feet to the Stoneham-Winchester town line, thence Northerly by and along said town line a distance of 260.11 feet to the point of beginning, same owned by Louis A. Sherman and shown on a plan made by Russell C. Chase, C. E., dated April 16, 1930, and filed in the office of the Town Clerk, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 26. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area:

Beginning at the Southwesterly corner of Main Street and Lindenwood Road and thence extending along said Main Street Southerly a distance of 133 feet and running back from said Main Street a distance of 100 feet, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 27. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area:

On the Westerly side of Main Street, beginning at the Northerly boundary of the land of Minnie M. Rowland and thence extending along said Main Street Southerly a distance of 75 feet and running back from said Main Street a distance of 30 feet, or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 20. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain tract or parcel of land on the Northerly side of Franklin Street running Easterly from Stevens Street by and along said Franklin Street, a distance of 100 feet more or less and extending back from said Franklin Street a distance of 60 feet, or do anything in relation thereto.

A motion to reconsider the vote whereby it was voted to indefinitely postpone the subject matter of this article was made and lost.

Article 28. To see if the town will vote to repeal the Zoning By-Law or do anything in relation thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Article 29. To see if the town will vote to set aside and use for Park or Playground purposes a certain tract or parcel of land now owned by the town situated on the Southwesterly corner of Broadway and Park Avenue, containing 25,000 square feet more or less, or do anything in relation thereto.

Voted: That the town do set aside for Park or Playground purposes a certain tract or parcel of land now owned by the town situated on the Southwesterly corner of Broadway and Park Avenue containing 25,000 square feet more or less.

Article 30. To see if the town will vote to accept by gift for Park or Playground purposes a certain tract or parcel of land on the Westerly side of Park Avenue adjoining land of the town of Stoneham and owned by Albert P. Rounds, or do anything in relation thereto.

Voted: That the town do accept by gift for Park or Playground purposes a certain tract or parcel of land on the Westerly side of Park Avenue adjoining land of the Town of Stoneham and owned by Albert P. Rounds.

Article 31. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area, or any part thereof:

Extending along the Westerly side of Main Street Southerly from the junction of Main and Marble Streets a distance of one hundred and eight (108) feet, abutting the property of Mary E. Griffin and running back from Main Street one hundred (100) feet, or do anything relative thereto.

Voted: That the subject matter of this article be indefinitely postponed.

Voted: To adjourn.

Adjourned at 10.40 P.M.

STATE PRIMARY, TUESDAY, SEPTEMBER 16, 1930

Agreeably to the foregoing Warrant, the inhabitants of the Town of Stoneham, qualified to vote in primaries, met in Armory Hall in said Town, Tuesday, the sixteenth day of September, 1930, at two o'clock in the afternoon.

The Meeting was called to order by William S. Lister, Chairman of the Board of Selectmen, and the Warrant read.

The Tellers appointed by the Selectmen as required by law were sworn by the Town Clerk, and assigned to duty as follows:—

Ballot Clerks

Republicans
Harry A. Junkins
Walter E. Gay

Democrats
Thomas M. Halpin
Arthur D. Kenney

Tellers

Republicans
Carrie E. Bancroft
Elsie L. deGruchy
Jennie M. Jensen
Harry A. Williams
Maude L. Chesley
Susan E. Newhall

Democrats
Helen M. Barry
Helen V. Dougherty
James E. Fulton
Mary A. Kerns
Helen L. McCormack
Agnes J. Young

Four boxes said to contain 3,983 Republican official ballots and 1,622 Democrat official ballots were delivered to the Ballot Clerks who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the chairman and the polls declared open to receive ballots.

The Chairman appointed as additional Tellers the following, who were sworn by the Town Clerk:—

Republicans
J. Marie Parks
Charles V. Blackburn
Margaret Butler
Grace E. Lyons
Adelaide W. Lister
Stella Weed
Ethel L. Tucker
Mina C. Gay

Democrats
Peter P. Meehan
William H. Gay
Annie L. Fulton
James L. McHale
Rose A. McDonough
Catherine W. Ahern
Elizabeth G. McGowan
Mary A. K. Hamill

By order of the Selectmen and Town Clerk the ballot boxes were opened at two o'clock in the afternoon and ballots taken therefrom for the purpose of counting.

At eight o'clock in the evening the polls were declared closed, at which time ballot box number one registered 404, and ballot box number two registered 582, as ascertained by the Town Clerk.

The check lists at the gates had the names of 986 persons checked as having received ballots, 875 Republicans, and 111 Democrats.

The check lists at the ballot boxes had the names of 986 persons checked as having voted, 875 Republicans, and 111 Democrats.

The number of ballots taken from the ballot boxes as counted by the Chairman was 986; 875 Republican and 111 Democratic.

The number of unused ballots returned to the Town Clerk was 4,619; 3,108 Republican and 1,511 Democratic.

The Tellers appointed to sort and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

All the Republican ballots cast, having been sorted and counted, the tally sheets signed by the Tellers, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with the law, declaration of the same was made as follows:—

PERAMBULATION OF BOUNDARY LINES BETWEEN STONEHAM AND MALDEN

September 17, 1930

We, the subscribers, the Selectmen of the Town of Stoneham and Aldermen and City Engineer of the City of Malden having met according to appointment, to perambulate the boundary lines between the said Stoneham and Malden, find said lines marked by bounds in accordance with the appended description.

For the City of Malden
George C. Newcombe
George M. Graham
Henry W. Estey

For the Town of Stoneham
William S. Lister
George R. Barnstead
Leander V. Colahan

Corner 1

Location.—The corner is situated in Middlesex Fells on rough and rocky ground, in a growth of oaks containing a few scattering pines.

Mark.—The corner mark is an irregular boulder about 18 inches square and 2.2 feet high. It rests on a pile of stones and is marked M M S 1.

Corner 2

Location.—The corner is situated on very high land in Middlesex Fells, about 600 feet north of Spot Pond road, at a point about 1,300 feet westerly from its junction with Fells Parkway east. About 200 feet northerly from the corner is a large pile of stones about 8 feet high, known as "the Monument" or "Cairn," located upon a ledge. The corner is also about 250 feet southwesterly from the cart path which passes to the north of the "Cairn."

Filed September 18, 1930

CHARLES A. OWEN,
Town Clerk.

RECOUNT OF VOTERS FOR REPUBLICAN CANDIDATES FOR NOMINATION AS REPRESENTATIVES

Twenty-second Middlesex District
Melrose, September 18, 1930

To the Board of Registrars of Voters of the Town of Stoneham

We, the undersigned, legal voters of Stoneham respectfully represent that we have reason to believe that the returns of the Election Officers of said Town of the votes cast at the Primary on September 16, 1930 for Representatives in the General Court;

Barrows, Camerlin, Milano and Standish
are erroneous in this respect; That we have reason to believe that errors were made in tabulating the return of the votes cast, and that Barrows and Standish were credited with more and Milano and Camerlin with less votes than were actually cast for them; we therefore ask that the votes cast for said Primary as aforesaid, be recounted.

Carrie S. Ireland, 316 Main Street
Louise Mann, 274 Main Street
Estelle Ross, 4 Gould Street
Marjorie Downs, 533 Main Street
J. C. deGruchy, 61 Pleasant Street
Frances L. deGruchy, 61 Pleasant Street
James C. deGruchy, Jr., 61 Pleasant Street
Ira D. Davis, 59 Pleasant Street
Mary Bruce, 53 Pleasant Street
George F. Bruce, 53 Pleasant Street
Elsie L. deGruchy, 61 Pleasant Street

Commonwealth of Massachusetts

Middlesex, ss.

Stoneham, September 18, 1930

Then personally appeared the above-named Frances L. de-Gruchy and made oath that the above statement by her subscribed is true, to the best of her knowledge, information and belief, before me,

ORVIS H. SAXBY,

Notary Public

CHARLES A. OWEN,

Town Clerk

Filed September 18, 1930 at 4.10 P.M.

Recount

To the Town Clerk, Stoneham, Mass.

On petition of Carrie S. Ireland and others praying for a recount of the ballots cast at the State Primary, Tuesday, September 16, 1930, for Mary L. Barrows, Charles B. Camerlin, Joseph A. Milano and Lemuel W. Standish for the Republican Nomination for Representatives in General Court, after due notice to all parties interested, the Board of Registrars of Voters met in the Committee Room in the Town Offices Monday, September 22, 1930, at seven o'clock in the evening for the purpose set forth in said petition.

Mary L. Barrows with Maude M. Johnson as Attorney, Joseph A. Milano with Arthur G. Ledwith as Attorney and Lemuel W. Standish with Raymond A. Smart as Attorney were present.

The blocks of ballots were delivered to the Board, opened and counted with the following results:

Mary L. Barrows	439
Charles B. Camerlin	68
Joseph A. Milano	238
Lemuel W. Standish	657

HERBERT H. RICHARDSON,

CHARLES A. OWEN,

Registrars

Received and filed September 23, 1930

CHARLES A. OWEN,

Town Clerk

TOWN MEETING, TUESDAY, NOVEMBER 4, 1930

Agreeable to a Warrant signed by the Selectmen October 21, 1930, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Armory Hall in said town Tuesday the Fourth day of November 1930, at six o'clock in the forenoon.

The meeting was called to order by William S. Lister, Chairman of the Selectmen, and the warrant read.

The Tellers appointed by the Selectmen, as required by law, were sworn by the Town Clerk and assigned to duty as follows:

Ballot Clerks

Republicans
Walter E. Gay
Horace I. Newcomb

Democrats
Harry W. Delano
Alonzo H. Dempsey

Tellers

Republicans
Carrie E. Bancroft
Maud L. Chesley
Elsie L. deGruchy
Jennie M. Jensen
Susan E. Newhall
Harry A. Williams

Democrats
Annie L. Cody
Helen V. Dougherty
James E. Fulton
Helen L. McCormack
Mary A. McDonough
Agnes G. Young

Six cases said to contain 6,083 official ballots were delivered to the Ballot Clerks who gave a receipt for the same.

The ballot boxes were opened, examined, the dials set at 0, locked and the keys given in charge of the chairman and the polls declared open to receive ballots.

The chairman appointed the following to serve as Tellers to assort and count the ballots; who were sworn by the Town Clerk.

Republicans
Charles V. Blackburn
Margaret Butler
Lillian Chase
Mina C. Gay
Alwyne C. Howes
Ida M. Kelman
Annie S. Kinsley
Adelaide W. Lister
Grace E. Lyons
Laura E. B. Mackay
Julia D. Newhall
J. Marie Parks
Edna M. Smith
Emily P. Thompson
Ethel L. Tucker
Lillian B. Wainwright
Stella Weed

Democrats
Catherine W. Ahern
Arline Cogan
Nellie Dannahy
Mary F. Dever
Alice E. Fedigan
Annie L. Fulton
Margaret M. Hanright
Ellen E. Hogan
Emma A. Kelley
Rose A. McDonough
Ellen A. McGah
Sarah McGah
Elizabeth G. McGowan
James L. McHale
Peter P. Meehan
Mary E. Sullivan
Florence E. Tole

The Tellers appointed to assort and count the ballots were divided into groups of four, two Republicans and two Democrats in each group.

By unanimous consent of the Chairman and Town Clerk, the ballot boxes were opened at eight o'clock in the forenoon and ballots taken therefrom for the purpose of counting.

At eight o'clock in the evening the polls were declared closed at which time ballot Box No. 1 registered 1,614 and ballot Box No. 2 registered 1,849 as ascertained by the Town Clerk.

The check lists at the gates had the names of 3,463 persons checked as having received ballots.

The check lists at the ballot boxes had the names of 3,463 persons checked as having voted.

The number of ballots taken from the ballot boxes as counted by the Chairman was 3,463.

All of the ballots cast having been counted, the blocks of ballots sealed, the tally sheets signed by the tellers, tabulated, the total tally sheet signed by the Chairman, declaration of the same was made as follows:

Question No. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the constitution relative to the apportionment of senatorial, representative and councillor districts, further described as follows:

The proposed amendment of the Constitution provides for the annulment of Article XXI of the Articles of Amendment of the Constitution and the substitution therefor of a new Article XXI,

and for the annulment of Article XXII of the Articles of Amendment of the Constitution and the substitution therefor of a new Article XXII. The proposed amendment embodies in substance the following changes in and additions to said Articles XXI and XXII:

1. In proposed Article XXI, towns of twelve thousand inhabitants or more may be divided in forming representative districts. No precincts, however, in such towns may be divided. In taking the census the special enumeration of legal voters shall specify the number residing in each precinct of such towns. Under existing Amendment XXI no town may be divided and no specification of the number of voters in a precinct is required.

2. The division of a county into representative districts and the apportionment of representatives to districts therein is to be made by "The county commissioners or other body acting as such or, in lieu thereof, such board of special commissioners in each county as may for that purpose be provided by law, . . ." Under Article XXI as it now stands the division and apportionment is made by "The mayor and aldermen of the city of Boston, the county commissioners of other counties than Suffolk,—or in lieu of the mayor and aldermen of the city of Boston, or of the county commissioners in each county other than Suffolk, such board of special commissioners in each county, to be elected by the people of the county, or of the towns therein, as may for that purpose be provided by law, . . ." The time for assembling of such commissioners, board or body for the purpose of making such division and apportionment is also changed, from the first Tuesday of August next after each assignment by the Legislature of the number of representatives to each county, to a time within thirty days after certification by the Secretary of the Commonwealth to such commissioners, board or body of the number so assigned, or within such other period as the General Court may by law provide.

3. Under the proposed Articles, each special enumeration shall be the basis for determining the districts, senatorial, representative and councillor, for the ten-year period beginning in the fourth January following said special enumeration and the present division of districts is to remain in effect until January, 1939. Under the existing amendments the ten-year period is the period between the taking of each census. (Thus, the next redivision based upon the next census in 1935 would, under the proposed Articles, affect those elected in 1938 to hold office beginning in January, 1939, instead of affecting those elected in 1936 to hold office beginning in January, 1937. Under existing amendments representation of newly created districts begins in January of the second year after each ten-year census, whereas under the proposed article it would begin in January of the fourth year thereafter.) The number of representatives (240), senators (40), and councillors (8) is not changed.

4. The Legislature may limit the time within which a division of representative, councillor or senatorial districts may be questioned by judicial proceedings. The existing amendments contain no provision that itself limits or authorizes the Legislature to limit such time.

which received in a joint session of the two Houses held May 17, 1928, 182 votes in the affirmative and 48 in the negative, and at a joint session of the two Houses held May 26, 1930, received 155 votes in the affirmative and 88 in the negative, be approved?

Yes	1175
No	460
Blanks	1828

Question No. 2.

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which amends the General Laws by striking out chapter 138, section 2A, which section provides that, "No person shall manufacture, transport by air craft, water craft or vehicle, import or export spirituous or intoxicating liquor as defined by section three, or certain non-intoxicating beverages as defined by section one, unless in each instance he shall have obtained the permit or other authority required therefor by the laws of the United States and the regulations made thereunder," which law was disapproved in the House of Representatives by a vote of 110 in the affirmative and 123 in the negative and in the Senate by a vote of 11 in the affirmative and 26 in the negative, be approved?

Yes	1403
No	1611
Blanks	449

Question No. 3

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which amends General Laws, chapter 131, by inserting therein a new section number 59A, which in substance makes it a misdemeanor punishable by a fine of fifty dollars for any person to use, set or maintain any trap or other device for the capture of fur-bearing animals which is likely to cause continued suffering to an animal caught therein and which is not designed to kill the animal at once or take it alive unhurt, except traps or other devices for protection against vermin, set or maintained within fifty yards of any building or cultivated plot of land to the use of which the presence of vermin may be detrimental, which law was disapproved in the Senate by a vote of 12 in the affirmative and 24 in the negative, and in the House

of Representatives by a vote of 48 in the affirmative and 167 in the negative, be approved?

Yes	1852
No	754
Blanks	857

Voted: To adjourn.

COMMONWEALTH OF MASSACHUSETTS

County of Middlesex

City of Melrose

In accordance with the provisions of Section 125, Chapter 54 of the General Laws of Massachusetts, in the absence of the City Clerk, the Assistant City Clerk of Melrose and the Town Clerk of Stoneham, being the Assistant City and Town Clerks of every city and town in Representative District number twenty-two within said county, met at the City Hall, Melrose, at noon on Friday, November 14, A.D. 1930, being the tenth day succeeding the day of the State Election held on Tuesday, November 4, A.D. 1930, and then and there opened, examined and compared the copies of the records of votes cast at said election for the office of representative, and determined therefrom that Mary Livermore Barrows of Melrose and Lemuel W. Standish of Stoneham were elected to the office of Representative.

The following is a schedule of all persons for whom votes for Representative were given in said District and the number of votes given for each person, viz:

Mary Livermore Barrows of Melrose, Seven thousand eight hundred thirty four	7834
John J. Keating of Melrose, Four thousand two hundred fifty-six	4256
Lemuel W. Standish of Stoneham, Seven thousand two hundred eight-three	7283

IN WITNESS WHEREOF, WE, the Assistant City Clerk of Melrose and the town clerk of Stoneham hereunto set our hands this fourteenth day of November, A. D. 1930.

E. MAUDE BROWN,
Asst. City Clerk, Melrose
CHARLES A. OWEN,
Town Clerk, Stoneham

RE-LOCATION OF MARBLE STREET

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

At a meeting of the County Commissioners for the County of

Middlesex, holden at Lowell, within and for said County, on the first Tuesday of September, in the year of our Lord one thousand nine hundred and thirty.

The inhabitants of Stoneham, in said County, by their petition to said Commissioners—among other matters—pray that Marble Street, in Stoneham, may be relocated and specifically repaired, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Cambridge, within and for said County, on the first Tuesday of January, A.D. 1928, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear.

And at a meeting holden at Lowell on the first Tuesday of September, 1928, said relocation and specific repairs were adjudged to be of common convenience and necessity; and on the eleventh day of June, 1929, said Commissioners made a partial return of their proceedings in the premises directing specific repairs on said Marble Street as appears of record and thence said petition has been continued to this time.

And now the said Commissioners make further return of their proceedings in the premises, as follows:

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate said Marble Street at its junction with Warren Street in the manner following, to wit:—

The northerly line of Marble Street shall join the westerly line of Warren Street with a curve of four (4) feet radius as shown by a plan entitled—

SKETCH SHOWING PROPOSED CHANGES

At Corner of

MARBLE & WARREN STS., STONEHAM, MASS.

Scale 1"=10'

May, 1930

Morse & Dickinson, Engrs.

By said relocated line three (3) square feet of land are taken from the abutting land owner, Edith K. Finnegan.

The northerly line of Marble Street shall join the easterly line of Warren Street with a curve of seven and one-half ($7\frac{1}{2}$) feet radius as shown by the plan to which reference was hereinbefore made, the line of Warren Street being altered to join said curve as shown by said plan to make the approaches to Marble Street more gradual

and in better condition. About twenty-three feet (23') of land are taken from the abutting land owner, Elbridge Gerry.

No damages are awarded. Said lands are taken as an easement for highway purposes. The said town of Stoneham shall pay all damages, costs, and expenses which any party may by legal process obtain in consequence of this order.

The said town of Stoneham shall proceed to use said land for the purpose of highway improvement and the work contemplated shall be completed by July 1, 1931.

IN WITNESS WHEREOF, WE, the said County Commissioners have hereunto set our hands this fourth day of November in the year of our Lord one thousand nine hundred and thirty.

RE-LOCATION OF MAIN, ELM AND WILLIAM STREETS

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

At a meeting of the County Commissioners for the County of Middlesex, holden at Cambridge, within and for said County, on the first Tuesday of June, in the year of our Lord one thousand nine hundred and thirty,

The inhabitants of Stoneham, in said County, by their petition to said Commissioners—among other matters—pray that Main and Elm Streets, in said Stoneham, may be relocated and specifically repaired, as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Lowell, within and for said County, on the first Tuesday of September, A.D. 1928, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear.

And after due proceedings, said Commissioners directed specific repairs on said Main Street and Elm Street as appears by their returns dated July 16, 1929 as to Elm Street and July 3, 1930 as to Main Street, and thence said petition has been continued to this time.

And now the said Commissioners make further return of their proceedings in the premises, as follows:—

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate said Main Street at its junction with Elm Street and also at its junction with William Street, in said town, in the manner following to wit:—

The southerly line of Elm Street shall join the easterly line of Main Street with a curve of 13.5 feet radius as shown by the plan to which reference is hereinafter made. By said curve, the land between the old lines of said streets and the new lines described is taken for highway purposes, the owner being George Driscoll and the area taken being about 17.5 square feet. No damages are awarded.

At the junction of William Street the following relocations are made:

The easterly line of Main Street shall join the northerly line of William Street with a curve of 50 feet radius as shown by the plan, thereby taking from the Town of Stoneham about 90 square feet. The said easterly line of said Main Street shall join the southerly line of William Street with a curve of 20 feet radius. There is thereby taken land from Annie Candage to the amount of about 355 square feet.

The westerly line of said Main Street shall join the northerly line of William Street with a curve of 20 feet radius and there is thereby taken from the land of Arthur G. & Maude S. Van Buren about 355 square feet.

No damages are awarded on account of the above takings. The said Town of Stoneham shall pay all damages, costs, and expenses which any party may by legal process obtain in consequence of this relocation, and said damages, costs, and expenses are assessed upon said Town of Stoneham.

The above description is intended to conform to a plan of the relocation dated 1930, on which the lines established for the takings are shown in red.

On or before the first day of October, said town is to enter upon the lands thus taken for the purpose of improving the spaces as part of the highway and in connection with the reconstruction of Main Street, rendering the approaches from said street to Elm Street and to William Street more gradual and convenient.

IN WITNESS WHEREOF, WE, the said County Commissioners have hereunto set our hands this twelfth day of August in the year of our Lord one thousand nine hundred and thirty.

CHARLES A. OWEN, Town Clerk

RE-LOCATION OF MONTVALE AVENUE
COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

At a meeting of the County Commissioners for the County of Middlesex, holden at Lowell, within and for said County, on the first Tuesday of September, in the year of our Lord one thousand nine hundred and thirty,

The inhabitants of Stoneham, in said County, by their petition to said Commissioners—among other matters—pray that Montvale Avenue at its junction with Cottage Street, in said Stoneham, may be relocated as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Lowell, within and for said County, on the first Tuesday of September, A.D. 1930, when and where notice was ordered given to all persons and corporations interested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and of record will more fully appear.

And at the time of said view and hearing, no person interested objecting, said Commissioners, finding that said relocation was of common convenience and necessary, proceeded to relocate said highway at its junction with Cottage Street, and thence said petition has been continued to this time.

And now the said Commissioners make final return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs, met at the Court House in said Cambridge, on the sixteenth day of December, in the year nineteen hundred and thirty, when and where the parties appeared, to wit, the petitioner by William S. Lister, Esq. and no person appeared to object.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate the northerly line of Montvale Avenue where it joins the easterly line of Cottage Street on land of James H. Murphy in the manner following, to wit:—

The northerly line of said Montvale Avenue shall join the easterly line of Cottage Street with a curve of 20 feet radius, length 37.43 feet, the curve beginning at a point on the northerly line of Montvale Avenue distant 27.14 feet easterly measured along the line of said Montvale Avenue and thence on a curve bearing to the right and northwesterly 20 feet radius to the easterly line of said Cottage Street. By said curve there is taken for highway purposes an area of about 168.4 square feet from James H. Murphy.

The description is intended to conform to a plan of the premises entitled—

TOWN OF STONEHAM

Plan of land

taken for

Street purposes

at

Montvale Avenue

and

Cottage Street

Scale 1 in.—40 ft.

Oct. 29, 1930

Russell C. Chase

Civil Engineer and Surveyor

Stoneham

which plan is filed with this return.

The Commissioners award no damages and the said Town of Stoneham shall pay all damages, costs, and expenses which any party may by legal process obtain in consequence of this order for relocation.

On or before the first day of July, 1931, the said Town of Stoneham shall take possession of the land included with the area taken for the purpose of improving the turn between Montvale Avenue and the said Cottage Street and so grade the land thus taken so as to make a convenient curve on the roadway, reserving suitable space for sidewalk.

Any structures or trees on the lands are hereby taken.

The space taken as an easement for highway purposes is declared a part of the public highway.

IN WITNESS WHEREOF, WE, the said County Commissioners have hereunto set our hands this nineteenth day of December in the year of our Lord one thousand nine hundred and thirty.

REPORT OF PUBLIC LIBRARY BUILDING COMMITTEE

To the Citizens of Stoneham:

The Building Committee for the erection of the addition to the Public Library effected organization with choice of Prof. Charles H. Chase as Chairman, and Herbert H. Richardson, Esq., as Secretary. Several meetings have been held and the firm of Coolidge and Carlson, of Boston, Massachusetts, have been employed as architects for the new addition.

Title to the Stone heirs' lot of land, adjacent on the South to the present Public Library Building has been acquired. This lot will be used for the building extension.

Owing to a flaw in the title, there has been some considerable delay in the transfer of this land to the Town. The dwelling house on said premises is to be removed shortly.

It is expected that the architects will have the specifications for the new addition to the Library ready for bids on or about February 15, 1931. Your committee hope that construction work will be begun not later than March 15th next.

There is presented in connection with this report, a cut showing how the enlarged Library Building will appear. It has been the endeavor of your committee in planning for this addition, to have the Library, when completed, a harmonious whole. This addition to the Public Library is made possible through the generous gift of the late Annie H. Brown.

Respectfully submitted,

CHARLES H. CHASE

REPORT OF TREE WARDEN

To the Citizens of Stoneham:

I hereby submit my report as Tree Warden for the year ending December 31, 1930.

The sum of \$2,300. was expended by the Shade Tree Department and \$6,400. by the Moth Department. \$1,000. of this amount was added in November as a relief measure for the unemployed.

In April one hundred Norway and Sugar Maples were purchased from the Framingham Nurseries. These trees were dug by men of the Shade Tree Department to insure careful handling and were planted in locations where the need seemed greatest.

Cedar posts were procured from the swamps in Wilmington. These were peeled and painted and used with wire guards for the protection of the trees. There were no losses from this planting. In mid-summer, during the extreme drought, hundreds of young trees planted in recent years were dug around and watered several times to save them from dying.

The customary work of trimming and the removal of dead branches was carried on during the Summer months.

In May a nursery was started on the land of the Town Infirmary on Elm Street. 1200 Norway and Sugar Maples ranging from 3 to 7 feet in height were planted and made satisfactory growth. 200 more Norway Maples of the 6 to 7 foot size will be added in the Spring of 1931.

The rebuilding of Main Street necessitated the removal of 24 large trees. This was accomplished without accident. We all greatly deplore the loss of a valuable tree but many of these trees were worthless or nearly so and several were positively dangerous to the Public. There were 12 dead trees removed from other streets of the Town.

Moth Suppression

The work of creosoting the egg clusters of the Gypsy Moth was carried on as usual. The infestation was about 25 per cent less than the previous year. No Browntail Moth webs were found.

There was a serious outbreak of Elm Leaf Beetles which threatened to defoliate scores of Elms but this was prevented by spraying all the infested trees.

During May and June the trees on 764 private estates were sprayed with Arsenate of Lead and the trees and bushes along the roadsides on all back streets adjacent to woodlands were also sprayed.

In November \$1,000. was turned over to the Moth Department for relief of unemployment. 14 extra men were employed for several weeks cutting and burning bush along the roadsides, thus removing many breeding places for insect pests and adding greatly to the appearance of the outlying sections of the Town.

REPORT OF THE PARK COMMISSIONERS

To the Citizens of Stoneham:

We hereby submit our report for the year ending December 31, 1930.

At the Annual Town Meeting the sum of \$1,400. was appropriated for the care and improvement of playgrounds.

This sum was expended as follows: In the Spring the Pome-worth Street Playground was put in condition for the athletic events which are held there throughout the season. This necessitated the removal of many loads of stones which come to the surface from upheaval by frost and the gradual wearing away of the turf by spiked and cleated shoes. Several of the larger boulders were drilled and blasted. All hollows in and around the diamond were filled with screened sand and loam and the entire field was raked over to remove all small stones. Later the field was rolled with a 5-ton steam roller. Throughout the Summer and Fall the grounds were raked and rolled and the grass cut as often as necessary. A jumping pit was dug and filled with a cord of sawdust mixed with loam. This was made good use of by the girls and boys of the High School. A galvanized iron fence was built along the Northerly and Easterly boundary of the premises of Miss Brown on Capen Street as a protection to the property. The drainage ditch at the Southern limits of the field was redug and put in condition to take care of the water that would otherwise flow over private lands.

The Tidd Street Playground was open as in previous years with Mr. Daniel P. Hurd as supervisor. In mid-season, much to our regret, he asked to be relieved of his duties owing to ill health. He took with him our best wishes for a speedy recovery. We were fortunate to obtain the services of our fellow townsman and noted athlete, Ralph Duplin, who finished the season very satisfactorily. The attendance was good throughout the season and at the close a Field Day was held. There were races and games for prizes. Free ice cream and tonic was donated by Kimball, Chapman and the Bushway Ice Cream Co. A good time was enjoyed by all who attended.

The members of the Garden Club deserve the appreciation of the citizens, especially those who live in the vicinity of Winthrop Square, for the neat job they carried out in beautifying the grass plots in the Square.

The Park Board will ask for an appropriation of \$300. for the setting of a granite curbing around the grass plot at the junction of High and Waverly Streets. The residents of this section have set out and cared for shrubs and flowers on this plot and it seems

proper that the Town should encourage their work by setting this curb.

The Gould Meadow is being filled in and a portion of it can be made use of within a few years. Three hundred dollars were spent during the past year in reclaiming loam for surfacing the land when it is brought up to grade.

Of the total area of 298,845 sq. ft. to be acquired the Town has already purchased or acquired 282,842 sq. ft. One of the four former owners, who was dissatisfied with the price offered by the Town, has decided to accept the Town's offer and has been paid in full. Negotiations are complete for the purchase of one of the remaining lots of land and as soon as the papers are on record the Town will own 291,270 sq. ft. The remaining 7,575 sq. ft. will probably not be acquired till the three former owners, who did not accept the Town's offer, have either withdrawn their claims, or brought their case to Court.

Park Commissioners

REPORT OF COMMITTEE ON TRAFFIC SIGNALS

December 31, 1930.

To the Citizens of Stoneham:

The committee to study traffic conditions, authorized by vote of the Annual Town Meeting in 1929, was reappointed at a special town meeting held on May 23, 1930, to consider further the need for traffic control signals in Stoneham.

The committee has continued its work throughout the year and has made such further study as was necessary in considering the needs for traffic control in Stoneham. The advent of the new concrete roadway through the center of our town, we felt, was sure to make the need for traffic control even greater than before.

Working jointly with the Board of Selectmen, it was deemed wise to have conduits laid while the new road was being constructed, which would take care of the necessary wiring for traffic lights without any further excavations at a later date. The engineers followed the plans submitted by the committee as to locations of these conduits and these locations were approved by the State authorities. In this connection, Mr. Charles A. Vaughan, representing the Niles Machine Co., was of special service to the town.

In considering the need for traffic control through the use of traffic signals in Stoneham, we only need to refer back to our report of 1929 which portrayed the conditions existing at that time. With the completion of our new road, however, together with the new road through the Middlesex Fells and the new four-way road from Elm Street to Reading, the conditions outlined in last year's report have been greatly multiplied.

The number of machines passing through our town has already considerably increased and it is only natural that the speed of these machines is much greater than ever before. Our Main Street is being used more than ever as a through way to points North and South.

In the opinion of the committee there is only one way to control the traffic situation in Stoneham and thereby protect the safety of our citizens. We believe that traffic lights should be installed immediately at our main junction points. Combined with our present system of "stop" streets, this would make for safety and would reduce the speed of automobiles to a normal rate of about 21 miles per hour. The lights would be so synchronized that traffic jams would be eliminated and the flow of traffic carry through at a reasonable rate of speed.

We recommend the installation of traffic lights at the following locations and we have indicated the estimated cost of installation and maintenance of such lights.

Main, Marble and Summer Streets
Main and Hancock Streets
Stoneham Square
Main Street and Montvale Avenue
Main and William Streets
Main and Elm Streets

The estimated cost of the above installations and maintenance for one year is \$5,000.00.

The summer of 1931 will see an unprecedented flow of traffic through Stoneham. We must either add several traffic officers to our Police Department, involving an increase of several thousand dollars yearly in the Police Department appropriation, or we must adopt a modern method of safe and efficient traffic control. The motorist as a rule respects the red and green signal lights. He knows it is for his protection and the protection of others. The motorist, however, is not alone to be considered. We must protect our own citizens by making crosswalks safe for pedestrians. Traffic lights allow a definite period for pedestrians to cross the street in safety.

Quoting from last year's report, "your special committee on traffic signals recommends the immediate installation of signals at the above locations as a sound investment and for the safety of our citizens."

Respectfully submitted,
SUMNER H. GREEN, Chairman

REPORT OF THE PLANNING BOARD

December 31, 1930

To the Citizens of Stoneham:

The Planning Board has endeavored to serve the town during the past year by carefully considering every problem with the best interests of the Town ever in mind.

The elevation of Chairman Luther Hill to the position of Town Counsel caused a vacancy on the Board which it was difficult to fill. As a member of the Planning Board since its organization in 1916 and as Chairman since the adoption of the Zoning By-Law in 1926, Mr. Hill served with honor and distinction. Under his wise guidance and skillful leadership, the efforts of the Planning Board have always received the loyal support of the citizens of Stoneham.

The members of the Planning Board desire to hereby publicly express their appreciation of Mr. Hill's untiring efforts and loyal service to the Board.

As in the past, much time has been spent in considering proposed amendments to the Zoning By-Law, making such recommendations as seemed to be for the best interests of our citizens. In each case public hearings were held before recommendations were made. Most of these proposed amendments were for the purpose of installing additional gasoline filling stations.

An article inserted in the warrant for the special Town Meeting in May calling for the repeal of the Zoning By-Law was overwhelmingly defeated, proving conclusively that Stoneham citizens appreciate the protection which zoning affords.

Investigations of existing regulations in other towns have been made for the purpose of learning different methods, if any, which would seem to improve our present requirements. This study is still being made by a sub-committee appointed for the purpose.

While giving cordial welcome to any useful business, not harmful to our community, Zoning has been a great help in restricting it to certain districts, thus insuring greater values and an added sense of security in residential sections.

The Planning Board conducted a vigorous protest against the billboard in Stoneham Square which, in our opinion, was the beginning of a possible billboard nuisance on our main thoroughfare.

New developments of real estate have been constructively criticized and owners encouraged to plan for reasonable size lots and ample street widths.

Some layouts have been opposed by the Board as undesirable developments, considered not for the best interests of the Town.

The policy of friendly co-operation with other town departments has continued, resulting in mutual helpfulness and increased

efficiency. A joint meeting of all town officials and committees, with Mr. Edw. T. Hartman of the State Division of Housing and Town Planning as our guest, was held on October 29, through the efforts of the Planning Board.

The Planning Board commends the work of the Stoneham Garden Club in beautifying Winthrop Square by laying out grass plots. A study is now being made of similar small squares at street intersections throughout the town where similar improvements might be made.

A study has been made of streets with names of enough similarity to cause confusion to our fire, police and postal departments. As a result of this study, recommendations have been made for changes in the names of certain streets in the town. These proposed changes will come before the voters at the Annual Town Meeting.

Representatives of the Planning Board attended the annual meeting of the Mass. Federation of Planning Boards. They also visited Winchester, Wakefield and Reading to become acquainted with the work being done in those towns.

The Planning Board is mindful of certain needs which still exist in our town. Among these may be mentioned a suitable, safe public place for swimming in summer and skating in winter. Few towns are without these privileges for their future citizens, as Stoneham is at present.

Stoneham has had many occasions to realize the benefits of town planning and zoning during the past year. The support given to the Planning Board in every effort to protect the welfare of our citizens gives us encouragement for greater efforts in the future.

**REPORT OF COMMITTEE APPOINTED AT THE ANNUAL
TOWN MEETING OF 1930 TO CONSIDER SUBJECT
MATTER UNDER ARTICLES 18, 19 AND 70
OF THE TOWN WARRANT**

Article 18: Town Manager Plan.

While the Town Manager Plan offers some advantages, the success or failure of the plan would seem to depend chiefly on having a skillful, honest and vigorous manager, and there is, perhaps, considerable uncertainty as to whether our town would be able to employ a manager who combines these necessary qualifications. At present we have, under our plan of having a Superintendent of Public Works, a consolidated control of our highway, water and sewer departments, and your committee does not recommend the adoption of the general town manager plan.

Article 19: Increase of Number of Selectmen from Three to Five.

The efficient service to come from any executive board is based on the type and ability of the individual members of the board, and a board of five members would probably afford no improvement over a board of three members. The chief concern of the voters is to elect men of character and ability.

This committee does not recommend increasing the number of Selectmen to five.

Article 70: Representative Form of Town Meeting.

This form of town meeting is not advisable for Stoneham in opinion of this committee. The capacity of the Town Armory appears to be sufficient to accommodate such number of voters as usually attend our town meetings, affording all voters opportunity to be heard and to vote.

In the future, if the number of voters shows marked increase, it will doubtless be well to give further consideration to the Representative Form of Town Meeting.

Incidentally, this committee recommends that the Board of Selectmen have the Town Armory inspected by State Building Inspectors to determine the number of people the building will safely accommodate.

Respectfully submitted,
LEANDER V. COLAHAN

Committee

REPORT OF BOARD OF SELECTMEN

To the Citizens of Stoneham:

Another year draws to a close and it is our privilege to submit a brief report of our activities for the year. New problems are constantly arising as the result of the growth of the Town and the volume of work needed to be done has materially increased.

Among the numerous matters coming before the Board none were of greater importance than the reconstruction of Main Street from Elm to Marble Streets. Your Board held various conferences with the Department of Public Works before the granting of the contract to G. Rotundi & Son, in an effort to safeguard the interests of the Town as far as possible in the character of the work to be done and in the employment of Town Labor. At the insistence of your Board the contractor signed an agreement covering the employment of Town Labor. Now that the work is completed the Town may take pride in the fact that we have one of the finest, if not the best, roadways through the center of any municipality in this section of the State of Massachusetts. Our townspeople have shown great consideration and forbearance during the construction work, with all the unpleasant though necessary inconveniences that had to be contended with. During the reconstruction of Main Street your Board took the opportunity to have many distinct improvements made, among which was the rounding of corners at various street intersections. Also our sidewalks were rebuilt and in instances granolithic sidewalks replaced the wavy and broken tar sidewalks, especially on the westerly side of Main Street from the Public Library to the Stoneham Savings Bank. Also provision was made for the installation of traffic lights at a later date by having conduits laid under the cement while the construction work was being carried on. We take this opportunity of thanking State Commissioner Lyman and his associate Commissioners and also the County Commissioners for their cooperation in helping Stoneham to have such a fine thoroughfare. The Town is also indebted to District Engineer Sabin and his associates for their interest in the work. The Edison Electric Illuminating Company also made improvements in their equipment and the Town thanks this company for the new poles and white-way lights installed in Central Square.

The financial report cannot be given at this time, as the final reports have not been completed by the State Department of Public Works, under whose supervision the work was done.

Making Main Street a Through Way from South Street to the Reading line with the construction of concrete surface, tending to greatly speed up traffic, called for traffic regulations to insure public safety and convenience. Your Board spent a great deal of

time in drawing up and having approved by the Department of Public Works a set of traffic regulations for the Town. These regulations are very extensive and cover, among others, One Way Streets, Stop Lights, parking regulations and penalties. They have been printed in book form and are ready for distribution. Your Board recommends the installation of traffic signal lights on Main Street.

Cornelius J. Sweeney has continued as Superintendent of Public Works. We believe that he has endeavored to carry out the suggestions made by your Board covering various matters. His report is submitted herewith.

As the Board of Survey, we have had a number of plans before us for approval. Some of these plans have been approved and others rejected. Of the latter we mention a proposed development West of Main Street and North of Border Road, adjoining the Fells Reservation. This covered a large area of land in a desirable section of the Town. The first plan submitted showed small lots, poor street grading and lots running up on ledges. Conferences were held with the Metropolitan District Commission and a second plan rejected. It was apparent to your Board that the Town should have a set of regulations covering proposed layouts and accordingly your Board drew up and had printed a set of regulations of the Board of Survey which we believe will facilitate and improve future developments.

During the year we have made perambulations of the Town bounds with the City of Malden in accordance with the Statute law.

The Selectmen have acted in a number of cases as fence viewers. These cases are often difficult to adjust, but your Board has endeavored to perform its duties in justice to all parties concerned.

Contracts are often entered into by the Town and bonds filed. Your Board deemed it advisable to have an established form of contract and bond, and with the cooperation of the Town Counsel such legal forms have been drawn up so that now we have uniform contracts covering various kinds of work and other legal forms pertaining to Town affairs.

Several improvements have been made in obtaining better cooperation between various Town Boards by conferences and visits.

The Town Counsel has rendered various opinions in writing and we established a system of having these opinions kept in book form, so that they may be readily accessible and as time goes on these should cover many questions of interest arising from time to time.

During the past year the Selectmen have examined and acted upon various Soldiers' Relief cases coming before them. Many of these were worthy cases and entitled to relief. We have endeavored

to use funds in our hands economically and give relief to worthy cases, after due consideration. In carrying out this work we have kept in touch with Commissioner Flynn of the office of State Aid and Pensions and found his advice and assistance of great help.

During the latter part of the year the unemployment situation, which has troubled so many Towns and Cities, presented itself. The Chairman of the Board and the Town Counsel attended the Governor's conference held at the State House on unemployment and shortly thereafter brought about the appointment of a Citizens' Committee on Unemployment.

A joint conference was held with the Finance Committee and Citizens' Committee and from the Reserve Fund appropriations were added to the Public Works Department and Tree Warden's Department. We believe that measures taken to relieve unemployment have worked out as satisfactorily as could be expected. It is a general opinion that unemployment has not been as accute as in many other Towns of the Commonwealth.

During the year your Board has kept in touch with insurance matters affecting the Town. Proper coverage has been maintained on town property and the rates have been checked from time to time by Elmer A. Lord & Co. who handle insurance matters for the Town. We have found this insurance company to be very competent in handling the Town's insurance affairs and they have kept in close touch with all insurance matters affecting the Town's interests.

During the past year receipts and licenses issued by your Board have been as follows:

Sunday Theatre	\$ 75.00
Sunday	180.00
Amusement	30.00
Victuallers	32.00
Auto Dealer	120.00
Second Hand Dealer	4.00
Advertising	10.50
Revolver	32.00
Gasoline, Garage, Filling Station	23.00
Sale of Firearms	2.00
Liquor-Druggist's	1.00
Taxi	5.00
Bus	20.00
Peddler	50.00
Junk	100.00
Pool and Bowling	32.00
Auctioneer	4.00
Intelligence Office	2.00
TOTAL	\$722.50

LEGAL DEPARTMENT

On May 1, 1930, Mr. Luther Hill was appointed Town Counsel succeeding Mr. James J. McDonald. The Town Counsel has attended the meetings of the Selectmen and has been in consultation with other boards and town officers as required. The report of the Town Counsel follows:

REPORT OF TOWN COUNSEL

To the Honorable Board of Selectmen:

I entered upon my duties as Town Counsel the first of May, 1930. Various suits were pending in Court in which the Town was party defendant.

The most important of these suits was the one brought by the New England Sanitarium and Benevolent Association upon the refusal of the Assessors to abate the 1929 tax amounting to \$12,248.88. With the approval of your Board and in accordance with a joint meeting of Town Boards, James J. McDonald, Esq., former Town Counsel, and Chairman of the Town Committee on the taxation of the New England Sanitarium, has assisted the Town Counsel in the preparation of the trial of this case by investigation and obtaining evidence. The Town Counsel is filing a motion for the appointment of a Commissioner by the Court under Section 67 Chapter 59 of the General Laws, to hear the parties and report the facts to the Superior Court. It is hoped that a decision may be rendered by the Court before the date of the Annual Town Meeting.

The cases arising out of the acquiring by the Town of the Gould Meadow property and drainage suits are still pending. It is possible these may be satisfactorily adjusted. The Town is

defendant in a number of other cases which have not been reached for trial and are of minor importance.

On December 16, 1930 there were sixteen tax appeal cases filed with the new Board of Tax Appeals; also two tax appeal cases filed with the County Commissioners but removed by the Town Counsel under the Statute to the Board of Tax Appeals, making now eighteen pending cases before that Board. These are appeals arising out of the refusal of the Assessors to make abatements of 1930 taxes, the appealing parties claiming that the Assessors placed too high a valuation upon their property. The Town Counsel has raised a question of law which may dispose of these cases without a hearing on the valuation. If the cases should be tried on the question of valuation each stands on its own merit and the trials will extend over a long period of time, involving considerable stenographic expense, the expense for answers and motions to dismiss filed by the Assessors alone amounting to \$102.00; six copies of each being required. At a meeting of your Board and Assessors the Town Counsel was assigned as attorney for the Assessors in all of these cases except the case of the Stoneham Five Cents Savings Bank. Because of the Town Counsel's relations with the Savings Bank it was agreed by the Town Counsel, Selectmen and Assessors that it would be more satisfactory if the Assessors were represented in the Bank case by other counsel, and accordingly Harold Williams, Esq., of Boston, will represent the Assessors in the Bank case.

Numerous legal matters have been referred to the Town Counsel by your Board and the other Departments of the Town and I have endeavored to give them proper and careful attention. Opinions in most cases have been rendered in writing and your Board has adopted a system whereby these opinions are being filed in book form; which system if followed by future Town Counsels should prove of assistance in the determination of various questions arising in the future. The Town Counsel has drawn up and your Board has had printed a number of standard forms, among them a form covering ordinary contracts with the Town, permits to occupy streets, to lay water pipes, sewer, drains, water bonds, and a standard form for the reporting of accidents by the Police, Public Works Department and other Town Departments.

The Town Counsel has attended the meetings of your Board and has endeavored to assist you when requested in various matters, among them conferences with the Public Works Department and the drawing up and having accepted traffic regulations, covering especially Main Street as a Through Street. Considerable time was spent in obtaining signatures and assisting the Selectmen and Public Works Department in putting through the necessary documents for the Whipple Avenue Drain, in matters relating to Soldiers' Relief and Public Welfare, in the drawing of legal documents and various other matters.

As Town Counsel I have attended public hearings whenever requested to do so by your Board.

It has been my endeavor to properly and faithfully carry out my duties as Town Counsel. I assumed my duties some four months after the retirement of H. H. Richardson, Esq., Town Counsel for many years. The Town's acknowledgment of his ability is a matter of record. I express to him my appreciation for his co-operation with me in legal matters and also to my predecessor James J. McDonald, Esq.

I have been assisted in my work as Town Counsel by the courtesy shown me by your Board and by the assistance of the Town Clerk, Charles A. Owen, and by all the officials with whom I have come in contact.

Respectfully submitted,

LUTHER HILL,
Town Counsel.

POLICE DEPARTMENT

The report of Captain Sumner H. Green is appended herewith. We would especially call attention to that part of the report which deals with traffic on Main Street. The force now consists of a Captain, a Sergeant and nine Patrolmen.

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen:

I submit the following report of the Police Department for the year ending December 31st, 1930.

The regular members of the department are Captain Sumner H. Green, Sergeant John G. O'Brien, Patrolmen Dennis L. McKinnon, George E. Johnson, John C. Nelson, Peter F. O'Toole, William H. O'Toole, Thomas J. Flynn, Andrew J. Tuney, John P. Judge and Robert H. Bradley.

Sale and Exchange of Motor Cars Recorded ...	393
Summonses Served for Other Officers	148
Conveyed to Hospitals	30

The past year has been a busy one for this department on account of traffic conditions connected with the construction of your Main Street and the State Highway.

We have been called to numerous serious accidents on these roads while under construction and since they have been completed.

Since the Fells road has been opened again a larger amount of traffic is traveling through our Town, as a result of good roads traffic has speeded up a great deal faster, making our highways more dangerous for pedestrians. Through the year in trying to cross Main Steet two fatal accidents have occurred, others that received serious injuries were conveyed to hospitals. I would recommend the installation of Traffic Lights along Main Street as soon as possible.

On April 19th motorcycle officer Dennis L. McKinnon was seriously injured while riding on Elm Street and unable to return for duty until Sept. 2nd.

May 7th officer Peter F. O'Toole while directing traffic in Central Square was injured and unable to perform duty until May 18th.

The future is going to add a larger amount of traffic on our streets as a result of good roads, we should provide some means of safety for the protection on the most dangerous crossings.

We have endeavored to keep watch for violators of liquor laws, and where proper evidence could be obtained prosecutions have been made.

In submitting my report I wish to thank Your Honorable Board for the advice and co-operation given in the performance of my duties the past year, I also wish to thank the officers for their faithful services to the department and the many citizens who have assisted us.

Respectfully submitted,

SUMNER H. GREEN,

Captain of Police and Lockup Keeper.

FIRE DEPARTMENT

We feel that our Fire Department is a very efficient organization and that much credit is due the personnel of the Department for the efficient manner in which their duties are performed. The report of the Engineers follows:

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen:

The Engineers of the Fire Department respectfully submit the following report for the year 1930.

There have been 280 alarms of fire, as follows: 177 bell alarms and 103 still alarms.

Value of property endangered	\$462,500.00
Amount of insurance carried	384,300.00
Estimated loss	38,441.00
Insurance Paid	29,300.00
Net Loss	9,141.00

There have been used at fires 40,200 ft. of hose, 933 ft. of ladders and 3,185 gals. of Chemical.

The fire apparatus consists of

- 1 Seagraves pump and hose truck
- 1 Seagraves City Service ladder truck
- 1 Reo Combination hose and Chemical truck
- 1 Ford fire alarm truck
- 1 Buick coupe Chief's car
- 1 Seagraves Combination hose and Chemical truck

This latter piece is very old and we again urgently recommend its replacement with a modern pumper.

The department has about 6,000 feet of 2½-inch hose in good condition.

The fire alarm system is in first class condition and by continuing the policy of replacing of old boxes we hope to keep it so.

We have, during the past year, added several items of modern equipment to our list, among them are 2 Fire Freez extinguishers, an up-to-date First Aid Kit and a rescue harness.

We wish to thank the Honorable Board of Selectmen for its co-operation and encouragement and also the Police Department for its aid at fires.

We wish also to commend the officers and men of the Fire Department for their efficient performance of their duty and their willingness to help at all times.

Fire Department Expenditures for Year 1930

Pay of Permanent Force	\$15,184.00
Pay of Call Men, Eng. 1	1,230.00
Pay of Call Men, Comb. A	1,230.00
Pay of Call Men, Ladder 1	1,230.00

Replacement of Boxes	785.00
Replacement of Tires	328.10
General Maintenance	679.04
Balance	19.87

\$24,200.00

Respectfully submitted,

WM. F. McCALL

FRED L. NEWHALL

Board of Fire Engineers.

BUILDINGS AND WIRES DEPARTMENT

Mr. Charles Baldwin has continued in his capacity as Inspector of Buildings and Wires and has also been made Custodian of the buildings owned by the Town on Emerson, Central and Tidd Streets. We feel that Mr. Baldwin is a very capable and efficient officer. His report follows:

REPORT OF BUILDING INSPECTOR

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit my report as Building Inspector for the year as follows:

The number of permits issued was smaller than in 1928 and 1929 but the houses that were built were erected by home owners and are so occupied, making a very healthy growth.

All permits issued have been used with three exceptions.

1 Dwelling, estimated cost of	\$5,000.00
1 Alteration, estimated cost of	500.00
1 Garage, estimated cost of	290.00

Permits Issued	153
Dwellings	28
Alterations and Additions	41
Garages	47
School House	1
All Others	36

Total153

Estimated Value\$285,005.00

I have collected and paid to the Treasurer \$395.50

CHARLES BALDWIN,
Building Inspector.

REPORT OF WIRE INSPECTOR

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit my report as Wire Inspector for the year as follows:

Number of permits granted	190
Amount collected	\$159.50
Amount paid to the Town Treasurer	\$159.50

Respectfully submitted,
CHARLES BALDWIN,
Wire Inspector.

REPORT OF CUSTODIAN OF BUILDINGS

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit my report as Custodian of Town Property for nine months ending December 31, as follows:

All rented property needs attention and repairs to keep it occupied, 33% of the money appropriated this year is used for heat and water after making necessary repairs, I have turned a balance back to the Town.

All the property that is in condition to rent is occupied at the present time, three tenements having been rented since January 1. It is my opinion the two empty houses should be repaired and rented.

The amount collected for rent for the year is\$3,032.00

CHARLES BALDWIN,
Custodian.

WEIGHTS AND MEASURES

Mr. J. Algernon Forbes, Sealer of Weights and Measures, submits his report as follows:

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen,
Gentlemen:

The report of the Department of Weights and Measures for the year ending December 31, 1930, is as follows:

Work for the past year has gone on very smoothly and the weighing and measuring devices in the town are in surprisingly good condition. There have been only two complaints of short measure which have been satisfactorily adjusted to all parties concerned.

Your Sealer recommends strongly that the Town Scales on Pine Street be covered. This is too expensive a piece of property to be left open to the weather, and the expense will be more than paid in length of service of the scale.

Fees to the amount of \$61.00 have been collected and turned over to the Town Treasurer, whose receipt I hold.

A summary of the work of the department follows:

Summary of Work During Year

	Adjusted	Sealed	Non-Sealed	Con-demned
Scale-Platform over 5000 lbs.	2	5		
Scale-Platform 100 to 5000 lbs.	5	15		
Scale Counter under 100 lbs.	5	23	1	
Scale Beam 100 lbs. or over		3		
Scale Spring under 100 lbs.	10	34		1
Scale Computing under 100 lbs.	7	33		
Scale Personal Weighing		2		
Weights Avoirdupois	1	191		
Measures Liquid (including oil jars)....		251		1
Measures Dry		2		
Gasoline Measuring Pumps	1	34	1	
Gasoline Measuring Meters	1	7		
Oil Measuring Pumps		44		
Quantity Measure on Pumps	3	239		
Leather Measuring Devices		1		
Yard Sticks		15		
Cloth Measuring Devices		1		
Totals	35	900	2	2

Respectfully submitted,

J. ALGERNON FORBES,
Sealer of Weights and Measures.

INSPECTOR OF ANIMALS

Mr. William H. Rolfe has continued in the position of Inspector of Animals and has fulfilled his duties in a satisfactory manner. Following is the report:

REPORT OF THE INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen
Stoneham, Mass.

Gentlemen:

I wish at this time to submit my report as Inspector of Animals for the year ending December 31, 1930. I have cooperated with the State Board of Animal Industry in every way. On request of the State Board an examination was made of all cattle, sheep and swine, etc., and also the buildings and quarters they are kept in.

Several suggestions were made and I received the co-operation of the owners in regards to drainage, light and cleanliness, etc.

Where animals were found to be affected with a contagious disease, they were placed under quarantine and removed by the agent of Division of Animal Industry to be destroyed, and premises were disinfected. In some instances new floors and mangers were installed at the expense of the owners.

Three cases of rabies were reported in Town, the heads of the animals were sent in for examination and on the small animal inoculation showed to be positive. All dogs that were known to have been in contact with these dogs were restrained under observation until released by the Director. A large number of dog bites were reported and the dogs were placed under quarantine and were not released until I was ordered to do so by the Division of Animal Industry.

Yours very truly,

WILLIAM H. ROLFE,
Inspector of Animals.

PUBLIC WORKS DEPARTMENT

We take pleasure in submitting to the citizens the detailed report of Superintendent C. J. Sweeney for the past year:

REPORT OF SUPERINTENDENT OF PUBLIC WORKS

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit my annual report as Superintendent of Public Works, for the year ending December 31, 1930.

Highways, Catch Basins, Drains, etc.

In the spring all streets were cleaned of the winter's accumulation of debris, ruts filled in, holes patched, and a coat of tar or oil spread on the surface. The usual amount of patching was necessary to maintain them throughout the year.

Each catch basin in the town was cleaned out twice during the year. New drains were laid on West St., Wilson Rd., Cottage St., Central St., Perkins St., Collincote St., Summer St., and Wright St. In addition several drains which had ceased to function were relaid and minor drainage problems affecting property owners were adjusted satisfactorily by the installation of catch basins. During the period of road repair 4513 loads of gravel were taken from the town pit on Whipple Ave.

Water Department

The number of breaks in service pipes and in main pipes were of the same proportion as the preceding year and were attended

to promptly by the Department. Special attention was given this year to the condition of meters, keeping them in repair and operating accurately. In fairness to both the water consumers and the Town, the meters will henceforth be read quarterly instead of semi-annually. Excessive use of water will thus be brought more quickly to the attention of the users and defects in the meters to the attention of the Water Department.

New water mains were constructed as follows:

Six-inch cast iron water pipe totaling 2422 ft. was laid on the following streets—Royal St., Westcott Rd., Central St., Main St., Katherine Rd., Middlesex Rd., and Spring Lane.

Two-inch lead lined mains were laid, 346 ft. on Elm St., and Main St.

Thirty-eight new house connections were made; also numerous service repairs.

Upon the recommendation of the Fire Department five new hydrants were installed and nine new hydrants replaced a like number which were worn out.

Sewer Department

All main sewers were cleaned out several times during the year, removing roots and other foreign matter. Thirty-two house connections were installed during the year. The Katherine Rd. sewer proved to be a difficult job due to the nature of the ledge encountered. The work was completed late in the fall and most of the houses in that section are now connected.

Street Signs and Railings

Forty-eight new street signs were set in place in addition to the stop and parking signs placed on Main St. All street railings were painted in the Spring and defective railings put in proper condition.

Snow and Ice

Snow and ice received the same degree of attention as heretofore and the Department endeavored to give satisfactory service to all portions of the town. Two new plows, 2500 ft. of snow fence and 310 steel posts were added to the departmental equipment.

Main Street

Special attention was given to the work of preparing Main St. for resurfacing. To prevent possible tearing up of the street in the near future all water services were relaid to the property lines—3170 ft. of pipe and 863 fittings were used in this work. Water gates both on main lines and service lines were reset to conform to the new grade. The work was carefully supervised and no immediate difficulties should be encountered on this street.

Sidewalks

All new concrete walks which were authorized and the greater proportion of concrete repair work were done under contract. Many of the gravel sidewalks were covered with stone dust, the expense being borne by the Highway Department.

Office

Office equipment was purchased in the Spring and records are now being kept of all matters connected with the Public Works. An accurate location of every main water gate in the Town has been compiled in triplicate and one volume placed in the Fire Station vault. These records are of immeasurable value to the Town.

Accurate plans and data are also being made of every house connection and when completed will increase the efficiency of the Water Dept.

Special Articles

All the special articles in the Town Warrant which were authorized have been satisfactorily completed. These include the construction of streets which were unfinished last year, Sunset Rd., the Whipple Ave. drain, Oak St. bridge, Main St. gravel sidewalk, the Fuller St. granolithic sidewalk, the setting of edgestones were authorized and the cleaning of Meeting House Swamp ditch.

Unemployment

The Department has co-operated to the fullest extent with the Unemployment Committee, giving work at various intervals to 98 men. It was no easy task to divide the work equally, but the Department sought to be fair at all times.

In conclusion, permit me to say that the relations between your Honorable Board and the Public Works Department have been most pleasant, and I wish to thank you for your assistance throughout the year.

Respectfully yours,

CORNELIUS J. SWEENEY,

Superintendent of Public Works.

Respectfully submitted,

WILLIAM S. LISTER

GEORGE R. BARNSTEAD

LEANDER V. COLAHAN

Selectmen.

REPORT OF THE PUBLIC LIBRARY TRUSTEES

To the Citizens of Stoneham:

The place left vacant by the resignation of Mrs. Margaret W. Emerson, Assistant Librarian for Children was filled on January 4th by the appointment of Miss Marian W. Callanan who has served in branch libraries and in the central library of Boston. Miss H. Elizabeth Symonds who has had experience in the Reading Public Library was appointed an assistant on Nov. 16, 1929.

The attention of the Trustees together with that of other members of the Library Building Comimittee has been devoted to consideration of plans for the addition to the library building made possible by the bequest of the late Annie H. Brown.

After some delay, due to clearing the title, the Stone estate adjoining the library on the south has become the property of the Town at a cost of \$10,000, in accordance with the vote of the Town at the last annual Town Meeting. This affords the area required for the extension of the building.

The work of reconstruction makes it necessary to remove the books and shelves to another place for a period of several months. The Trustees have this matter under consideration.

With the exception of the time required for moving and getting in order, the library service will continue. During this period of transition, extra care will devolve upon the library staff and there will be some inconvenience to the citizens.

The report of the Librarian which follows shows the service rendered to the Town during the year.

The Trustees recommend the appropriation of \$8,000 to carry on the work of the Library for the year 1931.

Respectfully submitted,

CHARLES H. CHASE

CORA E. DIKE

GEORGE A. HINCHCLIFFE

CHARLENA T. LAMSON

GEORGE A. PACKARD

HERBERT H. RICHARDSON

Trustees of the Public Library.

REPORT OF LIBRARIAN

To the Trustees of the Stoneham Public Library,

I submit the Librarian's report for the year ending December 31, 1930.

The year of 1930 has been an historical anniversary year throughout Massachusetts and it may be of interest to note that the Stoneham Public Library is one of the oldest in the State, having been founded in 1859.

The present building was erected in 1903 through the assistance of Andrew Carnegie. By the recent bequest of Miss Annie H. Brown, the library is looking forward to additions and alterations in the present building, which will facilitate the service in meeting the present needs of the children and adult patrons of the library.

The past year of 1930 has been the busiest year in the history of the Public Library. There have been 810 new registrations, making a total registration of 3971.

The circulation has increased 3488 in 1930 over 1929.

Besides the circulation of books the library gives reference service and borrows non-fiction books from many other libraries, both public and private. It borrows books in foreign languages from the State Library Commission.

BOOK WEEK

"Book Week," November sixteenth to twenty-second, was observed this year in the Public Library by a display of children's new books. Some artistic posters were made and loaned by stu-

dents in the High School under the direction of Miss Eleanor Bardwell, art teacher.

On Tuesday, November eighteenth, at the invitation of the Public Library, Mr. John Cronin of the Boston Public Library staff told stories in the Junior High School. The children showed their appreciation by calling for these stories afterward at the Public Library.

On Saturday morning November twenty-second, a puppet show was held at the Public Library for the children in the third and fourth grades. The stage and puppets were made and Mother Goose rhymes enacted by Junior High School pupils under the direction of Mr. Walter C. Flagg, art teacher. The Children's Librarian, Miss Callanan told the story of "Pinocchio, Adventures of a Marionette," with illustrations of puppet scenes. The story hour was attended by two hundred children.

CERTIFICATE READING

In co-operation with the schools, the reading for the State Certificates was continued throughout the year. There were 295 Certificates awarded for reading five books, and nineteen Honor Certificates awarded for reading twenty books.

GIFTS TO THE PUBLIC LIBRARY

Besides books and pamphlet material received from the Commonwealth, various organizations and commercial houses, gifts of books, magazines, pictures and plants have been received from the following persons: Pearl C. Bell, Daisy Centz, Harold Currier, Harry Hill, Walter Houston, Margaret Howie, Herbert Johnson, Mary Meegan, Grace Rowe, Helen Stevens and Edwin J. Whittemore.

STAFF

Martha A. Jackson, Librarian; H. Elizabeth Symonds, Assistant Librarian; Marian Callanan, Children's Librarian; Marjorie Markham, Phyllis Watts and Phyllis Piper, High School Student Assistants.

Mrs. Margaret Emerson resigned as Children's Librarian in Dec. 1929 and Miss Marian Callanan was appointed to the position in Jan., 1930.

REPORT OF THE BOARD OF PUBLIC WELFARE

To the Citizens of Stoneham:

The Board of Public Welfare submits its Annual Report for the year ending Dec. 31, 1930.

The Board organized with Sidney A. Hill, Chairman; Wilder C. Moulton, Clerk; Charles H. Carr, Secretary.

The following appointments were made: Dr. James Blenkhorn, Town Physician; William H. Rolfe, Superintendent of Town Infirmary; Mrs. Gertrude Rolfe, Matron of Town Infirmary.

In July, the Chairman, Sidney A. Hill, was taken sick and passed away on July 20. Mr. Hill had served on the Board for over sixteen years, the most of the time as Chairman. On August 19th, the Board met with the Selectmen and elected Horace I. Newcomb to fill the vacancy. The Board reorganized with Wilder C. Moulton, Chairman; Horace I. Newcomb, Clerk; Charles H. Carr, Secretary.

In the seven years that Mr. and Mrs. Rolfe have had the management of the Home everything has been harmonious between them and the Board. Conditions have improved from year to year and now we have a home which is an honor to the Town.

During the year we have added a dispensary and have received quite a large donation of medicines, etc., from the Dr. Hipkiss estate, so that we have been able to better care for our sick and chronic cases, having two chronic bed patients at this time.

The inmates are very happy and have nothing but praise for the care and attention which they receive.

The clergymen have held Sunday services and there have been a great many visitors, especially during the holidays, and quite a good many donations from individuals and societies. The singing of Christmas carols by the school children was enjoyed very much by the people at the home.

\$1,800 has been spent in building a chimney, shingling the house and making other repairs to the buildings. The buildings are now in good condition except that painting of the exterior is needed. This we hope to be able to do in the coming year.

Crops have been good, but owing to the low prices of produce we have not realized as much for them as last year. Vegetables and fruits were canned in quite a large quantity.

Nineteen persons have been cared for during the year, with ten at the present time. There have been five deaths. The average age of those cared for at the Infirmary is 73¼ years.

The Board made its annual inventory of the town property at the Infirmary and valued the property at \$39,307.88.

The number of unemployed people in the town has caused a

large increase in calls for temporary aid. We have aided all worthy cases that have come before us, consequently have been obliged to over-run our appropriation a little.

The New England Sanitarium has handled quite a number of emergency cases free of charge.

A large number of baskets and supplies have been given to worthy families by citizens of the town, churches and other societies. The Board wishes to extend its thanks and good wishes to all who have contributed to help the unfortunate in any way.

Respectfully submitted,

WILDER C. MOULTON

CHARLES H. CARR

HORACE I. NEWCOMB

Board of Public Welfare.

REPORT OF BOARD OF APPEAL

The Honorable Board of Selectmen,

Town of Stoneham, Mass.

Gentlemen:

The Board of Appeal, Zoning By-Law, submits the following summary of its work during 1930; that being the sixth year of the operation of the Zoning By-Law.

Organization and Membership

On January 1, 1930, the Board was constituted as follows:

Chairman, James J. McDonald.

Regular Members, Charles F. Buck, Joseph Butler, Edward M. Noonan, William F. Hunt, Clerk.

Associate Members, Chester A. Richardson, Thomas E. Cahill.

Chairman McDonald resigned as a Board member during January to accept the office of Town Counsel of Stoneham.

Associate member Thomas E. Cahill was appointed as a regular member by the Selectmen to fill the vacancy so caused.

Member Noonan was chosen by this Board as permanent Chairman, on February 19, 1930.

Regular Member Charles F. Buck's term of office expired on May 1, 1930, and he declined reappointment.

This Board wishes to record its great regret at losing the services of Mr. Buck as a regular member. He had served from the first organization and was a most valued member. He was, however, appointed by the Selectmen as an Associate Member and has since served in that capacity when needed.

Associate Member Richardson was appointed by the Selectmen as a Regular Member for a 3 year term, beginning May 1, 1930.

Member Cahill was reappointed by your Board on May 1, 1930, as a Regular Member for a 3 year term.

The Board reorganized at its meeting of May 21, 1930; this being its first meeting after the new appointments made by your Board.

Member Noonan was chosen as Chairman, and Member Hunt, as Clerk; the period of such service, of each, to be to May 1, 1931.

Mr. Axel H. Erlandson was appointed by your Board as a full-time Associate Member and served at several hearings in that capacity.

Messrs. Robert A. Newcomb, Hugh Hamill, Parker G. Webber, Henry P. McLaughlin were appointed by your Board on August 12,

1930, as Temporary Associate Members, and Messrs. Newcomb and Hamill were called on to serve in that capacity; all of such associate memberships being found necessary to cover unavoidable absences on the part of regular members.

Member Richardson served by vote of Board as Temporary Chairman in any absence of Chairman Noonan.

Duties and Procedure

These have not changed in any important respect. The methods of operation continue practically as outlined in detail by our report for 1928.

It has been found wise to insist on a more careful and complete preparation of an Appealed Case by each petitioner, and the Board took the following official action in order to bring about this improvement.

Regulation Adopted

At an executive meeting on May 21, 1930, acting under the authority of Article II, Section 3, it was voted, viz.,

Ordered: "That the Applicants for Public Hearings shall submit with their appeal such plans and building data as may be asked for in each case by the Clerk of the Board of Appeal."

General

The Board has caused to be prepared and finished for its use a large map showing by distinctive color arrangements the several Zoned Districts of the Town. This map shows all changes in districts up to this date and is available for your information and use.

The Board wishes to recommend that the official Town Zoning Map be corrected to date, so that if need arises for its presentation in court, it may correspond in every particular with the re-printing of the Zoning By-Law which has recently been done.

We would recommend, also, that the small lithographed map which was first published with the By-Law be re-drafted to show all of the Town Streets and all of the zoned districts as amended.

Statistics

During 1930 this Board's work may be summarized as follows, viz.:

Appealed Cases

Total number filed—20

Public Hearings, advertised and held—20

Appeals granted—8

Appeals refused—11

Appeals withdrawn—1

The eight appeals granted are thus classified, viz.:

Construction within the 15' set-back areas—2

Non-conforming structure or business—2

Construction within the 10' set-back areas—3

Enlargement of existing non-conforming structure or
business—1

Special Reports

As required by Article I, Section 14, of the By-Law, this Board, through one of its members, authorized by the Board as its agent, has made thirty-six (36) investigations and filed a triplicate form report on each one.

Summary for 1925-1930 Inclusive

BOARD OF HEALTH REPORT

To the Citizens of Stoneham:

302 cases of contagious diseases were reported to our board during the year 1930. Measles 122, Mumps 49, Whooping Cough 40, Dog Bite 39, but no fatalities resulted therefrom.

January 4, a small unlicensed dog bit 22 people, he was shot and an examination of his head showed that he had rabies. The Health Officer and Mr. Rolfe, Dog Officer, rounded up 11 persons who had not reported to physicians for treatment. These cases cost the Town for Anti-Rabic Serum and treatment, \$519.00. Notwithstanding this costly experience 17 additional cases of dog bite were reported during the year.

The Dental Clinic under Paul R. Cyphert, D.D.S., assisted by Miss Angela Conlan, Board of Health Nurse, has met the expectations of the board. A Pre-School Clinic for children 1 to 5 years old was held in the Dean School from June 23 to July 10.

Number of visits	73
Number of cement fillings	155
Number of extractions	19
Number of Prophylaxis cleanings	8
Number of silver nitrate	4
Number of completed	25
Number of referred to Forsyth	2

Dr. Cyphert's paper on "Care of The Teeth" has been commended by the State Department of Health and others.

Mrs. Mary T. Perry, resigned as Board of Health Nurse April 18, to take effect May 1. Her resignation was accepted.

Miss Angela Conlan, R. N., was appointed Board of Health Nurse, services beginning May 1.

September 23, Doctors Hersam and Kerrigan Schick Tested 130 children in the Armory.

September 30, October 7, October 14, Doctors Hersam and Kerrigan, assisted by Public School Nurse Miss Franchere and Board of Health Nurse Miss Conlan, gave 203 children Diphtheria Immunization.

October 22, Dr. Hersam and Miss Franchere finished diphtheria immunization for the year 1930.

Five settlement cases have been investigated for our Board, and all but one with advantage to our town.

November 10, Geo. A. Hinchcliffe was ordered to Choate Memorial Hospital for a serious operation. Mr. Lawrence E. Doucett took care of his office and duties until his return from the hospital.

For other activities see reports:—Health Officer, Milk Inspector, Agent, Plumbing Inspector, Board of Health Nurse and Dentist.

Respectfully submitted,

JOSEPH H. KERRIGAN, M.D.

GEO. A. HINCHCLIFFE

LAWRENCE E. DOUCETT

Board of Health

Report of Health Officer

Board of Health

Stoneham, Mass.

Gentlemen:

I herewith submit my report as Health Officer for the year ending December 31, 1930:

Complaints adjusted and investigated	43
Complaints—Garbage	67
Complaints—Ashes	8
Complaints—Cesspools	17
Complaints—Dog Bite	39
Complaints—Dead dogs and cats	7
Settlement Cases investigated, Selectmen	5
Settlement Cases investigated, Board of Public Welfare	1
Alcohol Licenses	17
Bottling Licenses	2
Manicure License	1
Septic Tank Permits	8
Barber Shop Inspections	7
Bakery Inspections	4
Dump Inspections	20
Cultures and trips to State House	75

The carelessness of owners of a small unlicensed dog was responsible for the biting of 22 persons January 4, 1930, and it took a week of my time and Dog Officer Rolfe's rounding up victims of this dog's bites who had rabies, with a minimum cost of \$519.00, yet with this costly experience before us, 17 other cases of dog bite were reported during the remainder of the year.

5 settlement cases were investigated for the Board of Health, all but one saved the town money.

In May, I arranged with Supt. of Schools Varney for use of our dental quarters in the Dean School to July 9 to conduct a pre-school clinic for children from 1 to 5 years of age, the best time to save their teeth.

T. B. Settlement Cases

Eileen Hansell was admitted to North Reading State Sanatorium, Jan. 2, 1930. Stoneham.

George S. Laymen, has been in Lakeville State Sanatorium since Aug. 17, 1928. Stoneham.

Mrs. Eva Johnson, Rutland State Sanatorium, Jan. 28, 1930. Discharged July 16, 1930. Stoneham.

John W. Brundage, Rutland State Sanatorium, June 3, 1930. Stoneham.

Irving Harvey, Rutland State Sanatorium, Aug. 22, 1930. (Settlement, The Commonwealth).

Edward McKenna, North Reading State Sanatorium, Aug. 19, 1930. (Settlement, Lynn).

Gertrude Tuff, Rutland State Sanatorium, Dec. 22, 1930. Stoneham.

November 10, I was taken to Choate Memorial Hospital for two operations. Mr. L. E. Doucett attended to the duties of Health Officer until my return.

Respectfully submitted,

GEO. A. HINCHCLIFFE,
Health Officer.

Milk Inspector's Report

The condition of local dairies showed them to be well up to the standard in cleanliness and efficiency. Milk bought from them is at least 24 hours fresher than some of the out-of-town companies. 10 samples of milk have been taken each month and the results of the analyses have been uniformly good.

Receipts from all sources were \$98.50. Inspector's salary \$100.00. Cost for service to the Town, \$1.50.

GEO. A. HINCHCLIFFE,
Milk Inspector.

Report of the Agent of the Board of Health

To the Board of Health.

Gentlemen:

I herewith submit my report for the year ending December 31, 1930:

Contagious diseases reported:

Chicken pox	17
Diphtheria	10
German Measles	4
Pneumonia (Lobar)	4
Measles	122
Mumps	49
Scarlet Fever	10

May	9	10	19
June	2	6	8
July	9	8	17
August	7	6	13
September	6	5	11
October	6	2	8
November	6	11	17
December	4	8	12
Totals	81	87	168

Burial permits issued	131
Permits for transportation of bodies	4
Removal permits issued	0
Death occurring elsewhere and recorded in Stoneham	40
Plumbing permits issued	66

Respectfully submitted,
CHARLES A. OWEN,
Agent.

Report of Plumbing Inspector

To the Board of Health, Stoneham.

Gentlemen:

I herewith submit my annual report for the year ending Dec. 31, 1930:

The number of permits granted	71
Number of fixtures installed	457
Divided as follows:	
Bath tubs	65
Lavatories	85
Closets	95
Sinks	72
Wash Trays	79

Urinals	9
Drinking fountains	3
Showers	1
Boiler	48

I have made 193 inspections.

Respectfully submitted,

DAVID TAGGART,

Inspector of Plumbing.

REPORT OF THE BOARD OF HEALTH NURSE

Board of Health,

Stoneham, Mass.

Gentlemen:

I herewith submit the following report of my work as Board of Health Nurse from May 1, 1930 to December 31, inclusive.

I have been in attendance each day during school sessions.

School Work:

Classroom health talks, individual and classroom inspection daily.

Children examined by Dr. Kerrigan	435
Children weighed and measured	435
Children excluded from school	72
Children referred to physicians or clinics	76
First-Aid treatments	198
Sight and Hearing Tests	435

Home Work:

Visits	39
Parent Consultations	54
Social Investigations	57

Physical Defects:

Pupils having defects	239
Notices sent to parents	127

Communicable Diseases:

Impetigo	23
Mumps	7
Whooping Cough	10
Pneumonia	1
Diphtheria	1
Measles	6

Dental Clinic:

Clerical Work and Assistance to Dentist

Operations	2836
Patients	709

Completions	330
Parochial Patients	171
Parochial Completions	71
Public Patients	482
Public Completions	123

Pre-School Dental Clinic, June 23-July 10, 1930:

Total number of visits	73
Total number of completions	25
Total number of Operations	242

A dental health examination was held during the month of September, soliciting the co-operation of parents concerning the teeth and mouth hygiene of their children. The pupils in the first three grades inclusive of all schools were examined. Notices were sent home in regard to the condition of teeth, mouth hygiene and dental work required, also circulars on the "Care of Teeth." The Dental Clinic operates Monday, Thursday and Friday at the Dean School.

Dietary:

W. T. Fallon & Son, of Stoneham, has been engaged to furnish the necessary amount of milk needed in the Parochial School. This milk is sold at a minimum price and 128½ pints are consumed daily. Through the courtesy of the Rotary Club 7½ pints are received daily. A very grateful and generous donation of 10½ pints daily is being received through the courtesy of the Knights of Columbus. Loose-Wiles Biscuit Co. of Boston, furnish crackers and plain and unsweetened cookies, which are sold at cost price and served to the children with milk at 10 A.M. This small luncheon during the tedious hours of schooling is very wholesome and nutritious to the child. It has proved most beneficial to the physical growth and mental attainments of the child and has aided in many respects.

Diphtheria Immunization and Schick Clinic:

Children Schicked	69
Re-Schicked	8
Children receiving Toxin-Antitoxin	73

State Tuberculosis Clinic:

Re-X-rayed	3
Re-examined	3
Tuberculosis Follow-Ups	6

For the invaluable co-operation and spirit of helpfulness received through pupils, parents, teachers, schools and Board of Health, I wish to express my sincere thanks and appreciation.

Respectfully submitted,

ANGELA F. CONLAN, R.N.,

Board of Health Nurse.

DENTAL CLINIC REPORT FOR APRIL 1930

Public Schools

Total number of patients	67
Amalgam fillings	18
Cement fillings	92
Extractions	56
Zinc oxide fillings	6
Prophylaxis	17
Completed	31
Syn. Porcelain	1
	<hr/>
	288

Parochial Schools

Total number of patients	28
Amalgam fillings	10
Cement fillings	24
Extractions	24
Zinc oxide fillings	6
Prophylaxis	6
Completed	10
	<hr/>
	108
Total number of patients for all schools	95
Total number of operations for all schools	395

PAUL CYPHERT,
Board of Health Dentist.

The above monthly report shows the character and quantity of work of our dentist for the year 1930.

GEO. A. HINCHCLIFFE, Sec'y,
Board of Health.

THE CHARLES J. EMERSON SCHOOL

ANNUAL REPORT
OF THE
PUBLIC SCHOOLS
OF THE
TOWN OF STONEHAM
1930

A DEMOCRACY OPERATES FREE PUBLIC SCHOOLS AND PASSES COMPULSORY ATTENDANCE LAWS, NOT THROUGH A SENSE OF CHARITY BUT BECAUSE IT REALIZES THAT EDUCATION IS THE ONLY MEANS IT HAS OF PERPETUATING ITSELF AND PROMOTING ITS OWN INTERESTS.

SCHOOL COMMITTEE

James Alfred Patch, Chairman, 47 Lindenwood Road
Term expires 1933

Mabel N. Anderson, 50 High Street
Term expires 1933

C. Frank Munger, 114 Central Street
Term expires 1932

Bernard M. Scully, 12 Flint Avenue
Term expires 1931

Nellie R. Storey, 269 Main Street
Term expires 1931

Regular meetings are held at the High School at 8 P.M., on the second Monday of each month.

SUPERINTENDENT OF SCHOOLS AND SECRETARY OF SCHOOL COMMITTEE

Charles E. Varney, 28 Lincoln St., Telephone 1052

Office at High School, Telephone—0646

The superintendent may be seen by appointment
at your convenience.

SECRETARY TO SUPERINTENDENT

Lydia N. Bagdikian, 59 Elm St., Telephone 0833-M

Office Hours:

School Days—8-5.

Saturdays—9-12.

School Vacations—9-12; 1-4.

- 1931 Winter Term, January 5 to February 20.
Spring Term, March 2 to April 24.
Summer Term, May 4 to June 19
Fall Term, September 9 to December 22.
High School graduation, June 12.
Schools closed April 20, June 17, October 12, November 11,
November 24 afternoon, November 25, 26, 27.
- 1932 Winter Term, January 4 to February 19.
Spring Term, February 29 to April 22.
Summer Term, May 2 to June 24.
Fall Term, September 7 to December 22.
High School graduation, June 17
Schools closed April 19, Good Friday, May 30, June 17,
October 12, November 11, November 22 afternoon, 23,
24, 25, December 22 close at noon.

The state law requires the High School to be open 180 days. The closing date must be made later than stated above if days are lost during the year for inclement weather or other causes so as to bring the total number of days at the closing date less than 180.

HOURS OF SCHOOL

Elementary Schools:

Sub-Primary. Morning Group 8.45-11. Afternoon Group 1.15-3.15.

Grades 4-5-6. 8.30-11.30; 1.15-3.45. Teachers may dismiss at 3.15.

Junior High School:

Grades 7-8-9. 8.10-11.30; 12.45-2.15.

Senior High School:

Grades 10-11-12. 8.10-1.25. 3-4 if required by teacher.

NO SCHOOL SIGNAL

22 on fire alarm.

No morning session. All grades 7.15 a.m.

Grades I to IV inclusive, 7.45 a.m.

Grades I to IX inclusive, 7.30 a.m.

No afternoon session, Grades I to IV inclusive, 12 noon.

Grades I to IX inclusive, 12.15 p.m.

REPORT OF THE SCHOOL COMMITTEE

At a meeting of the School Committee, January 12, 1930, it was voted to approve the report of the Superintendent of Schools and to submit it to the town as the report of the School Committee.

JAMES A. PATCH, Chairman
MABEL N. ANDERSON
NELLIE R. STOREY
C. FRANK MUNGER
BERNARD M. SCULLY

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of Stoneham, Massachusetts.

Ladies and Gentlemen:

I herewith submit my second annual report as Superintendent of Schools of the town of Stoneham. It is the fortieth in the series of such reports.

Our school system aims to give every pupil opportunity to secure the best education of which he is capable. It is for this reason that we divide our grades into ability groups and adjust the work to fit the needs of each group. We then divide the classroom groups into such smaller units as may be necessary to further individualize the work. The smaller groups vary not only from subject to subject but often from day to day.

In our intermediate grades we now designate the groups by room numbers instead of calling them the A, B, and C divisions. Under this plan no child should feel that he is in a low division. Parents should and generally do welcome this plan because they realize it offers the best means for real educational growth. Our teachers are asked to keep simple records which show the individual weaknesses of their pupils. They must be able to say not only that a pupil is weak in a subject but also in what particular point he is weak. For example, if a pupil is weak in solving problems, is his weakness in reading, or in reasoning, or in computation? Having diagnosed the weakness, the teacher knows at what point to begin her corrective work. We thus save much time for the pupil.

After a careful study of the reading of our primary grades, and also of several of the basal reading systems, our primary teachers unanimously selected The New Path to Reading by Miss Anna D. Cordts as being the best fitted to meet our pupils' needs. This system has a reasonable amount of phonetic work based upon a study of whole words. The chart and seat work as well as the

text books are interesting to the children. The good work being done by the first grade reading classes this fall leads us to believe that we have chosen wisely.

Realizing that reading ability is necessary for success in securing an education, we are making a careful study of all pupils who are backward in reading. Most of the corrective work is being done by the classroom teacher, but we have selected seven third grade pupils for special help by Miss Smith. These pupils meet for half-hour periods four times a week. Already marked improvement is seen in these pupils. As soon as we have a pupil who can read well for his grade, we shall drop him from this group and take on some other pupil. By this method we hope to aid many pupils during the year.

In one of the upper grades Miss Smith has several pupils with great reading difficulties come to her daily for individual aid. It is surprising how they have improved. Our object in having Miss Smith do this remedial work is to acquaint the regular teachers with methods which have been found satisfactory in improving the reading of pupils who have certain reading difficulties. We believe that there are very few pupils who cannot be taught to read understandingly.

Our committee on primary arithmetic has completed a tentative course of study for the grades through the third. Each teacher has a copy of this outline and is studying to find in what ways it may be improved in order to best fit the needs of her class. We realize that the best course of study is one which is constantly being revised.

Another committee is making a revision of the course of study in arithmetic for grades four, five, and six. This will be built around the work of the Standard Service Arithmetics which are used in these grades.

A third committee is working upon a revision of our elementary language course. Although not much has yet been accomplished in this work, the fact that we are making such a study causes us to be more attentive to our real needs. It is our plan to have a course of study which will offer an opportunity for graded progress from the kindergarten through the senior high school.

REPORT OF ELEMENTARY SCHOOL SUPERVISOR

By
Alice H. Smith

In submitting this, my ninth annual report of supervision of elementary grades, I would briefly review the testing program, which closely follows the program as reported in previous years, and note what few changes have occurred during the year.

Intelligence tests have been given to every child. The number tested individually is one hundred and eighty, distributed as follows:

Sub-Primary	143
Grade V entrants	19
Grade VI entrants	14
Opportunity Rooms	4

The remainder, 776, have been tested in groups.

The only change made in the testing program is the substitution in Grade II of Dearborn's Game and Picture Puzzles for Haggerty Intelligence Examination Delta I. With the Dearborn test, which is a non-language test, Haggerty Reading Examination has been used by which the reading ability of children is measured at the end of their first year of reading. As it is important that reading disabilities be recognized as early as possible and records made of those disabilities as revealed by the test, the adoption of this reading test seems well advised. A careful study of the results of the new plan will show if it is definitely superior to the former plan.

The emphasis given this year to the care of those whose speed in reading is much slower than the demands of the grade has resulted in establishing a reading clinic. The purpose of the clinic is to have pupils in any grade above Grade II with definite reading difficulties receive such diagnostic treatment that specific remedies may be devised and applied. All such cases, from whatever grade, are as children in Grade I—needing much oral reading before silent reading methods can be effective.

Closely connected with this work is that of word study which is being taught in some grades in a way to increase spelling efficiency while accomplishing the real objective—extension of vocabulary.

The Nation-Wide Testing Program has been used again this year in all Fourth Grades. The objective information supplied by this program is invaluable, both diagnostically and for survey purposes. As shown by the results obtained, the emphasis being placed on arithmetic is in no wise misplaced as it was only in this subject that our medians were below the norms of the test.

Other supervisory work has been connected with preparation for Medfield Clinic, care of pupils needing attention from psychiatric and neurological or habit clinics and to assist in the work of revision of curricula and the promotion program at the end of the year.

The value of the year's accomplishment must be estimated by the extent to which every pupil has been well taught, the conditions of learning being such as to make the pupil happily conscious of his increasing ability.

THE NEW SCHOOL BUILDING

The opening of the new Charles J. Emerson School was a big forward step toward meeting the ever growing needs for school-housing in Stoneham.

From September until the opening of the new school on December first it was necessary to run four classes on part time.

Pupils who are fortunate enough to attend the Emerson School have all of the advantages of a modern building. All rooms have excellent lights and ventilation, which are two very important factors in a pupil's health and progress. The exercise room is being used also by pupils of other schools under the direction of the physical supervisor, Mrs. Lawson. It is hoped that within a reasonable time all of our grades from the kindergarten through the third will be housed in similar buildings.

There is a distinct need for kindergartens in every elementary school. This is not possible until new buildings are erected.

NEW BUILDING NEEDS

I wish to call your attention to the report of the High School Principal. Please note what steps have been taken to care for the steady increase in the enrollment of the junior-senior high schools.

In the grades we are now using every room available. How shall we care for future growth in our school system? Unless new buildings are erected very soon, we shall have to place some classes in both the elementary and high schools on the platoon system.

The enrollment for December, 1930, exceeds that of December, 1929, by eighty-one pupils and the average attendance for the month exceeds that of one year ago by one hundred fifteen pupils. Such a continued growth will fill a school building the size of the new Emerson School in from three to four years.

The Dean School which now houses grades five and six is crowded. We are even obliged to use the room formerly used as the nurse's office for a small class. Next September the enrollment of grades five and six will be increased by at least thirty-four pupils because our present fourth grade has thirty-four more children than the present sixth grade which will go on to the junior high school.

REPORT OF HIGH SCHOOL PRINCIPAL

By

Howard W. Watson

We have come to the close of a quiet, happy year during which we have attempted to strengthen and perfect the details of reorganization undertaken during the previous year.

Further development of the work in guidance, in mass athletics, in character training, in methods of study, in equalization of home assignments, in college entrance preparation, in improvement of the teaching force, in meeting individual needs, in reducing failures, in pupil adjustment, in physical education, in patriotic instruction, and in citizenship has been accomplished and definite improvements made in most of these items in varying degrees.

In addition there have been new accomplishments in the regulation of attendance, in provision for "make up" work following absence, and in perfection of the several record systems now in full use, and, it is interesting to note, in continual demand from other schools.

Four years ago the only printed and complete course of study in existence in the high schools, aside from adopted text books, was a tentative course in English. All other courses varied as teachers changed or as personal whims varied. We have spent much time on the building of new courses of study and have attempted, to the best of our ability as a faculty, to focus the work on the needs of an ever changing world.

At the time of writing this report courses of study have been completed as follows:

Junior High School	Senior High School
English (new)	English (revised)
Individual Science (health)	General Mathematics
Social Studies (integrated geography, history & economics)	Practical Mathematics
Latin	Latin
French	French
Occupations	Problems in American Democracy
General Shop	Stenography
Domestic Science	Typewriting
Physical Education	Filing
Club Activities	
Library Instruction	

Work is being continued on courses of study in Civics, Junior High Mathematics, Junior Business Training, Chemistry, Business Organization, Salesmanship, and Economics.

THE NEED FOR A NEW HIGH SCHOOL

Yet with all these things to challenge our attention there is one more outstanding and serious problem, namely, lack of accommodations.

The four room addition to the junior high school built three years ago relieved us for a short time only. Since then we have been made more and more uncomfortable and will be less and less

efficient until relief comes. The following facts should be at once considered seriously by the citizens of the town and prompt action taken.

- (1) The capacity of the building is 693. The enrollment is 732.
- (2) Junior high school classes placed in rooms built for a maximum of 35 now number, for the most part, 43 or 44 and are still growing.
- (3) Instruction is suffering because of over crowded sections.
- (4) The junior high school teaching load is excessive, each teacher having about 150 to 250 pupils to teach each day.
- (5) Individual help under such conditions is almost impossible.
- (6) Many pupils who wish to take manual training, shop work or domestic science have been deprived of the privilege because there is no way of accommodating them.
- (7) The afternoon athletic schedule for the gymnasium has been reduced because of the increase of the number of groups that have to be provided for.
- (8) The number of pupils who stay at the school for lunch is almost three times the capacity of the lunch room.
- (9) Courses in the following subjects have been eliminated from the program of study:

Solid Geometry	Medieval History (preparatory)
Trigonometry	General Course French
Certain Shop courses	Beginning Bookkeeping
- (10) Classes in different curricula have had to be combined because there are not sufficient meeting places to hold them separately.
- (11) Every possible room or corner and every makeshift has been used to take care of the increased enrollment.
- (12) The teachers' room has been taken away for a class room and a small gloomy one substituted.
- (13) Two laboratories have been turned into full time recitation rooms by pushing back the laboratory benches and putting in tablet armchairs.
- (14) The lecture room serves as a full time class room and is no longer available for supplementary lecture purposes as formerly.
- (15) The bicycle and janitors' storage room are being fitted up for class purposes and are used nearly every period in the day.
- (16) Nearly all the regular class rooms have been crowded with extra chairs and desks.
- (17) In many of the rooms there are no rear aisles or side aisles.

- (18) Some pupils sit with their backs almost touching steam radiators.
 - (19) In the junior high school teachers can no longer move with facility up and down the aisles of the classes for supervision and individual help because the desks are crowded in so closely.
 - (20) The use of rear blackboards in some rooms has been abandoned because the narrow aisle causes the pupils' clothing to become spotted with chalk as they rub along the boards.
 - (21) The gymnasium locker rooms have reached the limit of accommodations.
 - (22) The locker accommodations for coats and hats is insufficient to provide a locker for every two pupils.
 - (23) Only two of the six grades can be accommodated in the assembly hall at one time.
 - (24) The boys' locker and shower room is in a dark, damp, poorly ventilated location making proper sanitation difficult.
 - (25) Junior high school pupils are required to use senior high school corridors and vice versa while classes are in session.
 - (26) The necessity for using the gymnasium for lunch purposes makes it impossible to schedule gymnasium classes on five periods during the week and the time required for setting up lunch tables in the gymnasium further shortens five other gym periods a week.
 - (27) The factor of pupil safety in the building is lessened by the general conditions resulting from overcrowding.
 - (28) Many class sections are hindered by the presence of study pupils who are required to sit in the rear of recitation rooms.
 - (29) Auxiliary rooms such as toilets, teachers' room, office accommodations and storage space are very inadequate.
- Only two courses seem to be open:
- (1) To take immediate steps for the building of a new high school.
 - (2) To organize the present junior-senior high school on a two platoon basis whereby half the school comes in the morning from about 7:30 until noon and the other from noon until about 5.00 o'clock.

COLLEGE ENTRANCE

We have heard in the past stories of inability to enter college. It is pleasing to be able to say with confidence that all such fears

are now non-existent and that Stoneham High School is solidly upon its feet in the matter of college preparation. Any pupil who possesses a reasonable amount of scholastic ability and who applies himself with diligence and faithfulness to the requirements of the new college preparatory courses should have no fear of his success in entering college.

Since 1927 eighty-eight pupils have entered college on certification or by examination. The number of recommended candidates who failed entrance examinations in the past three years is six. No recommended students have failed to gain college entrance from Stoneham High School for the past three years.

Each year a few candidates who have been mediocre students and who were not recommended by the high school have taken college examinations on their own responsibilities. Such pupils have no reason to expect to pass and seldom do.

The record of Stoneham's graduates in college during the last three years has been very creditable. Many honor pupils have been recorded on Dean's lists in the last two years.

The certificate privilege held by our high school is renewable by the New England Board for 0, 1, 2, 3, or 4 years, according to the quality of college preparatory work that is done. The Stoneham High School certificate privilege was renewed last year for four years.

Marks of A and B are required for certification. The colleges are not interested, as a rule, in pupils who get marks of C.

I wish to express my sincere appreciation for the many helpful suggestions given by the superintendent during this very pleasant year and to voice my gratitude to the teaching staff for the fine spirit of co-operation and loyalty shown by them.

MAINTENANCE AND OPERATION

By
Charles E. White

The following repair work has been accomplished in the Stoneham schools this year:

At the North School new water pipes have been installed and the building painted outside.

At the East School general repairs were made.

At the South School new curtains were hung and general repairs were made.

At the Dean School repairs were made on the fire escape and general repairs in the building.

At the High School windows were equipped with weather stripping and windows and doors were caulked. There were also general repairs.

BRIEF SUMMARY OF MOST OUTSTANDING ACCOMPLISHMENTS FOR 1930

- I. New basal reading system.
- II. Revised courses of study in elementary and high school subjects including character education.
- III. Improved grouping plans.
- IV. Diagnostic testing.
- V. Corrective teaching.
- VI. Establishment of reading clinic.
- VII. Using of audiometer for testing of pupils' hearing.
- VIII. Improved system for keeping school accounts.
- IX. Improved record systems for some phases of high school work.
- X. New report cards for grades one to six.
- XI. The building and occupying of the Charles J. Emerson elementary school building.

CONCLUSION

I wish to call your attention to the reports of the several supervisors. These reports contain valuable information regarding the work of our schools.

This has been a pleasant and profitable year due to the hearty cooperation which I have received from the school committee, principals, supervisors, teachers, parents, and pupils. To all of you who have in any way aided me in my work I express my sincere appreciation.

Respectfully submitted,

CHARLES E. VARNEY

HEALTH

by

Marion L. Franchere, R. N.

The wheels of time have again swung around to the periodic questions—what has been accomplished during the past year?—and what is planned for the coming year?

In connection with this department a further awakening of public opinion to the necessity for preventive measures and a furtherance of our tasks to instill indelibly in the minds of the coming generation a knowledge of the human body and means of caring for and preserving same after first endeavoring to see that all start early school life as nearly physically fit as possible.

To this end we have with the aid and invaluable cooperation of all concerned proceeded along the following course:

1. A thorough physical examination of all pupils. This examination is made with the clothing removed as far as the waist and particular attention paid to mouth, throat, heart and lungs. Statistics under this heading are as follows:

No. of pupils examined by Dr.	1548
No. of pupils having defects	906

Defects:

Teeth	788
Throat	257
Glands	190
Heart	41

Again, as in the past three years, a clinic for the examination of the children of pre-school age was held late in the Spring—the purpose of this clinic being that all remediable defects found might be corrected before children start school and so have an equal chance physically. In this connection 114 children were examined—77 of whom were found with remediable defects.

2. Diphtheria immunization clinic. 129 kindergarten and first grade public school children received the three immunization treatments used to render them immune to that dreaded disease—diphtheria. At this time, too, the children who received the immunization treatments the year before were schick tested to ascertain whether or not these treatments had been effective in making them immune.

It will no doubt be of interest to many of the citizens of Stoneham to know that few towns possess the very fine immunization equipment that Stoneham possesses, which helped in no small measure to make our work efficient.

3. A special clinic for underweight children or children under observation.

4. A Dental clinic. Much preventive, corrective and educational work has been done along this line with children of pre-school age, kindergarten, first and second grades. A more detailed report of this phase of health work will be found elsewhere but it may not be amiss to say that the activities of such a wonderful clinic have been invaluable, the results far reaching. The town of Stoneham is to be congratulated on having such a well organized unit.

All of the foregoing facts have necessitated many minor phases in the work of this department, such as home calls, social investigations, inspections of individual pupils, schools and premises, first aid treatments, health talks, plays and pageants, accompanying pupils to clinics or private physicians, etc.

An innovation this year has been the acquisition of an audiometer, for the accurate testing and measuring of the hearing of our school children. Again Stoneham is in the forefront for possessing modern and efficient equipment.

Our one big need at this writing is a more accurate testing of vision. The very superficial method used in the past as required by law is most unsatisfactory. Needless to say the handling of such an important factor as prevention of permanent defective eyesight or correction of defective eyesight should be taken care of by none other than an expert.

In closing, may I again express my appreciation for the help that has been received from the superintendent, members of the school committee, physicians of the town, teachers and parents.

PHYSICAL EDUCATION FOR BOYS

by

Karl P. Elerin

The aims of the department are those advanced by the State of Massachusetts, Board of Physical Education, and are as follows:

1. To impart the knowledge that will result in an intelligent appreciation and care of the body.
2. To cultivate a wholesome attitude toward life and to provide opportunity for the development of character.
3. To secure the benefits of big muscle activity.
4. To provide opportunity for play and recreation in order to develop habits of wholesome recreation.
5. To develop good posture.

The program has the three divisions adapted to the three seasons of the school year, namely:

1. Fall—Outdoor work—fundamentals of soccer and actual competition game participation.

2. Winter—Indoor work in the gymnasium. Consists of the following activities:

- I. Calisthenics.

- a. Floor work.
- b. Precipitants.
- c. Movements of body bending and twisting.
- d. Posture development and correction.

- II. Vigorous games and sports.

- III. Apparatus work.

- IV. Tumbling.

- V. Tap Dancing.

3. Spring—Outdoor work.

- I. Organized playground baseball.
- II. Fundamentals of track and field sports.
(A follow-through on some of the work done during the winter in mimetics)

Policies of the Department:

I. **Uniforms.** All pupils taking physical education work in the gymnasium are required to wear the following outfit:

1. White athletic jersey.
2. White shorts or trunks, or white duck trousers.
3. White athletic socks.
4. Sneakers, rubber soles.

II. **Regular Class Work.** All classes are held outdoors if weather permits. There are no substitutes for sunshine and fresh air. When classes are held indoors, the instructor keeps in mind the principles of ventilation on the gym floor and cleanliness in the locker and shower rooms.

III. Accident Prevention. Accomplished by:

1. Cooperation with a general safety program.
2. Training leaders to assist in all apparatus work.
3. Omitting stunts that are particularly dangerous.

IV. **After-School Program.** This is an important function of the department and an effort is made to organize all boys in some form of after-school activity. The present policy is to conduct all athletics for the junior high school on a strictly intramural basis.

1. Fall—soccer for home rooms in junior high school.
Interscholastic football for high school.
2. Winter—basketball.
Interclass for junior high school.
Interclass and interscholastic for senior high school.
Boxing for senior high school. Interscholastic hockey for senior high school.
3. Spring—Baseball.

Junior High School

Interclass playground and regulation baseball.
Interclass track if equipment provides opportunity.

Senior High School

Interclass regulation baseball.
Interscholastic baseball.
Interscholastic track and field if sponsored by school authority.

PHYSICAL EDUCATION FOR GIRLS

Grades One—Twelve

by

Mrs. Vera C. Lawson

Modern educational leaders no longer question the worth of physical education. It has proven its merit not only as an aid to bodily development but also as a means of self-expression and emotional control. During the past few years the physical education curriculum in public schools has expanded materially. The old time syllabus has been outgrown. In its place has developed a broader and more comprehensive program in which formal work still has a place but such activities as games, rhythms, folk dances, apparatus, athletics, stunts, skills and progressive athletic techniques have been added to make a well-rounded program.

In Stoneham we are striving to give each individual, the girl as well as boy, an opportunity to develop sufficient skill and control over his body to enable him to get pleasure from physical activities and thus develop habits of exercise which will continue in later life.

Our Junior and Senior High School girls have two forty-five minute gym periods a week and elective afternoon programs in Basketball, Hockey, and Track. We feel very fortunate in having a good athletic field for our Fall and Spring work and the use of a well equipped gymnasium for our winter program.

In the elementary grades we have been faced by the problem of giving the children inadequate activity in the indoor season. All of our old buildings, on the second floors, were judged unsafe for physical work so we have had to curtail our activities in those grades. The work of the elementary grades should be characterized by variety and intense activity. It should feature running, climbing, throwing, jumping, kicking, dodging, the use of stunts, rope climbing, chinning and limited athletic tests. Through the foresightedness of the school officials and the building committee who planned on the ground floor of our new building a well-ventilated exercise room, all of our children from the fourth grade up will have the opportunity of getting this type of activity once a week in addition to regular class room work.

Let us plan a strong foundation for these little folks.

FINE ARTS

by

Eleanor M. Bardwell

I submit herewith my fifth annual report as Supervisor of Art for the Town of Stoneham.

People everywhere are realizing more and more the need for

the application of Art principles in business, industry, the home and all problems of every day life. It is not for the few alone, who have special talent, for there is always need and opportunity for artistic construction in every man's life as well as the necessity for making choices in purchasing articles of other men's creations. We find it true that children learn best through actual experiences, thus we plan a varied art program for each class of pupils from the Sub-Primary through the High School.

Each room in the grades has been visited by the supervisor as often as time allows, with the great number of classes which we now have in the various schools. Written plans for other lessons have been left with each grade teacher and, with their hearty cooperation, commendable work has been accomplished this year. Much of the work has been closely correlated with their reading, geography, history, nature study and health work. The things that they read about and also draw they long remember. Drawing becomes a language for them, a means of expressing original ideas. The principles of Art are brought out, also, through the teaching of design, color, cut paper work and the making of simple gifts at the holiday seasons.

Those who elect drawing in the Junior and Senior High School have two periods each week and they continue the study of color, original designing, illustrating with various mediums such as pastels, water color pencils, charcoal, pen and ink, lead pencil, poster paint, oils and crayons. Each class has chosen some form of crafts work such as leather tooling, stenciling on various materials, metal work, tapestry drawing, block printing on both paper and cloth, dyeing and the constructing of various useful articles.

Every Junior High School pupil takes a course in Art Appreciation. This includes a study of the laws of design, color harmony, great works of Art of various periods and its application to every day life. There is also an elective course in Art Appreciation in the Senior High School. These courses and some of the drawing classes are ably taught by Mr. Flagg. Two features of interest in his ninth and tenth grade classes this year have been the making and presentation of a puppet show for the children, given in the Public Library during book week; and the making of an Art cut for the local paper to be printed with short descriptions of the work that we do in various classes.

Many requests for posters have been filled during the year. It might be mentioned that in a Thrift Poster contest sponsored by the Stoneham Five Cents Savings Bank, two of our students won state prizes as well as those offered here in town.

In May of the year 1930 we had an Art Exhibition in which it was our aim to have every pupil who has drawing in the Stoneham Schools participate. We not only had their work displayed

but had many of the various types of work demonstrated by the pupils themselves.

May I take this opportunity to thank you, Mr. Varney, and Mr. Watson, for your help on many occasions and to express my appreciation to the Stoneham School Committee.

MUSIC

by

Walter M. Dalglish

It is agreed by all educators that the basic principle underlying all education is to teach people to live a rich, full life.

Of course, it is of great importance to everyone to earn sufficient money to satisfy bodily requirements, but I believe that it is of even greater importance to satisfy the desires of the soul. All art is an outward expression of the soul. It may be a crude relic in wood, stone or metal; or it may be a fine ideal on canvas, or in sculpture or in sound.

The adequate recognition of the beauty of music is a matter of education and intellect. The more musically intelligent one is, the more able is he to see the beauty in music.

Our schools in Stoneham are trying to teach Music, "The Art," in a rational and progressive way. A report of all that has been done in the last year would make a book in itself, so I cordially invite the citizens to visit the schools at any time with the Music Supervisor, to see and hear what we are trying to do. This, I feel would be the best way for our townspeople to see the annual report of music in the Schools of Stoneham.

The Music Department needs more room to grow and expand. As far as other equipment is concerned, we are as well equipped as any school in the state, because of the hearty co-operation of the School Committee, Superintendent, Principals, and Teachers, for which I am deeply grateful.

WRITING

by

H. Lillian Hewitt

In the Stoneham School Reports, I have endeavored, from time to time, to point out our objectives in teaching writing. The following quotations very clearly state these objectives.

1. "To develop sufficient automatic skill to write legibly, rapidly and with ease."

2. "To diagnose individual difficulties and to aid the pupil to remedy them in a way best suited for his individual needs."

3. "To provide opportunity for each individual to progress according to his own needs."

4. "To develop in the child ability to diagnose his writing so that he may attack his own problem intelligently."

5. "To develop an appreciation of the relation between good posture and easy, legible, rapid, writing."

6. "To develop an appreciation of the importance of form, arrangement and neatness of all written work."

7. "To develop handwriting so that the pupil will desire to write well at all times."

We have not accomplished all of this but we are working along these lines.

DOMESTIC SCIENCE REPORT

by

Mrs. Dorothy W. Marshall

I hereby submit my seventh annual report of work in Domestic Science classes.

The general aim of our course is:—To help each girl to become a better citizen of her community by successfully carrying on those activities in which she engages in daily life. To realize the duties and responsibilities of each girl in the home.

The objectives we desire to accomplish are:—

1. A desire for good mental, physical, and social habits.
2. To know what foods nourish the body and how to prepare and serve them to supply body needs, and at the same time satisfy the eye and palate.
3. To know how to care for small children.
4. To cultivate a desire for good taste in dress, home furnishings and surroundings.
5. To know how to plan and market wisely.
6. To know how to select textiles of good quality.
7. To become familiar with entertaining in the house.
8. To form the habit of saving and spending wisely and according to her personal income.
9. To have a general knowledge of all phases of home making.

INDUSTRIAL ARTS DEPT.

by

G. W. Talbot

The Shop and Woodwork classes have been greatly improved with the addition of another instructor, who devoted his entire

time to this department. Altho working under most disadvantageous conditions, with more boys than the room can properly hold, the wisdom of the school authorities in obtaining an extra instructor is clearly shown in the greater interest and results obtained where one can devote himself to woodwork exclusively, and the other instructor to shop work with the addition of some woodwork. A definite and complete course can and has been made. Crowded conditions in the main shop and confusion resulting from sudden changes from perhaps an electrical class to a sixth grade woodwork, have been much improved.

Unfortunately small, ill-suited and makeshift rooms still prevent this department from rendering its full possibilities to the students. Until larger quarters can be obtained, little can be done to improve the work. This does not mean that work done in the Stoneham shops is inferior to that of other towns of the same or greater size. On the contrary, on a recent visit to a nearby town of about the same size, it was found that altho this town had an investment of \$15,000.00 on the equipment of JUNIOR HIGH SCHOOL SHOPS ONLY (these are their department head's own figures) the work done was to say the least no better than that done in Stoneham. Other visits to other towns and cities reveal the same condition as far as Junior High School work goes. The total investment for equipment and machinery for the Stoneham Schools, both Junior and Senior High, is not over \$2,000.

The crowded conditions in the Senior High School classes, and lack of proper storage for lumber, finished models, etc., and a place in which articles can be painted other than in an atmosphere of dust, no doubt prevents as nicely finished models being turned out, but the writer feels that the processes learned, with the exception of the use of modern woodworking machinery, are done about as well as conditions permit. Despite the fine cooperation of the School Committee, Mr. Varney and Mr. Watson, nothing more can be done in the present quarters. It is hoped and expected that some small bench machines will be provided to take care of the boys with Mr. Herrick. At present, any pupil wishing to use either the lathes, band, circular saw, or other machinery must take his work through the locker room to the main shop, and wait until the machines are free for him to use. This, of course, is a very unsatisfactory way of doing things.

With larger quarters, both instructors could handle larger classes with greater efficiency and undoubtedly this will come in a few years. With something over 65% of all those citizens listed in the Stoneham directory engaged in some kind of work which involves the use of their hands, we believe that an early training along these lines is a necessity and not a "fad" or "frill" of education. The support given the writer by the school authorities makes him believe this is seen by the citizens of the town and that

this department will still continue to have the fine cooperation it has received in the past.

STANDARDS AND GUIDANCE WORK IN THE JUNIOR AND SENIOR HIGH SCHOOLS

by
Helen M. Barnes

As signposts and maps are necessary to the automobilist in making a trip through unfamiliar country, so individual guidance is necessary to help young people in their choice of studies. It is essential to prevent a pupil from taking a course just because his intimate friends chose it, regardless of whether it is suited to his needs.

The courses in High School prepare pupils for different types of life work. Hence, in our seventh and eighth grades, information is given to the pupils about the many kinds of occupations, so that later in life they may make wise decisions. In our discussion of occupations we stress especially the kind of work that is done, the preparation that is required for this type of occupation, the advantages and disadvantages of it.

Qualities that make for success are also discussed for, after all, we know that book knowledge alone is insufficient. Habits of honesty, obedience, accuracy, persistence, enthusiasm and cooperation are essential for success.

In my guidance work I interview all pupils who receive a warning card or get a D or E on their report cards. Such conferences bring greater understanding of the underlying difficulties and often prevent further poor marks. I check all program cards to see if pupils are taking enough subjects and are carrying sufficient credits to enable them to complete the Senior High Course in three years.

This past year besides being in charge of a Home Room and teaching over half the time, I have held over seven hundred conferences with pupils and parents. Many mothers and fathers have taken advantage of the opportunity for interviews, and we would welcome many others; for the more information we have about pupils, the more intelligently we can help them.

We try in our Junior and Senior High School to have each boy and girl receive the greatest possible benefit from school, and the guidance teacher is ever ready to make any adjustments.

SENIOR-JUNIOR HIGH SCHOOL LIBRARY

by
Lenora Bessey

The school library is serving the young people of our six high school grades with three definite objectives: to lead them to find

an abiding joy in books and reading; to teach them to give a wider range to their studies by supplementing their texts with other books of reference; to train them to use libraries, whether school or public, intelligently.

An inviting room with a store of wholesome and inspiring books and magazines is a requisite in the attempt to meet the first two of the above objectives. The school library is sunny and attractive but is lacking in space for the very pupils it would invite; a scant 4% of the school's membership can comfortably avail itself of library privileges at one time. With an average of merely three books per pupil, the problems of space for the volumes that must be added is an urgent one. The files of magazines and pamphlets need housing room; pictures, posters and bulletins need not only storage but a place for display. The records of an unusual month show 76 pictures loaned for illustrative use in history, English, and art classes.

The records for the year indicate that books and magazines to be used outside the reading-room were loaned as follows:

Fiction

Books	4075
Magazines	231

Non-Fiction

Books	3099
Magazines	440

It will be noted that of the total 7845 loans, 45% are of books and magazines of the non-fiction type, a fact which is a satisfaction as showing seriousness of purpose on the part of the pupils.

The third of the three objectives is being worked out largely in the junior high school in order that those who enter the senior high may already be reasonably familiar with the library and the use of its tools. The aim is to accomplish this by the gradual amplifying and adapting of a contract system based on these units: Arrangement and Regulations of the Library; The Book; Dictionaries; Encyclopaedias; Special Reference Books; The Card Catalog; Readers' Guide to Periodical Literature.

The library has been happy in the past year in being able to be of occasional service in other grades of the school system; it has been fortunate in the cooperation of the Principal and members of the teaching force as well as that of the librarians of the public library; it has been encouraged by the realization of its needs on the part of the Superintendent and school officials; it has been gratified that its pupil users are showing an increasing aptitude and pleasure in its privileges.

HIGH SCHOOL ATHLETICS

By

William M. Nadeau

I herewith submit the annual report of the Stoneham High School Athletic Association.

A restatement of the policies of the Athletic program seems unnecessary at this time since such a statement has been made a major part of my report for several years past, and the general aims of Athletics in Stoneham continues to be practically unchanged for this year.

We have, however, made considerable progress toward the accomplishment of these aims and feel that this year's work is unusually commendable. Our boys' and girls' organizations have not only completed the year with an outstanding record of wins, but their conduct in these contests has reflected the high character of training administered by a superior coaching staff.

We were very glad to be able to retain the services of nearly all coaches for another year.

We welcome Mr. Karl Elerin, who took the place left vacant by Mr. James.

I particularly commend Mr. Elerin for the impetus he has given to the introduction of soccer as a class sport. We are especially eager to develop this class of competitive game in which so many of our boys and girls find an opportunity to participate.

Miss Ruth Poland continues as girls' coach of basketball, but has relinquished to Mrs. Vera Lawson the coaching of Field Hockey.

We were very happy to be able to organize a Football League this year with the following schools: Belmont, Lexington, Winchester, Concord, Maynard and Reading. Our relations with the above schools in baseball and basketball leagues have been most cordial and it is hoped that there will develop a general athletic league comprising this group and Stoneham, making provision for these schools to meet regularly in all the major branches of athletics.

The greatest difficulty that we have to face in the conduct of our interscholastic program of athletics is a financial one. The cost of equipment has continually increased until it is a considerable problem to equip our teams and conduct our games without a financial loss. That we have been able to do so for the past two years is due to the fact that our winning teams have been well supported, and particularly due to the successful operation of our Theatre Night and Winter Carnival.

An examination of the financial management of athletics in other schools shows that where the athletic field is enclosed, it is an easy matter to accumulate sufficient funds for the many demands of athletics itself, and in addition, many schools conduct

other projects financed by the receipts from games. We are looking forward to the time when we may have an enclosed field, and hope it will not be long delayed. Would not the fencing of the Pomeworth grounds be a fine project to carry on at this time when the town is looking for opportunities to provide for the unemployed?

Having in mind this same situation of unemployment, may I again call to your attention the lack of municipal tennis courts? Tennis is a most worth-while activity that can be enjoyed by adults as well as the younger generation, and the cost of construction of these courts would all go to the payment of actual manual labor expense.

In conclusion I wish to thank you, Mr. Varney, for your many helpful suggestions and kindly attitude toward this department and to extend the thanks of the association to the School Committee and all those who have helped to make the work of the organization a success.

MIDDLESEX COUNTY EXTENSION SERVICE

Club Work

The following is a report of the work of the Middlesex County Extension Service as developed in the town of Stoneham for the year 1930.

Forty-one boys and girls were enrolled in 4-H club work, the chief interest of which was in the garden, canning and handicraft clubs. Garden club members exhibited with the Stoneham garden club and both the garden and canning club members exhibited with the Stoneham Grange. Clarice Jones won second prize in the Eastern Massachusetts School Dress Contest. The clubs were assisted by George Grafton and Miss Jean Bowser as local leaders.

The Homemakers' Program during the year was carried on successfully under the active leadership of Mrs. Zoe Wiggin and Mrs. T. H. Flynn. The two projects developed during the year were in vegetable preparation and home grounds improvement. The twenty-one women enrolled in the work reported that they passed the information on to 160 homemakers who were unable to attend the meetings.

A campaign to eradicate rats from farm and home buildings was carried on on a county-wide basis and a great many of the poison baits were distributed in Stoneham.

Many local people took part in the several county-wide meetings held during the year, such as the county picnic at Wayside Inn, Sudbury, and the Homemakers' Day at Lexington.

COURSES FOR PROFESSIONAL ADVANCEMENT TAKEN BY TEACHERS DURING 1930

Teacher	Spring	Summer	Fall
Constance Allen	Psychology for Students of Education—Boston University.		Types and Traits of Personality—University Extension; Health Education—B. U.
Irene G. Bagley			Types and Traits of Personality—University Extension

Women Teachers' Salary Schedule

Increments: The annual increase for teachers in classes A, B, C, D, and E shall be at the rate of \$100 per year until the maximum for the class in which the teacher is located is reached. The annual increase for teachers in class F shall be at the rate of \$100.00 per year until the maximum for class E is reached and then \$50.00 per year until the maximum for class F is reached. No increment shall increase a teacher's salary above the maximum for her class.

Maximum: All regular women teachers in the employ of the Stoneham School Department shall be entitled to attain a maximum salary in accordance with the increments stated above under the following conditions:

	Class
High School graduate with no further training	\$1200.00 A
High School graduate with one year further training ..	\$1300.00 B
High School graduate with two years' further training	\$1400.00 C
High School graduate with three years' further training	\$1500.00 D
High School graduate with four years' further training	\$1700.00 E

or

Holder of Bachelor's degree	\$1700.00 E
High School graduate with five years' further training	\$1800.00 F

or

Holder of Master's degree	\$1800.00 F
---------------------------------	-------------

The above maxima shall go into effect September 1, 1924, except that the maximum of no teacher serving in the town of Stoneham on June 1, 1924, shall be less than that to which she was entitled at that time. The further training referred to above must be along allied lines and must be approved as such by the Superintendent of Schools and the School Committee. A teacher who becomes entitled to be in a higher classification as to maximum shall be moved into the higher classification only at the end of the school year in June. Each of the five year periods of consecutive service in the Stoneham schools shall automatically advance a teacher one half of a classification and thus increase her salary \$50.00 per year.

Principals: Teachers who have been appointed by the School Committee to act as principals in the North, South and East Schools shall receive \$50.00 a year in addition to their regular salaries and, at the Center and Dean*Schools, \$100.00 a year in addition to their regular salaries.

Credit for Professional Improvement: 1. Teachers may apply work done at any time toward the raising of their maximum classification under the following regulations:

1. A semester hour represents 15 hours of class work of 60 minutes or its equivalent.

2. Eight hours (or its equivalent) of college, extension, summer school or other approved work shall, if approved by the Superintendent of Schools and School Committee, automatically advance a teacher one-half of a classification and thus increase her salary \$50.00 per year.

3. For courses similar to or identical with courses already receiving credit, no additional credit can be given.

4. No credit can be given for incomplete work.

5. Credit for private instruction, travel, conspicuous and distinguished service, etc., will be given only when it can be shown to the satisfaction of the School Committee that both in extent and quality it is equivalent to work accepted for credit.

II. For an approved two semester hour half year course any teacher shall receive in addition to her regular salary \$25.00. Other courses taken during the school year shall be compensated for proportionally.

1. For an approved summer course any teacher shall receive \$50.00.

2. No teacher shall be remunerated as stated above except for work which has been approved by the Superintendent of Schools and School Committee.

3. No teacher shall be eligible to receive more than \$100.00 in any calendar year on account of the above provisions.

4. The above shall be placed in effect September 1, 1924. Amended as above to take effect September 1, 1930.

STONEHAM HIGH SCHOOL GRADUATION EXERCISES
CLASS OF 1930

"FIND A WAY OR MAKE ONE"

Armory Hall, Stoneham, Massachusetts, Friday Afternoon, June
Thirteenth, Nineteen Hundred Thirty, at Three O'clock

BUDGET SUBMITTED FOR 1931

Explanation of Items in Proposed Budget for 1931

I. Instruction and General Control

6 payrolls from January to July @ \$12,983.50=	\$77,901.00
4 payrolls from Sept. to January @ 13,620.00=	54,480.00
	<hr/>
	\$132,381.00

The above is an increase of \$7,456.00 over the same item for 1930. Three new teachers were hired in 1930 but were on the payroll only from September to January. These teachers will be on the payroll for the full ten months in 1931.

Since there will be at least thirty-four more pupils in the Dean School building next year, it will be necessary to employ another teacher for that school.

The Junior High School classes are very much crowded. At the present time 7A has 44 pupils, 7B 44, 7C 43. A new teacher should be added to the Junior High School to relieve this situation. The increase in the Senior High School also calls for a new teacher there.

The November enrollment for 1930 for all grades in the Stoneham public schools was 68 more than for the same period in 1929.

Books:

Same as 1930	\$7,180.00
--------------------	------------

Supplies:

Same as 1930	\$5,766.00
--------------------	------------

II. Operation

Janitors' Salaries:

2 janitors @ \$1,700.00 =	\$3,400.00
1 janitor @ 1,600.00 =	1,600.00
1 janitor @ 1,400.00 =	1,400.00
1 janitor @ 1,250.00 =	1,250.00
2 janitors @ 750.00 =	1,500.00
Extra help and sickness	300.00
	<hr/>
	\$9,450.00

Increase in janitors' salaries is due to the additional janitor at the Charles J. Emerson School. He was employed for only four and a half months in 1930.

Fuel:**Anthracite Coal—**

North School	40 tons
East School	40 tons
South School	45 tons
Dean School	100 tons

225 tons @ \$15.00—\$3,375.00

Bituminous Coal—

Emerson School	125 tons
Dean School	75 tons
High School	400 tons

600 tons @ \$6.50 = \$3,900.00

Total..... \$7,275.00

Estimate based on prices from local coal dealer.

Miscellaneous:

Includes electric lights, gas, toilet paper and towels, janitors' supplies, telephone, water, floor treatments, etc.	\$4,200.00
---	------------

Increase of \$200. due to improved and larger facilities at the Charles J. Emerson School.

III. Maintenance**High School Repairs and Replacements—**

General Repairs	\$1,200.00
6 typewriter tables @ \$6.50	39.00
Engine room drain	175.00
6 Manual Training benches for Shop.....	150.00
Sink in Manual Training Shop	80.00
Electric Ash Hoist for Jr. H. S.	1,000.00
	<hr/>
	\$2,644.00

Elementary School Repairs—

General Repairs	\$ 800.00
Replace 35 pupils' desks	350.00
	<hr/>
	1,150.00

Total for Elementary and High Schools..... \$3,794.00

IV. Auxiliary Agencies

Health (Same as 1930)	\$3,500.00
-----------------------------	------------

This item includes salaries of nurse, school physician and all supplies and additional equipment for audiometer which was purchased last year with the expectation that added equipment will be purchased during the two following years.

Transportation	\$2,760.00
----------------------	------------

Increase over 1930 due to new Spring Street route which was established in 1930.

Tuition	\$2,566.00
---------------	------------

Same as in 1930. It is, however, impossible to give an accurate figure for this as it depends upon the number of Stoneham pupils attending Melrose and Wakefield schools.

Miscellaneous—

Trucking, graduation expenses, etc. (same as 1930)	\$500.00
--	----------

V. Outlay

High School New Equipment—

30 desks for pupils @ \$13.00 plus freight	400.00
General Shop	200.00
10 Lunch room tables	110.00
100 folding chairs like those we now have.....	250.00
1 truck for lunch room	50.00
1 desk	62.00
1 desk for office	53.00
3 typewriters @ \$70.00	210.00
2 tables No. 72 State @ \$8.00	16.00
6 typewriter tables @ \$6.50	39.00
10 chairs @ \$3.00.....	30.00
Domestic Science equipment	100.00
2 Water Coolers @ \$325.50	651.00
	<hr/>
	\$2,171.00

Our typewriter classes have outgrown the classroom which they now occupy. We hope next year to place the typewriters in a larger room and therefore will need at least three extra typewriters.

Our lunch room is very much overcrowded. We should equip the other side of the gymnasium with folding tables and chairs to be used during the lunch period.

Elementary New Equipment—

Duplicator equipment	\$ 50.00
3 steel book cases @ \$7.50	22.50
Miscellaneous	100.00
	<hr/>
	\$ 172.50

Total Elementary and High School New Equipment....	\$2,343.50
--	------------

REPORT OF SCHOOL BUILDING COMMITTEE
FOR ERECTION
of an
ELEMENTARY SCHOOL
on
Wright Street

To the Citizens of Stoneham:

At a Town Meeting held May 20, 1929, it was voted that a Committee of six members be chosen with power to fill vacancies to carry into effect the vote to erect a school building; said Committee to include one member to be named by the School Committee, two members to be named by the Moderator, two members to be named by the Finance and Advisory Board, and one member to be chosen from the floor.

Under the foregoing vote Edward M. Noonan was chosen a member of this Committee from the floor; George E. Merrifield and George P. Kimball were named by the Finance and Advisory Board; Frank J. Howell and Benjamin J. Hinds were named by the Moderator, and C. Frank Munger was named by the School Committee.

The first work of this Committee after being organized was to find out the size and type of building required by the Town and best adapted for location which had already been selected. With this in mind, the Committee arranged to have the Chairman of the School Committee, Frederick W. Porter, Superintendent of Schools, and Charles E. Varney, Superintendent of Schools elect, meet with the Committee that we might find out what building accommodations were needed.

Our next work was to decide the best type and kind of building to erect, both with relation to economy and durability. It was also necessary to select the architect which we felt best equipped to design the building. With this in mind, we consulted approximately twenty different architects and were fortunate in having some of the leading school-house architects in this vicinity volunteer to consult with us relative to the plans. We found it necessary to give considerable time to consulting with these architects and during this period we took advantage of the opportunity to visit school buildings, both under construction and completed, throughout this section that we might obtain the best and latest ideas in school-house construction.

The Committee found that it was necessary to give a great deal of thought and study to the proposition before selecting an architect, as this, of course, is one of the very important problems in erecting a building. Therefore, it was not until October 31,

1929 that the Committee voted to elect as the architect the firm of Kilham, Hopkins & Greeley, of Boston, Mass.

Owing to the fact that the Committee was very well decided by this time as to the type of building, but a short time was needed to prepare plans and specifications; plans and specifications were prepared and bids were advertised and obtained the latter part of December, 1929. After receiving the bids on the plans as prepared, it was decided by the Committee that it would not be possible to erect the kind and type of building required by the Town within the original appropriation of approximately \$85,000.00 for building and furnishing. After going over the prices of some twenty bidders on this work, the Committee asked the Selectmen to call a special Town Meeting for January 17, 1930, that we might be able to put the problem before the voters. At this meeting held on January 17, 1930 the Committee was instructed by a vote of the Town to build a first-class building in place of second-class as originally intended and an additional appropriation was voted for this purpose.

The Committee, accordingly, immediately had the plans revised by the architects to conform with the desire of the Citizens and after plans had been revised and specifications rewritten to obtain a thoroughly first-class, fire-proof building throughout, we again had the work figured and awarded the contract to the low bidder, Ernest E. Munroe, of Plainville, Mass., after due consideration and careful looking up relative to Mr. Munroe's ability and reputation.

Work was started on the new building in February with the intention of completing the building as early as possible with due consideration for the proper construction and durability. It was decided by the Committee in early summer that while it would be desirable, if possible, to open the building on September 1st, that it would be far more desirable to postpone the opening date a little if by so doing a better building might be obtained. It was found as the work progressed that too much haste in the erection was going to react to the detriment of the building; therefore, the Committee decided it would be advisable not to open the building until about December 1st. Therefore, we proceeded with this fact in mind to obtain the best results possible from each and every piece of construction as it progressed and your Committee feel that over a period of years a considerable benefit is going to be obtained by the Town by taking advantage of this short delay.

The building as now constructed is entirely fire-proof throughout. There is no wood used in any part of the construction, with the exception of the interior finish which is of oak and the window sashes and frames which are of white pine. This wood was used because it seemed more practical than steel and does not make any difference with regard to the fire-proof construction as to rate of insurance.

It was found that, owing to the steep grade of the building site, it was possible to use the basement of the building to very good advantage, with plenty of light and air on the west side; and, therefore, the Committee had this part of the building finished at a very little additional expense over what it would have cost had it been left unfinished, as it was necessary to go down to the present grade to obtain suitable footings and thereby obtaining valuable space which otherwise would have been lost.

The Committee also has had in mind the construction of a future addition; and, if this were needed, the building is so located and equipped with heating and plumbing that another addition the same size as the present one could be added with the same desirable conditions of light and air which exist in the present building, with the minimum of expense, as provisions have been made for additional heating equipment and water and sewer supply service. The present building containing eight classrooms, with teachers' room and emergency room on first floor and toilets on second floor and in the basement, and with an addition, being a duplicate of the present buildings, would then consist of sixteen rooms which it is presumed would be the extreme limit that could ever be needed in this section for this type of school.

After plans were completed and contracts awarded there were only a few minor changes made in the plans, and, due to the fact that the savings made by these changes were about equal to the few extras required, the Committee were able to complete the building, together with furnishings, within the appropriation and a substantial balance is to be returned to the Town.

Following is an itemized statement of the expenditures covering the entire appropriation including the purchase of land, as well as erection of the building.

TOTAL APPROPRIATION\$110,000.00

Amount expended by Selectmen for purchase of land, survey, etc.

Land:

Gorham	\$ 2,793.60
Finnegan	1,667.00
Newcomb	1,600.00

REPORT OF COMMITTEE ON REVALUATION

At the Annual 1929 Town Meeting, under Article 29, a Committee consisting of the Board of Assessors and members of the Finance and Advisory Board was appointed to make a revaluation of the property in the Town. The amount appropriated was \$6,500.00, and from this amount 1500 copies of the revaluation were to be printed. This printed list was to show the new revaluation, and also the 1929 figure as actually used by the Assessors.

The Committee organized and received bids from many Appraisal Companies, and it was decided to give the contract to the Lloyd-Thomas Company of Chicago, which Company seemed to be best fitted by experience to carry out this work. A contract was entered into with this Company, which contract covered in detail all the work which was to be done. The Committee also required the Company to file a Bond to assure the successful carrying out of the Contract. This Bond also protects the Town for two years to come, should it be found necessary for the Lloyd-Thomas Company to assist the Assessors in interpreting the values which they have submitted.

The Lloyd-Thomas Company have in general completed their part of the Contract, and the work is now a matter of record which will be found in the printed report, copies of which may be obtained from the Assessors. While the amount appropriated for this work was \$6,500.00 including printing, it might be of interest to the Townspeople to know that the detailed cost figure of doing this work shows that the Lloyd-Thomas Company expended in direct payments upwards of \$9,000.00 without making any allowance for overhead expense. It also might be of interest to know that over \$5,000.00 of the \$6,500.00 appropriated was actually returned to the Town in the form of payment for assistance rendered by various citizens of the Town.

The values which were placed on land by the Lloyd-Thomas Company were arrived at by a series of lengthy meetings which were attended by your Board of Assessors as well as prominent citizens of the Town who were familiar with land values in general and whose business qualified them to know about what figure land in the Town of Stoneham would bring at any given time. After these unit street values were tentatively established, they were then converted into actual unit foot values which reflected accurately the effect of corner influence, short or extreme depth, and position in the block.

The Building and Improvement values were then obtained by consultation with local Contractors and checking of individual appraisals. All factors, such as material cost, labor cost, labor

efficiency, Contractors' profit, Architects' fees, etc., were considered. From the data thus obtained price charts were prepared of all classes of buildings. The price charts reflect every condition, and are graduated to show the variation in unit values for the various degrees of excellence of construction, varying from cheap to best grade, each with a varying unit. Determining the true depreciation of a building is the most difficult undertaking in the whole field of valuation. It requires experience and expert knowledge of all the factors involved. In our revaluation two kinds of depreciation were considered. First, physical depreciation, which includes age, wear and tear, and degree of maintenance. Second, functional depression which considers such factors as location, architectural type, community trend, inadequacy, obsolescence, and zoning ordinances.

The final records were then prepared in card index form, and turned over to the Board of Assessors.

In summing up, your Committee feels that in the past, Town activities were relatively slight. The duties of Government were simple, and its financial needs were small. Today the Town is building Parks, Schools, Streets, Sewers, Playgrounds, Street Lighting Systems, Community Centers, etc. In other words, the Town is becoming a vast social Organization whose very life-blood is fair Taxation. Equal Taxation is the foundation of good Town Government, and if the foundation is unsound, the whole structure is bound to be weak and inefficient. The fundamental basis of all Taxation is equalization. Every citizen must bear his fair share of the Tax burden of the Town according to his means and property.

Your Committee feels that this Revaluation Work, if carried to its logical conclusion, will result in this equalization of Tax burden in a fairer measure than has ever before taken place.

Notes

1. Full valuation is the trend in all Towns and Cities because only in this way do we get the exact percentage of the whole.

2. Consideration of full-time Assessor to carry out Revaluation Work.

3. Map correction brought up-to-date with a Lot Number for every Lot in the Town.

3,787 Buildings, and 2,815 Parcels of land were actually appraised. If we accept these figures we have picked up 212 new buildings alone. If we estimate these at a valuation of \$2,000.00 each, it amounts to \$424,000 of new valuation. At a Tax Rate of \$36.00, this will return the Town upwards of \$5,000.00, which in one year will nearly pay for this Revaluation Work.

HAROLD HOLDEN,

Secretary.

REPORT OF TERCENTENARY CELEBRATION COMMITTEE

To the Citizens of Stoneham:

Your Committee on the Tercentenary Celebration respectfully submits the following report:

In accordance with a vote passed at the Annual Town Meeting of 1930 Stoneham joined with the other Towns of the Commonwealth in the Celebration of the 300th Anniversary of the coming of the good ship "Arbella" with the Puritans and the Charter of our Free Government.

The report of the Tercentenary Committee can best be simplified by giving the program of the celebration from July 1 to July 6, which was carried out in detail and proved in every way successful.

PROGRAM

July 1st to July 6th

Headquarters of the Tercentenary Committee will be located at the corner of Main and Franklin Streets and visitors and old residents will be welcomed and asked to register in the Tercentenary book.

July 1 to 6 will be Old Home Week, not only for visitors, but for the townspeople, to become better acquainted with each other.

During the week of July 1st the windows about Central Square will be decorated with antiques by the members of the Stoneham Historical Society.

Old Houses

On July 1st, at 3.00 P.M., the pilgrimage of the Historical Society to place tablets on the old houses will assemble on Church Square, proceed to old Town House, the Parsonage, Hay Tavern, Captain Buck Farm, Horace Green House, place of First Meeting House, and the Jonathan Green House. It is expected that rooms in these old houses will be open to visitors.

Bonfire

At 12.00 o'clock midnight, July 3rd, there will be a bonfire near the Pomeworth Street Playground.

July Fourth

At 8.00 o'clock on the morning of the Fourth, Ives Band will give a concert for about two hours in Church Square.

At 10.00 o'clock the Parade will start at Williams Street, proceed up Main Street to Marble, counter marching down Main, through Central to Pomeworth Street to the Playground. Reviewing stand in front of Dean School.

At 1.00 o'clock a ball game and sports will be held on the Pomeworth Street Playground.

Various prizes will be awarded for floats and autos and sports.

Reception

On the afternoon of July 5th, a reception will be held in Church Square under the auspices of the Stoneham Woman's Club and Catholic Women's Club, with community singing and an organ recital in the Congregational Church.

On Sunday, July 6th, the churches will observe the Tercentenary with appropriate exercises.

COMMITTEES

Tercentenary Committee Appointed by the Town

Judge William B. Stevens, Honorary Chairman

REVISED REGULATIONS

of the BOARD OF SURVEY STONEHAM, MASS.

1. Applications

Applications for approval of layouts must be made on forms obtained at the office of the Town Clerk. They must be accompanied by plans, profiles, and other data as hereinafter specified, or as may be required by the Board of Survey.

2. Size of Sheets — Scales

Unless otherwise directed by the Board, the plans and drawings submitted must be prepared with waterproof drawing ink on sheets of tracing cloth, 18 inches by 30 inches in size.

Plans must be drawn to a scale of 40 feet to the inch; profiles 40 feet to the inch horizontal, and 4 feet to the inch vertical. Three blue prints of each tracing must also be submitted. Streets more than twelve hundred (1,200) feet in length will require additional sheets.

3. Plans

Plans must show complete layout details, and must be accompanied by drawings showing profiles and the proposed grade of each street.

The plan must show all existing features, and must be drawn with black ink. It must bear a title at the lower right corner of the sheet containing the name of the subdivision, the scale and date, together with the names and addresses of the owner and surveyor. It must show North point; areas of lots; length and location of all lot lines, and their angles of intersection; ownership, and location of abutting property; street lines; fences; walls; buildings; monuments, and drainage courses. Any existing right of way, or easement on the property must be noted upon the plan, and the widths of proposed streets shown in figures.

Plans must show in red the proposed drainage structures, and the manner of surface water disposal.

A closed survey around the property must be made, and traverse calculations having an error of closure not exceeding 1 in 5,000 will be required by the Board.

The error of closure shall be shown together with the method of adjustment, in other words the survey shall be made, substan-

tially, as required by the Massachusetts Land Court, except as otherwise required by the Board of Survey.

The above plans must be accompanied by, or shown in one corner of the sheet, a copy of such portion of the Stoneham Map, Scale 200, as would show the entire property to be laid out and such adjoining property as may be affected. If the street submitted for approval does not extend through to another street and is likely to be extended in the future, the plan should show the whole street and its connection with existing or other proposed streets.

4. Street Extensions

If a new subdivision contains a street which does not extend through to another street, then the practical extension thereof, if any, must be shown to the nearest proposed, or existing street. The proposed extension may, if necessary, be shown on a sub-plan drawn to a smaller scale.

5. Profiles

Profiles must be submitted with the plans, and on additional sheets when necessary. They must show the existing ground elevations at each 50 foot interval, or with greater frequency if the contour so requires. Profiles must be taken along the proposed location of curb lines, and also along the center line of the street. A proposed grade of the finished street must be shown in red on the center line profile with figures, also in red, showing the elevation at each station, and intermediate point. All existing ground lines with their elevations must be in black.

Bench marks must be noted, and described.

6. Grading — Bounds

Before the plan of any street will be approved by the Board, the petitioner must bring such street to proper subgrade.

The subgrade shall be of gravel, 6 inches in thickness, and its surface shall be 6 inches below, and parallel with the proposed finished grade, as shown on the profile.

Material used in grading and constructing streets shall be of a quality satisfactory to the Board of Survey.

The petitioner shall also cause stone bounds to be placed at all angle points; at the beginning and end of all curves, and at all intersections of streets, or otherwise, if so directed by the Board of Survey.

Bounds shall be of granite not less than 4 feet long, and not less than 6 inches square with the top surface hammer dressed to a 6 inch by 6 inch area. They shall be set accurately on the street lines, and at such elevations as the Board may direct. A drill hole shall be placed in the top of each bound as a point of reference.

7. Names

Names of proposed streets must be satisfactory to the Board and shall not be placed on the plans until they have been submitted and approved by the Board.

8. Hearings

Upon the receipt of a petition for the approval of a plan and profile, prepared and submitted in accordance with the foregoing rules and regulations, the Board will hold a public hearing thereon, first giving notice of the time and place thereof, by publishing a copy of the order for the hearing in a newspaper published in the Town once in each of two successive weeks, the last publication to be at least two days before the hearing, and may notify, or require that notification be given, to all owners of land abutting the proposed street or way. The expense for such publication and notice shall be paid by the petitioner, who shall deposit the sum of \$15.00 with the Board at the time of filing the petition. Any unexpended balance of such deposit will be returned to the petitioner after the hearing, but if the deposit shall not be sufficient to meet such expenses, the petitioner shall pay the excess.

Suggestions

A street submitted for approval should be at least 45 feet in width providing conditions make it possible. A street 45 feet in width should have curb lines placed 10 feet from the property lines making a 25-foot traveled way between curbs. A street 50 feet in width should have curb lines placed 10 feet from the property line making a traveled way between curbs of 30 feet. Streets 60 feet in width should have a curb line 10 feet from the property line with a traveled way of 40 feet between curbs. Streets 80 feet in width should have curb lines 13 feet from the property line making a traveled way of 54 feet between curbs.

Extracts From Massachusetts Laws Regarding Board of Survey

General Laws, Chapter 41, Section 74. After the establishment of a board of survey no person shall open a private way for public use without first submitting to said board suitable plans thereof in accordance with such rules and regulations as the board may prescribe. In cities such plans shall be so prepared as to show the profiles of such way and the method of drainage of the adjacent or contiguous territory. Upon the receipt of said plans, with a petition for their approval, the board shall give a public hearing thereon, after giving notice of the same by publications once in each of two successive weeks in a newspaper published in the city or town, the last publication to be at least two days before the hearing; and after the hearing, the board may alter such plans, and may determine where such ways shall be located and the

widths and grades thereof, and shall indicate any modifications on said plans. The plans as approved or modified by the board shall then be signed by the board, and in cities shall be filed in the office of the city engineer, and in towns in the office of the town clerk; and the officer with whom they are filed shall attest thereon the date of filing; and thereafter no way in the territory to which the plans relate shall be laid out or constructed except in accordance therewith, or with further plans subsequently approved by the board.

Section 77. . . . No public way shown on any plan filed as aforesaid shall hereafter be laid out, located anew, altered or widened, and no such way, whether already or hereafter laid out, shall be constructed by any public authority except in accordance with the plan duly attested and recorded under said sections. If any person shall open for public travel any private way, the location, direction, width, grades and in cities the plan of drainage of which have not previously been approved in writing by the board of survey in the manner provided in said sections, neither the city or town nor other public authority shall place any public sewer, drain, water pipe or light in, or do any public construction work of any kind, or make repairs, on such private way. . . .

Section 78. No register of deeds shall record any plan showing thereon proposed ways in any town having a board of survey, unless there is endorsed thereon a certificate of said board, or other proper officer by it designated, that all laws applicable to such plan have been complied with. The clerk of each town shall notify the register of deeds of the district where such town is situated of the acceptance by such town of section seventy-three or corresponding provisions of earlier laws, or of any special act establishing a board of survey therein, and also the name of the officer designated by said board to approve plans hereunder.

REPORT OF TOWN TREASURER

To the Citizens of Stoneham:

I herewith present my report for the fiscal year ending December 31, 1930.

	<hr/>
Balance January 1, 1931	\$ 68,794.24

Respectfully submitted,

SIMEON C. FULLER,

Treasurer

REPORT OF TOWN ACCOUNTANT

The Financial Report for the Town of Stoneham for the year ending December 31, 1930 is herein presented. This report is in accord with the system as installed by the Division of Accounts, Department of Corporations and Taxation.

I wish to acknowledge the splendid co-operation of the various town departments in the maintenance of the system of accounts.

The Table of Accounts, following the list of expenditures, shows the amounts allowed each department, the expenditures and balances, if any.

The surplus revenue (Excess and Deficiency Account) at the close of the year is \$75,509.31.

The cash and securities in the hands of the Town Treasurer have been examined and found intact.

Respectfully submitted,

CHARLES A. OWEN,

Town Accountant

TOWN WARRANT

*To Sumner H. Green for either of the Constables of the Town of Stoneham,
in the County of Middlesex, Greeting.*

IN THE NAME OF THE COMMONWEALTH OF MASSACHUSETTS, you are directed to notify and warn the inhabitants of the Town of Stoneham, qualified to vote in elections and town affairs, to meet in Armory Hall, in said town on

MONDAY, MARCH 2, 1931

at seven o'clock in the forenoon, to act on the following articles of this warrant.

Article 1. To choose a Moderator for one year, a Town Treasurer, a Tax Collector, three Selectmen, three members of the Board of Public Welfare, three Constables, and a Tree Warden, all for one year; one Assessor, a Town Clerk, two members of the School Committee, one member of the Board of Health, one Park Commissioner, two Trustees of the Public Library, all for three years; a Trustee of Lindenwood Cemetery for five years; all on one ballot in accordance with the votes of the town and the General Laws of Massachusetts.

The polls will be open at seven o'clock in the forenoon and closed at eight o'clock in the evening.

For the consideration of the following articles, the meeting will be adjourned to meet at thirty minutes after seven o'clock in the evening on Monday, March 9, 1931.

Article 2. To choose all other necessary Town Officers for the year ensuing.

Article 3. To hear the reports of Town Officers and Committees, and to act thereon and to choose Committees.

Article 4. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and to make appropriations for the same.

Article 5. To see if the town will authorize its Treasurer to hire money for the use of the town under the direction of the Selectmen.

Article 6. To see if the town will vote to authorize the Treasurer, with the approval of the Selectmen, to refund any or all of the revenue notes issued in anticipation of revenue of the year 1931 in accordance with the provisions of Section 17 of Chapter 44 of the General Laws; any debt so incurred to be paid from the revenue of 1931.

Article 7. To see if the town will authorize the Board of Selectmen to retain Counsel for the year ensuing.

Article 8. To see what action the town will take in suits for damages brought against the town, and those now pending.

Article 9. To see if the town will grant the use of Armory Hall as follows:

(a) To the Memorial Day Committee for Memorial exercises, Sunday, May 24, without expense.

(b) To Stoneham District Boy Scouts of America on four evenings when not otherwise engaged, for the purpose of holding free public ceremonial meetings and demonstrations, without expense.

(c) To Stoneham Post 115, American Legion, on seven evenings, when not otherwise engaged.

(d) To Camp 31, United Spanish War Veterans, on five evenings, when not otherwise engaged.

(e) To Camp Fire Girls, on one evening, when not otherwise engaged.

(f) To Stoneham Garden Club, Saturday, September 12, 1931.

Article 10. To see if the town will vote to authorize the Board of Health to appoint its Secretary, or any other of its Board members, Health Officer. To see if the town will vote to fix the salary of said Health Officer, and raise and appropriate money therefor.

Article 11. To see if the town will vote to authorize the Board of Health to appoint one of its Board members, Milk Inspector. To see if the town will vote to fix the salary of said Milk Inspector, and raise and appropriate money therefor.

Article 12. To see if the town will maintain a local Dental Clinic and raise and appropriate a sum of money for the same, under Section 50, Chapter III, General Laws.

Article 13. To see if the town will raise and appropriate a sum of money for the employment of a Board of Health Nurse, under Section 5, Chapter 40, General Laws.

Article 14. To see if the town will authorize the Board of Health to contract for a term of years for the removal and disposal of ashes, paper and other waste, and also for the removal and disposal of garbage, or do anything in relation thereto.

Article 15. To see if the town will vote to raise and appropriate a sum of money not exceeding two hundred sixty-four (264) dollars to pay the rent of quarters for the use of J. P. Gould Post No. 75, Grand Army of the Republic.

Article 16. To see if the town will vote to raise and appropriate a sum of money not exceeding two hundred fifty (250) dollars for the purpose of leasing quarters for the use of Leon E. Warren Camp No. 31, United Spanish War Veterans.

Article 17. To see if the town will vote to raise and appropriate a sum of money not exceeding four hundred (400) dollars

for the purpose of leasing quarters for the use of Stoneham Post No. 115, American Legion.

Article 18. To see if the town will vote to release to John M. Devlin the fee to a certain strip of land 25 feet in width, containing about 2250 square feet, running through his premises between Atwood Avenue and Glen Road, so called, as set forth and described in deed of Lawrence Martin to Town of Stoneham dated April 30, 1920, and recorded with Middlesex South District Deeds, Book 4409, Page 255, the town retaining an easement for sewerage purposes therein; and to authorize the proper town officers to execute, deliver, and receive the proper documents thereto.

Article 19. To see if the town will vote to accept the provisions of Chapter 25, Acts of 1930, to pay a certain sum of money to the mother of June Marie Greeley.

Article 20. To see if the town will vote to revise the present water rates, appoint a committee to investigate the matter, or do anything in relation thereto.

Article 21. To see if the town will vote that all contracts made by the town shall include the following provisions:—
The wages for a day's work paid to laborers, mechanics and chauffeurs employed in the construction of the work herein contracted for shall be not less than the customary and prevailing rate of wages paid by the Town of Stoneham to its employees for a day's work in the same occupations.

Article 22. To see if the town will vote to raise and appropriate the sum of nine hundred thirty and 10/100 (930.10) dollars to pay the following unpaid bills for the year 1930:

- (a) Snow Removal, four hundred (400) dollars.
- (b) Trade Schools, two hundred ninety-two and 25/100 (292.25) dollars.
- (c) Rifle practice, one hundred eighty (180) dollars.
- (d) Armory Hall, fifty-seven and 85/100 (57.85) dollars.

Article 23. To see if the town will vote to raise and appropriate a sum of money to pay, or reimburse for Hospital and Medical Expenses, Dennis L. McKinnon, an Officer of the Town of Stoneham, injured in the performance of his duty, April 19, 1930.

Article 24. To see if the town will vote to raise and appropriate a sum of money for the care and maintenance of the town property on Emerson, Central and Tidd Streets, or do anything in relation thereto.

Article 25. To see if the town will vote to erect a cover over the town scales, raise and appropriate money therefor, or do anything in relation thereto.

Article 26. To see if the town will vote to construct an addition to the existing garage of the police station, raise and appropriate money therefor or take any action relative thereto.

Article 27. To see if the town will vote to raise and appropriate a sum of money to provide for the payment of Old Age Pensions during the year 1931, or do anything in relation thereto.

Article 28. To see if the town will vote to raise and appropriate a sum of money for the purpose of painting the buildings of the Town Infirmary, or do anything in relation thereto.

Article 29. To see if the town will vote to raise and appropriate a sum of money for the purpose of installing an electric refrigerator at the Town Infirmary, or do anything in relation thereto.

Article 30. To see if the town will vote to purchase a combination pump and hose truck; raise and appropriate money therefor, or do anything relative thereto.

Article 31. To see if the town will vote to install traffic signals on Main Street, or other streets of the town, raise and appropriate money therefor, or do anything in relation thereto.

Article 32. To see if the town will vote to install caution signals at the following points, raise and appropriate money therefor or do anything in relation thereto:

(a) At the junction of Pond and Summer Streets.

(b) At the junction of Summer and Franklin Streets.

Article 33. To see if the town will vote to purchase a truck for the Department of Public Works, raise and appropriate money therefor, or do anything in relation thereto.

Article 34. To see if the town will vote to purchase an air compressor for the Department of Public Works, raise and appropriate money therefor, or do anything in relation thereto.

Article 35. To see if the town will vote to purchase a street sweeper for the Department of Public Works, raise and appropriate money therefor, or do anything in relation thereto.

Article 36. To see if the town will vote to accept as a Public Town Way, Crescent Avenue as laid out by the Board of Survey, or do anything in relation thereto.

Article 37. To see if the town will vote to raise and appropriate a sum of money for the construction of Crescent Avenue under the laws relating to the assessment of betterments, or otherwise, or do anything in relation thereto.

Article 38. To see if the town will vote to accept the relocation of Fuller Street as made by the Board of Survey, or do anything in relation thereto.

Article 39. To see if the town will vote to resurface Spring Street, from East Street to the Wakefield line, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 40. To see if the town will vote to resurface Maple

Street, from Main Street to the Boston & Maine Railroad crossing, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 41. To see if the town will vote to construct a granolithic sidewalk on the easterly side of Wright Street, from Hersam Street to Montvale Avenue under the Provisions of Chapter 83, General Laws, raise and appropriate money therefor or do anything in relation thereto.

Article 42. To see if the town will vote to remove the ledge and construct a retaining wall on the easterly side of Wright Street, abutting the property of the Charles J. Emerson School, raise and appropriate money therefor, or do anything in relation thereto.

Article 43. To see if the town will vote to construct a gravel sidewalk on the easterly side of Pond Street from the property of Gordon A. Frost to South Street, raise and appropriate money therefor, or do anything in relation thereto.

Article 44. To see if the town will vote to place curbings at the corners of all streets entering or crossing Marble Street with the exception of Warren Street, raise and appropriate money therefor, or do anything in relation thereto.

Article 45. To see if the town will vote to construct a concrete sidewalk on the westerly side of Washington Street, from Elm Street northerly to the northerly line of property of the Heirs of Jennie Glidden, under the provisions of Chapter 83, General Laws, raise and appropriate money therefor, or do anything in relation thereto.

Article 46. To see if the town will vote to remove the ledge on the easterly side of Summer Street, abutting the property of Johanna Meegan, raise and appropriate money therefor, or do anything in relation thereto.

Article 47. To see if the town will vote to construct the following proposed sewers, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto:

(a) In and through Butler Avenue, from Lindenwood Road to a point opposite the property of Lillian I. Hunt.

(b) In and through Myrtle Street, easterly from the existing sewer at Avon Street, a distance of three hundred (300) feet, more or less.

(c) In and through Westcott Road from the existing sewer in Central Street a distance of two hundred (200) feet, more or less.

(d) In and through Washington Street, from the existing sewer at Keene Street to a point opposite the property of the Heirs of Jennie Glidden.

(e) In and through Summerhill Street (north), easterly from the existing sewer in Summer Street to a point opposite the property of Patrick J. Regan, Jr.

(f) In and through Summerhill Street (south), easterly from the existing sewer in Summer Street a distance of one hundred forty (140) feet, more or less.

Article 48. To see if the town will vote to construct sewers in and through the following streets:—Parkway Road, Upland Road, Fairview Road, South Street from Main Street to Upland Road, Wilson Road from Main Street to Upland Road, raise and appropriate money therefor, by sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 49. To see if the town will vote to authorize the Selectmen to extend sewers wherever in the opinion of the Selectmen the same are necessary, providing the expense for any particular sewer so extended shall not exceed the sum of twenty-five hundred (2500) dollars, raise and appropriate money therefor, or do anything in relation thereto.

Article 50. To see if the town will vote to lay a drain in and through Franklin Street, from the westerly boundary of the land of Cora E. Dike, easterly to connect with the drain in Pine Street, raise and appropriate money therefor, or do anything in relation thereto.

Article 51. To see if the town will vote to enclose in a pipe or culvert, the drain or brook running through the land of Edward Perry and Millie M. Perry, situated on the southerly side of Hancock Street, under the law relating to the assessment of betterments, or otherwise, raise and appropriate money therefor, or do anything in relation thereto.

Article 52. To see if the town will vote to lay a water main in and through Spring Street from the existing main therein to the junction of Spring Street and Marion Street, so-called, raise and appropriate money therefor by sale of notes, bonds or otherwise, or do anything in relation thereto.

Article 53. To see if the town will vote to furnish the services of police officers at the High School public athletic contests, raise and appropriate one hundred and fifty (150) dollars to defray the cost of same, or do anything in relation thereto.

Article 54. To see if the town will vote to raise and appropriate two thousand two hundred (2200) dollars for the purpose of grading and fencing the grounds at the Charles J. Emerson School, or do anything in relation thereto.

Article 55. To see if the town will vote to appoint a Committee to look into the matter of new buildings for the High School, raise and appropriate a sum of money for the expenses of said Committee, or do anything in relation thereto.

Article 56. To see if the town will vote to demolish, remove or otherwise dispose of the old Center School building.

Article 57. To see if the town will vote to demolish, remove or otherwise dispose of the following buildings owned by the Town:—Building at No. 10 Emerson Street (Blodgett house), Building at No. 51 Central Street (Meister house) and Building at No. 3 Tidd Street (Ford house).

Article 58. To see if the town will vote to raise and appropriate the sum of one hundred (100) dollars for the purpose of cleaning the ditch through Gould Meadow, or do anything in relation thereto.

Article 59. To see if the town will vote to plant shade trees on that part of Whipple Avenue which is a Public Town Way, raise and appropriate money therefor, or do anything in relation thereto.

Article 60. To see if the town will vote to raise and appropriate the sum of three hundred (300) dollars for curbing, grading and seeding the grass plot at the junction of High and Waverly Streets, or do anything in relation thereto.

Article 61. To see if the town will vote to raise and appropriate the sum of one hundred (100) dollars for the care of grass plots at Winthrop Square, junction of Pleasant and William Streets and the junction of High and Waverly Streets, or do anything in relation thereto.

Article 62. To see if the town will vote to purchase for a playground a certain parcel of land owned by George Cole, bounded by Park Street, Winthrop Street and Dean Street, containing 77,219 square feet, more or less, as shown on a plan made by Russell C. Chase, C. E., dated January 6, 1931, raise and appropriate money therefor or do anything in relation thereto.

Article 63. To see if the town will vote to raise and appropriate the sum of three hundred (300) dollars for Christmas lighting and appoint a Committee of five (5) to expend said sum, or do anything in relation thereto.

Article 64. To see if the town will vote to authorize the Selectmen to install additional street lights, where needed, raise and appropriate money therefor or do anything in relation thereto.

Article 65. To see if the town will vote to discontinue Tidd Street as a Public Town Way.

Article 66. To hear the report of the Committee on By-Laws and act thereon and see what action the town will take in regard to adoption, amendment or revision of the By-Laws.

Article 67. To see if the town will vote to amend the Zoning By-Law by adding to Article I the following section to be known as Section 7A:—

Location of Automobile Services

No public garage, automobile repair shop, greasing station, storage battery service station or gasoline selling station, or any of their appurtenances or accessory uses, shall hereafter be erected or placed within fifty feet on the street line of any residence district. No driveway to such premises shall be in any part within fifty feet of any residence district. No such public garage, automobile repair shop, greasing station, storage battery service station, or gasoline selling station, or any of their appurtenances or accessory uses, shall have any entrance or exit for motor vehicles within three hundred feet of the property used by any public or private school having more than twenty-five pupils, public library, church, playground or institution for the sick, dependent, or for children under sixteen years of age having provision for not less than ten inmates.

All gasoline selling stations hereafter erected shall be so arranged that no filling shall be done into cars standing either on the street or sidewalk.

Article 68. To see if the town will vote to adopt the following proposed amendments to the Zoning By-Law:—

(a) To amend Section 4 of Article I by striking out the words "Gasoline Selling Station" so that said Section will read:—

Retail Business

Section 4. In the Retail Business District no building or premises shall be used and no building or structure shall be erected which is intended or designed to be used for the following purposes: Garage Repair Shop, Public Garage, Public Stable, Business Stable, Blacksmith or Horse Shoeing Shop, Bottling Works, Building Material Storage Yard, Coke, Coal or Wood Yard, Laundry employing 10 or more persons, Lumber Yard, Milk Distributing Station, Carpet or Rug Cleaning—or for any other than the following purposes:

(b) To amend Section 4 of Article I by adding under "Specified Purposes," the following paragraph:—

f. Gasoline Selling Station.

Article 69. To see if the town will vote to amend the Zoning By-Law by adding to Article I the following section to be known as Section 3A:—

Area Regulations in Single Family Residence A and Residence B Districts.

Section 3A. In Single Family, Residence A and Residence B Districts land hereafter laid out shall provide for each dwelling a minimum frontage of sixty (60) feet and minimum lot area of 6000 square feet. Lots shown on any plan duly recorded by deed

or plan at the time this By-Law is adopted may be used, provided the yard requirements are fulfilled.

Article 70. To see if the town will vote to amend the Zoning By-Law by adding to section 4 of Article I the following paragraph to be known as Paragraph g:—

Set Back Area

g. In Retail Business Districts designated at the following points, the Set Back Area Regulations as provided in Article I, Section 2, Paragraph c shall apply:—

The junction of Stevens and Franklin Streets and the area opposite thereto on the southerly side of Franklin Street.

The junction of Spring Street, Whipple Avenue, Elwood Avenue and East Street.

Article 71. To see if the town will amend the Zoning By-Law by adding at the end of Section 1, Article I, the following Paragraph:—

The provisions of Article I, Section 2 shall apply to a One Family Residential District except the second paragraph of Sub-Division a under Sub-Division 10.

Article 72. To see if the town will vote to amend the Zoning By-Law by adding to Article I the following Section to be known as Section 3B:—

Exceptions to Set Back Area

Where to an extent of fifty per cent of the space between two streets, or in a space of four hundred feet, on one side of the street, front yards of uniformly greater depth have been established or provided for by common agreement or by private building restrictions, or where through common usage they exist, the depth of the front yards so established, provided for or existing shall be the front yard depth under this By-Law for such street or portion of a street. Where in a similar space and to a similar extent front yards of varying depth but all of a greater depth than fifteen feet are so established, provided for or existing, the minimum depth so established, provided for or existing shall be the front yard depth under this By-Law for such street or portion of a street.

Article 73. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofor defined and set forth so as to include in the Retail Business District the following areas:—

a. Extending along the easterly side of Main Street from the northerly line of Summer Street to the northerly line of the North School lot owned by the Town of Stoneham and running back from Main Street to a depth of 100 feet, distant easterly therefrom

and parallel to Main Street throughout said extent. All Zoning By-Laws heretofore passed inconsistent herewith are hereby repealed.

b. Extending along the easterly side of Main Street, northerly from a point 585 feet northerly from the Boston and Maine Railroad to a point distant 769.80 feet northerly from the Boston and Maine Railroad and running back from Main Street to a depth of 100 feet distant easterly therefrom and parallel to Main Street throughout said extent. All Zoning By-Laws heretofore passed inconsistent herewith are hereby repealed.

c. Extending along the westerly side of Main Street from the northerly line of Benton Street to the Boston and Maine Railroad and running back from Main Street to a depth of 100 feet distant westerly therefrom and parallel to Main Street throughout said extent. All Zoning By-Laws heretofore passed inconsistent herewith are hereby repealed.

Article 74. To see if the town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area:—All land on the westerly side of Main Street, (not at present included in the Retail Business District), between Maple Street and Flint Avenue, to a distance of 200 feet westerly from Main Street.

Article 75. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described areas:—

a. Extending along the southerly and westerly side of Spring Street from a point 125 feet north of the westerly boundary of land of Clarence C. Rayner and Ida M. Rayner, easterly and southerly a distance of 200 feet and running back from Spring Street to a depth of 100 feet distant southerly and westerly therefrom and parallel to Spring Street throughout said extent.

b. Extending along the northerly side of Spring Street from a point 100 feet west of the northwesterly corner of Whipple Avenue and Spring Street, thence easterly along the northerly side of Spring Street to a point 100 feet east of the northeasterly corner of Whipple Avenue and Spring Street and running back from Spring Street to a depth of 100 feet distant northerly therefrom and parallel to Spring Street throughout said extent.

c. Beginning at the southeasterly corner of Spring Street and East Street, thence running east along the southerly side of East Street a distance of 100 feet and running back from East Street to a depth of 100 feet distant southerly therefrom and parallel to East Street throughout said extent.

Article 76. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business

District as heretofore defined and set forth, so as to include in the General Business District the following described area:—

Beginning at the northeasterly corner of Hancock and Main Streets, thence running north along the easterly side of Main Street a distance of 152 feet and running back from Main Street to a depth of 100 feet distant easterly therefrom and parallel to Main Street throughout said extent.

Article 77. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area:—

Beginning at the northeasterly corner of Franklin Street and Stevens Street and extending easterly along Franklin Street 200 feet and running back from Franklin Street to a depth 100 feet distant northerly therefrom and parallel to Franklin Street throughout said extent.

Article 78. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District, as heretofore defined and set forth so as to include in the Retail Business District the following described area:—

Beginning at a point on the southerly side of Franklin Street on the easterly side of a Private Way, running southerly from Franklin Street and opposite Stevens Street, thence running easterly along said Franklin Street a distance of 200 feet and running back from Franklin Street to a depth 100 feet distant southerly therefrom and parallel to Franklin Street throughout said extent.

Article 79. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area:—

That area not already included in the Retail Business District bounded by Hancock Street, Warren Street, Maple Street and Main Street.

Article 80. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area:

Extending along the southerly side of Montvale Avenue from the present limits of the Retail Business District on Main Street westerly to the Boston & Maine Railroad and running back from Montvale Avenue to a depth of 100 feet distant southerly therefrom and parallel to Montvale Avenue throughout said extent.

Article 81. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area:

Extending along the northerly side of Montvale Avenue from the present limits of the Retail Business District on Main Street westerly to the easterly side of Cottage Street and running back from Montvale Avenue to a depth of 100 feet distant northerly therefrom and parallel to Montvale Avenue throughout said extent.

Article 82. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area:

Bounded on the south by Montvale Avenue, on the west by the easterly side of Lindenwood Road, on the east by Boston and Maine Railroad and on the north by a line parallel to and 100 feet north of the northerly line of Montvale Avenue.

Article 83. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District as heretofore defined and set forth so as to include in the General Business District the following described area:

A certain parcel of land belonging to Leonard Gianquitto, bounded and described as follows: Northerly by Franklin Street, 100 feet 6 inches, more or less; Westerly by Pond Street, 85 feet 10 inches, more or less; Southerly by land of Harriet Blake et als, 95 feet, more or less; Easterly by land now or formerly of Charles B. Melvin, 84 feet, more or less.

Article 84. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business District as heretofore defined and set forth so as to include in the Retail Business District the following described area:

A certain parcel of land belonging to Leonard Gianquitto, bounded and described as follows: Northerly by Franklin Street, 100 feet 6 inches, more or less; Westerly by Pond Street, 85 feet 10 inches, more or less; Southerly by land of Harriet Blake et als, 95 feet, more or less; Easterly by land now or formerly of Charles B. Melvin, 84 feet, more or less.

Article 85. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the General Business District the following described area, or any part thereof:

Beginning at the junction of Marble Street and Hill Street, thence the line runs Westerly by said Marble Street along land of Sarah Sherman, a distance of 200 feet to other land of said Sherman, thence Northerly by other land of said Sherman, 100 feet to an angle, thence still by other land of said Sherman, the line runs Northeasterly 100 feet to Hill Street, thence Southeasterly by said Hill Street, along land of said Sherman 200 feet to the bound first mentioned.

Article 86. To see if the town will vote to amend the Zoning By-Law by enlarging the present limits of the Retail Business

District as heretofore defined and set forth so as to include in the Retail Business District the following described area, or any part thereof:

Beginning at the junction of Marble Street and Hill Street, thence the line runs Westerly by said Marble Street along land of Sarah Sherman, a distance of 200 feet to other land of said Sherman, thence Northerly by other land of said Sherman, 100 feet to an angle, thence still by other land of said Sherman, the line runs Northeasterly 100 feet to Hill Street, thence Southeasterly by said Hill Street, along land of said Sherman 200 feet to the bound first mentioned.

Article 87. To see if the town will vote to raise and appropriate a sum of money to pay the taxes assessed in the years 1929 and 1930 on property owned by the town.

And you are directed to have one thousand copies of this warrant printed, and to service the same by posting up twenty-five attested copies as follows: One on each school-house and meeting-house in said town, and the residue of the twenty-five attested copies in conspicuous places in different sections of the town seven days, at least, before the time for holding said meeting, and by publishing a duly attested copy of said warrant in some newspaper published in said town, the publication to be not less than three days before said meeting.

The remaining nine hundred and seventy-five copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given under our hands this third day of February in the year One Thousand Nine Hundred and Thirty-one.

WILLIAM S. LISTER
GEORGE R. BARNSTEAD
LEANDER V. COLAHAN

Selectmen of Stoneham

Copy Attest: SUMNER H. GREEN, Constable.
